This transfer agreement regarding the Bachelor of Science in Computer Information Systems and Technology (CIST) is between:

The University of Pittsburgh at Bradford
and
Jamestown Community College

The University of Pittsburgh at Bradford (Pitt-Bradford) and Jamestown Community College (JCC) set forth the conditions upon which Pitt-Bradford will consider students from JCC for admission into Pitt-Bradford’s Bachelor of Science in Computer Information Systems and Technology (CIST) program. This document sets forth those conditions, which the parties hereby agree to.

A. Rationale for the purpose of the agreement

This agreement applies to courses that are currently constituted and delivered at JCC as of the 2008 - 2009 academic year. The purpose of this agreement is to make available to students of JCC the opportunity to pursue a Bachelor of Science in Computer Information Systems and Technology (CIST).

B. Description of how the agreement may be renewed or terminated

1. JCC agrees to promptly notify Pitt-Bradford upon any substantive modification to courses listed in this document, and further agrees that the terms of this agreement will no longer hold unless Pitt-Bradford provides a written approval that the curriculum changes do not alter the intent of this agreement.

2. Pitt-Bradford agrees to provide JCC with information about the Bachelor of Science in Computer Information Systems and Technology (CIST) program of study and any changes to the curriculum, should they occur. Conditions for admission into the Bachelor of Science in Computer Information Systems and Technology (CIST) program are stipulated in section C of this document.

3. The terms of this agreement shall remain in effect, except as stipulated in certain previous terms as listed herein, until terminated by either party. Any party may terminate the agreement with or without cause, on the provision of 120 days written notice to the other parties.

C. Admission requirements and transfer of academic credits

1. Pitt-Bradford agrees that students from JCC will meet the admissions standards of the Bachelor of Science in Computer Information Systems and Technology (CIST) program given that they satisfy the following conditions:

   a. Successful completion of up to 75 transferable credits with a grade of "C" = 2.00 or better:

   b. A cumulative grade point average (GPA) of 2.5 or better.

   c. Students must meet Pitt-Bradford conduct standards in regard to known behavioral problems.

2. Pitt-Bradford agrees that JCC’s students who meet the above admissions standards and complete the application and deposit requirements by May 1 will be admitted into the Bachelor of Science in Computer Information Systems and Technology (CIST) program.

JCC students who transfer a minimum of 60 credit hours with grades of “C” or higher will be admitted to Pitt-Bradford with junior standing. JCC students, who enter Pitt-Bradford with at least 54 credit hours that fulfill requirements for the Bachelor of Science in Computer Information Systems and Technology (CIST), maintain full-time enrollment of 15-18 credits, register for recommended courses, and earn grades of “C” or higher will fulfill graduation requirements for the BS degree in four, full-time fall and spring semesters at Pitt-Bradford.
