UNIVERSITY OF PITTSBURGH AT BRADFORD
ATHLETIC TRAINING PROGRAM

I, ________________________, understand that I may not be at an assigned clinical site unless I am under the direct supervision of my assigned preceptor or clinical instructor (CI). This means that the preceptor or CI must be physically present and have the ability to intervene on my behalf in order to provide an on-going and consistent education. I understand that I am not to be traveling with an athletic team as a first responder, if my preceptor or CI is not traveling with the team. I understand that traveling with an athletic team or being unsupervised at the clinical site is not compliant with the CAATE Standards and it may also be a violation of the State Practice Act for athletic trainers.

I will not travel with an athletic team or participate in any athletic care that is unsupervised by my assigned preceptor or CI. I understand that traveling with an athletic team or participating in any type of activity related to athlete care as a first responder, while not under direct supervision of my assigned preceptor or CI, is not permitted.
