In order to provide some structure to what an Advisor for a Fraternity or Sorority at Pitt-Bradford, below is a list of Best Practices that ideally all advisors would be engaged and how we support our Chapter Advisors.

1. Have contact (face-to-face, email, text, etc.) with the chapter president on a weekly basis
2. Attend the Chapter Advisor/Chapter President luncheon at the beginning of each semester (sponsored by SGA)
3. Meet with the Associate Dean, Chapter President & NMO Director the week prior to NMO each semester to review the chapter’s plan
4. Meet with the new members during NMO each semester (a meal in the Dining Room is suggested) to get to know them
5. Review the chapter’s academic performance, including individual member’s GPA’s (supplied by Ron @ the luncheon) and suggest ideas to reward members and get help to those that need it
6. Assist the chapter in setting Recruitment and Scholarship goals each semester
7. Advisors serve for as long as both parties mutually agree to do so.
