Where you can go beyond
YOU WANT TO GO BEYOND

You don’t want a ho-hum college experience, and we don’t want you to have one. At Pitt-Bradford, you’ll be able to go beyond in all aspects of your college life.

The Power of Pitt

We’re a regional campus of the University of Pittsburgh. That means as a Pitt-Bradford student you’ll get all of the benefits of our caring campus community, and you’ll have access to all of Pitt’s vast resources. You’ll:

• Have access to more than 4 million volumes and 35,000 periodicals through our library system.

• Have opportunities to study in another country.

• Receive the prestigious University of Pittsburgh degree, which will help you get a job or accepted into graduate school.

• Have competitive admission guarantees to many of Pitt’s graduate programs.

And the best part is you’ll get an incredible Pitt value with tuition, fees, and room and board rates that are more affordable at Bradford than the Pittsburgh campus.

For more benefits, visit www.upb.pitt.edu/pop.
In the classroom (with class size and student-to-faculty ratio graphics)
You’ll be able to choose from more than 42 majors and more than 50 minors, concentrations and pre-professional programs.

See our list of programs at www.upb.pitt.edu/academicprograms.
(All of our programs are also listed inside the back cover.)

On our campus, you won’t ever be just a face or a number in a large lecture hall. Most of your classes will be small, and you’ll be taught by dedicated professors who are experts in their field. They’ll get to know you, care about you, and give you the personal attention you deserve.

Beyond the classroom
You’ll work hard in class, but you’ll also have many opportunities to go beyond textbooks and classroom lectures to get hands-on experiences - on campus and off - that will give you the tools, the experience and the confidence to succeed.

On campus:
• Lift fingerprints, examine evidence and secure a “crime scene” in our CSI House.
• Develop a virtual reality tour of campus.
• Care for “patients” in our simulated nursing lab.
• Collect samples from the creek alongside campus then examine them in the biology lab.
• Create a video game or app with your classmates in our computer information systems and technology lab.
• Make a commercial for a local business in our TV studio.
• Practice your counseling skills in our psychology lab.
CONDUCT RESEARCH

You’ll have an opportunity to conduct research, sometimes with one of your professors, and present your findings at our Honors Day event on campus, or at regional or national undergraduate research conferences. You may even get your research published. You can conduct research in many majors, not just the sciences, including mathematics, sociology, criminal justice and psychology.

Off campus:

• Study in Germany, England, Thailand, Tanzania, Ireland, Japan or in one of several other countries.

• Serve as an intern. You can choose a local organization such as the Bradford City Police Department or a national or international one such as television network BET or investment banking company Goldman Sachs.

• Work in the neighboring Allegheny National Forest or Allegany State Park.

Find out how you can go beyond at www.upb.pitt.edu/youcangobeyond.

Meet Miranda Piccioli, a biology major from Bradford, PA.

Miranda gathered stream samples from the neighboring Allegheny National Forest. When she returned to the lab, she tested the samples’ pH to see how changing levels affect the insects that live in the streams.

“I love the atmosphere and sense of family at Pitt-Bradford.”
— Miranda Piccioli
WORK AS AN INTERN

You can get great experience as an intern, which will help you make great connections and give you an advantage when you graduate.

Meet Lauren Ball, a public relations major from Punxsutawney, PA.

Lauren spent one summer as an intern at the Heinz History Center in Pittsburgh, PA, and the second summer at the Eldred (PA) World War II Museum. During both internships, she wrote press releases, worked with social media, and developed ways to promote each facility.

“My experience at Pitt-Bradford has prepared me for the workplace.”
— Lauren Ball
Meet Donovan Brown, a double major in social studies education and history/political science from North East, PA.

Donovan said his time at Pitt-Bradford has been full of opportunities. For example, he spent part of his summer studying Balkan history, culture and politics in Bosnia and Herzegovina, Greece and Cyprus.

“I love the experiences I’ve had at Pitt-Bradford.”
—Donovan Brown

75 countries you can study in

53 students who studied abroad in 2016-17
STUDY ABROAD

When we say you can go beyond, we mean it literally. Our students have studied all over the world, from Austria to Thailand, from Germany to Japan. When the students returned home, they realized they had more confidence, knew more about themselves and the world, and were open to even more possibilities.

“Being immersed in their culture was the greatest experience I have ever had.”
— Alex Miller

Meet Alex Miller, a nursing major from Lititz, PA.

Alex traveled halfway around the world to Tanzania to get out of her comfort zone. She studied culture, Swahili and public health, learning more in depth about HIV/AIDS, typhoid and malaria.
Housing
You’re going to feel right at home here because all of our residence halls are furnished, spacious and comfy. You’ll also feel at home here because you’ll be part of a tight-knit, caring community where you’ll have many chances to get involved, make friends, have fun and develop leadership skills.

We offer three styles of residence halls: town houses, garden apartments and suites. In fall 2018, we’ll open our newest residence hall, which will offer six residential communities of 21-33 students in double rooms.

1,000 students living in the residence halls

317 acre campus
**Town House Apartments**

Our town houses are two-story apartments that house up to five students. The living room, kitchenette and a single bedroom are on the first floor. Two double bedrooms and the bathroom are on the second floor.

Learn more at [www.upb.pitt.edu/townhouses](http://www.upb.pitt.edu/townhouses).

---

**Suite-Style Apartments**

Our Suites provide five-person, four-person or two-person apartments. Each apartment has a living room and dinette area and is air conditioned. Each building also has a large walk-through lobby and vending area.

Learn more at [www.upb.pitt.edu/suites](http://www.upb.pitt.edu/suites).

---

**Garden Apartments**

The Gardens have spacious living rooms, kitchenettes and large dining tables and chairs. A central corridor leads to the bedrooms and bathrooms. They are air conditioned and handicapped accessible. Most of the Gardens have three double bedrooms and two bathrooms. Some have four single bedrooms.

Find out more at [www.upb.pitt.edu/garden](http://www.upb.pitt.edu/garden).

---

For even more information about living on campus visit [www.upb.pitt.edu/residencelife](http://www.upb.pitt.edu/residencelife).
ACTIVITIES

Yes, you’ll be a hard-working college student, but don’t worry. You’ll have time for fun. In fact, you could have something fun to do each day (after you finish studying, of course.) You can join one or more of our student clubs and organizations. We have more than 60:

• Basic Pitches, a capella group
• Cheerleading
• Environmental Studies Club
• Habitat for Humanity
• International Relations/Model U.N. Club
• Pitt Improvers improv team
• Psychology Club
• Student Activities Council
• Student Nurse Organization

But there’s much more.

Compete on one of our 14 NCAA Division III varsity teams.

**Men’s**
- Baseball
- Basketball
- Golf
- Soccer
- Swimming
- Tennis
- Wrestling (new for fall 2018)

**Women’s**
- Basketball
- Bowling
- Softball
- Soccer
- Swimming
- Tennis
- Volleyball

Get details at [www.upb.pitt.edu/athletics](http://www.upb.pitt.edu/athletics).
Or you can:

• Compete on our ice hockey club team
• Play on one of our intramural teams, from flag football to broom hockey.
• Go kayaking, rock climbing, skiing, zip lining, horseback riding or white-water rafting with our Outdoor Club.
• Attend concerts, comedy nights, dances, art exhibitions, lectures and plays.
• Volunteer in the community.
• Take a campus-sponsored trip to Pittsburgh, PA; New York, NY; Toronto, Canada.

Learn more at www.upb.pitt.edu/studentlife.
After Graduation

With your degree from the University of Pittsburgh, you’ll be on your way to getting a great job or into graduate school, just like our other alumni.

Our graduates are employed by:

- Amazon
- ESPN
- NBA
- Pennsylvania House of Representatives
- PricewaterhouseCoopers
- U.S. Department of Education
- U.S. Secret Service
- Staples Center
- Yahoo

Others are studying at some of the most prestigious graduate schools in the country:

- University of Pittsburgh’s Graduate School of Public and International Affairs
- Dartmouth College
- Temple University
- Johns Hopkins University
- Ohio State University
- Michigan State University
- Purdue University
- University of Pennsylvania

Learn more at [www.upb.pitt.edu/beyondpittbradford](http://www.upb.pitt.edu/beyondpittbradford).

Meet Evan Greening of Fredericksburg, VA, who graduated in 2017 with bachelor’s degrees in history/political science and social studies education.

When Evan was a student, he was a star on the basketball team. Now, he’s taking his talent on the court to Marymount University in Arlington, VA. He’s a graduate assistant men’s basketball coach and is working on his master’s degree in curriculum and instruction.

“The education at Pitt-Bradford was top-notch. It prepared me for graduate school perfectly.” —Evan Greening

92% percentage of our students working, in graduate school or both six months after graduating
Great Value at an Affordable Price

Having an education from Pitt-Bradford and a degree from the University of Pittsburgh will change your life. What’s that worth? It’s priceless, but it will cost less than you think. Nearly all of our students — 98.9% — who apply for financial aid receive some kind of assistance through scholarships, grants and work study.

Not all of our aid is need based. We offer generous merit scholarships.

You’ll receive a merit scholarship if you have:

- a minimum cumulative high school GPA of 2.5
- a combined SAT score of 1030 or ACT score of at least 20

Additionally, our room and board rates are among the top five most affordable for public colleges and universities in Pennsylvania.

If you have questions or need more information give us a call at 1.800.872.1787, email finaid@list.pitt.edu or visit www.upb.pitt.edu/financialaid.

YOUR NEXT STEPS

The best way you’ll know if we’re right for you is to visit. Take a tour, sit in on a class, and meet the professors and students who you will soon consider your friends.

1. **SCHEDULE** a visit any time during the school year or join us for one of our special events. To schedule your visit, call us at 1.800.872.1787 or go online to [www.upb.pitt.edu/visit](http://www.upb.pitt.edu/visit).

2. **COMPLETE** your FAFSA (Free Application for Federal Student Aid) if you haven’t yet, to see if you qualify for federal financial aid. Our school code is **008815**.

3. **APPLY NOW.** It’s free. You can apply at [www.upb.pitt.edu/stepstoapply](http://www.upb.pitt.edu/stepstoapply).
