UNIVERSITY OF PITTSBURGH AT BRADFORD

OFFICE OF THE VICE PRESIDENT
AND
DEAN OF STUDENT AFFAIRS

AUGUST 2018

To All Students:

Welcome to the University of Pittsburgh at Bradford for the 2018-2019 academic year. Whether you are coming to Pitt-Bradford for the first time or continuing your studies here, we wish you success in all you do. Likewise, we invite you to take advantage of the many programs, activities, and services the college has to offer.

As a student at Pitt-Bradford, you have been given the opportunity to study and earn your University of Pittsburgh degree in an intimate campus setting that rivals that of the finest small colleges in America. The faculty and staff here are committed to providing an outstanding personalized educational experience. At the same time, because the campus is part of the University of Pittsburgh, you are earning your degree from a university that is known throughout the United States and overseas for the quality of its teaching, research, and discovery of new knowledge. The University of Pittsburgh is one of only 62 universities in the United States and Canada that has membership in the prestigious Association of American Universities (AAU). These are North America’s top universities, and Pitt-Bradford students benefit immensely from such an important affiliation, especially as they move into their careers following graduation. In addition, although Pitt-Bradford is now only 55 years of age, we are part of a distinguished and renowned University that just celebrated its 231st anniversary, making Pitt one of the oldest universities in the nation.

As we begin the new academic year, it is important for all students to be provided with up-to-date information about Pitt-Bradford. For this reason, the Student Handbook has been prepared to assist you. You are strongly encouraged to become familiar with the information contained within it. By doing so, you will become more knowledgeable about Pitt-Bradford and the rights and responsibilities of being a member of this college community. If you find that you have questions that cannot be answered in the Student Handbook, please be sure to come to the Student Affairs Office, located on the second floor of the Frame-Westerberg Commons (Room 220). We will either address your concern ourselves, or refer you to the appropriate person or office that can be of help to you.

Best wishes for a productive and successful year.

Cordially,

Dr. Scott Kane
Vice President and Dean of Student Affairs

NEED INFORMATION OR HELP?

It is to be expected that each student from time to time will need assistance in various areas. Sometimes it will be only information that you need, but at other times you may need help in solving a problem. If so, you are encouraged to seek the advice and counsel of the faculty and staff. To assist you in identifying those particular individuals who are best prepared to help you with a specific concern, please consult the directory below.

ACADEMIC ADVISING CENTER
Students with a declared major are assigned an academic advisor in their major. Your advisor should be the first person to contact with questions about your major, registration, class schedule, and other information related to your academic and/or career goals. If your advisor is not available or if you need assistance with the change of major process, making an adjustment in your schedule, adding a minor, etc., visit the Academic Advising Center located on the second floor of Hanley Library, Room 218. Students with an undeclared major are assigned an academic advisor in the Academic Advising Center.

ACADEMIC INTEGRITY
The Guidelines on Academic Integrity are printed in the Academic Affairs section of this handbook. These guidelines list the obligations of both students and faculty in the formal learning process, and provide a mechanism for grievances when one side does not believe that the other side has lived up to his or her obligations. Specific questions should be addressed to Dr. Helene Lawson, Professor of Sociology.

ACADEMIC SUPPORT SERVICES
Academic support services are provided by a number of offices located on the second floor of Hanley Library. These include the Academic Advising Center, Academic Coaching & Tutoring Center, Disability Resources and Services, the Mathematics Center, the Writing Center, and TRIO Student Support Services. Please check with these offices for additional details.

AUTOMATIC TELLER MACHINE (ATM)
Two ATMs are available on campus for student use. One is located in the Frame-Westerberg Commons adjacent to the KOA Dining Room. It is available for use only when the building is open and for cash withdrawals in multiples of $10. This ATM is sponsored by Northwest Savings Bank, located at 33 Main St., 85 West Washington St., and at Foster Brook in Bradford. The second ATM is located in the Campus Laundry Building adjacent to Campus Police. It is available for use 24 hours a day and for cash withdrawals in multiples of $5 and $20. This ATM is sponsored by PNC Bank, located at 71 Main St. in Bradford. Bank/debit cards from Northwest Savings Bank and PNC Bank are not assessed any fees when used at the respective ATM for each bank. Fees are assessed, however, when other bank cards are used at these machines. Please check with Northwest Savings Bank, PNC Bank, and the bank that issues your card regarding details on specific fees for use.

BILLING INFORMATION AND PROBLEMS
If you have a question or concern regarding your invoice or student account, go to the Enrollment Services Office in the Hangar Building.

CAMPUS MINISTRY
The Board of Campus Ministries is composed of a number of local Bradford clergy and laypersons representing Protestant, Catholic, and Jewish traditions. Ecumenical in nature, the Board provides a number of programs for the campus throughout the year. These include Bible studies, retreats, lectures, and individual counseling. Any student interested in speaking with a clergy person from a particular denomination should contact the Dean of Student Affairs, who will make the appropriate referral. During the fall and spring terms, a Christian ecumenical service is conducted on campus each weekend in the Wick Chapel, taking place at 5 pm on Saturdays. Churches of most major denominations and a synagogue are located in Bradford.

CANCELLATION OF CLASSES BY THE COLLEGE OR FACULTY
The procedure for notifying students about an individual class cancellation is up to the individual faculty member. Commuting students who must drive any significant distance to campus are urged to clarify these procedures with each of their professors at the beginning of each term. For weather emergencies, see “Severe Weather Policy”, located elsewhere in this handbook. In those rare instances when all classes are canceled, the emergency alert system will be used.

ACADEMIC AFFAIRS

The faculty and administration of Pitt-Bradford have created degree programs that blend the life-long advantages of a good liberal arts education with preparation in the specific skills needed to enter directly into a career. The Pitt-Bradford mission statement makes clear this dual orientation.

Our goals reflect the fact that in today’s technologically oriented world the acquisition of specialized skills and knowledge is becoming increasingly important. They also reflect our conviction that liberal arts education provides significant advantages for the development of a career. A broad educational background can make a career more successful and satisfying by enabling individuals to understand better the people with whom they deal and the society in which they live. It also provides the knowledge which will allow students to be flexible in career choices as employment opportunities change.

A liberal arts education enables students to develop personal and civic values. It enriches individuals by increasing their self-understanding. At the same time, it benefits a democratic society by promoting informed citizenship. In brief, we are committed to the kind of education which will enable our students to:

1) write and speak clearly and effectively;
2) reason logically and critically;
3) use the essential methods of observation, analysis and evaluation in the humanities, natural sciences, and social sciences;
4) understand and appreciate the natural world;
5) understand and appreciate the significance of the organizations and cultural achievements of Western and other societies; and
6) acquire specialized skills and knowledge in a particular field.

Qualified students begin by enrolling for two years of full-time study at Pitt-Bradford in the pre-radiological science program. Admission to the BRMC component of the program is competitive based upon academic performance and a personal interview. If admitted, a student pursues studies at BRMC in years 3 and 4, while taking the required university capstone course in year 4. Once a student has successfully completed the BRMC component and graduates from Pitt-Bradford, they take the RT certifying examination. To meet graduation requirements, 70 credits are earned at Pitt-Bradford and 50 credits are awarded for successful completion of the BRMC component. (NOTE: During the BRMC component, Panther Scholarships do not apply and only limited financial aid is available. Students must sign a contractual agreement and file a FAFSA to qualify for such aid. Please contact the Financial Aid Office for additional details.)

PRE-PROFESSIONAL PROGRAMS

A Pitt-Bradford baccalaureate degree in selected disciplines or combinations thereof will provide a student with the necessary pre-professional education in the following fields. They include programs in the Schools of Engineering, Pharmacy, and Health and Rehabilitation Sciences. A
student should work with his/her academic advisor to ensure that all required courses are being taken for admission to the appropriate professional school.

Students seeking a bachelor’s degree may also choose to pursue only their first two years of study at Pitt-Bradford, and then relocate to the Pittsburgh, Johnstown, or Greensburg campus for the final two years. Students interested in pursuing any of these options should meet with their academic advisor to discuss their plans. Transfer into some of these schools is not automatic, and students must apply and be admitted on a competitive basis to the school of their choice.

Students wishing to declare or change their academic major or academic advisor should obtain an Academic Program/Advisor Change Form from the Academic Advising Center, obtain the signature of her/his new academic advisor, then return the completed form to the Academic Advising Center or the Enrollment Services Office.

STUDENT RESPONSIBILITY FOR SATISFYING GRADUATION REQUIREMENTS
Students bear full responsibility for satisfying degree requirements. Assistance with this responsibility is available from the faculty advisor and/or the Academic Advising Center, located in Hanley Library, Room 218.

The University has authority to set course requirements and performance standards for baccalaureate and associate degrees, the obligation to advise students on what they are, and authority to certify that students meet or fail to meet graduation requirements.

Students have the full responsibility to understand and meet all degree requirements and performance standards. Academic advisors have the responsibility to assist students to come to an understanding of the requirements and standards they are required to meet.

The faculty and administration at Pitt-Bradford do not represent any institution other than Pitt-Bradford. Except in the case of clear program or relocation agreements, we have no responsibility or authority to advise students on degree requirements at any other institution.

In accordance with our student development philosophy, our faculty work as active advisors to help students move toward the point of independence. For their part, students must consult with their faculty advisors for assistance in determining what courses to take in order to qualify for a baccalaureate or associate degree.

ACADEMIC ADVISING
Students are responsible for making appointments with their faculty advisors to select courses for the next term, and for registering for those courses either on-line or at the Enrollment Services Office in the Hangar Building. Students bear full responsibility for satisfying degree requirements. Assistance with this responsibility is available from the faculty advisor, the Academic Advising Center, the Registrar, or the VP & Dean of Academic Affairs.

Each Pitt-Bradford student is assigned an academic advisor. The advisor usually teaches in the student’s field of interest and assists the student with course selection, degree planning, and related matters. Advisors are available throughout the term for conferences with students. Students are urged to meet with their advisor frequently to discuss issues as they arise. The Academic Advising Center, located in Hanley Library, Room 218, coordinates the assignment of academic advisors. Requests for changes in academic advisors are also handled by this office.

The Academic Advising Center serves as the advising unit for those students who have an undeclared major.

ACADEMIC STANDING POLICY
Good Standing
At the conclusion of each regular (fall or spring) term, a student achieves good academic standing by earning both a term GPA and cumulative GPA of 2.0 or higher. (NOTE: Certain majors require a higher GPA to remain in the program.)

Academic Probation
At the conclusion of each regular (fall or spring) term, if either the term or cumulative GPA falls below 2.0, a student is placed on academic probation. Students on probationary status are required to work closely with the Academic Advising Center and the Academic Coaching and Tutoring Center in an effort to improve their academic performance.
Suspension

Students who complete two consecutive regular (fall or spring) terms with either a term GPA or cumulative GPA below 2.0 are eligible for academic suspension. Students who have completed only one term of study, and who have failed to attain a grade point average of at least 1.0, are subject to suspension. Factors such as academic motivation and campus citizenship will be considered in making such decisions.

Students who are suspended for academic reasons are not eligible to enroll for the subsequent regular (fall or spring) term, and are required to wait at least one full term before an application for reinstatement will be considered. Students are urged to take courses at another institution, or do summer coursework at Pitt-Bradford, to demonstrate their potential for improved academic performance. Students suspended in the immediate past spring term, who earn a term GPA of 2.5 or higher in their summer coursework, will be allowed to submit an application for consideration for fall reinstatement.

Summer Coursework at Pitt-Bradford

Students who have been suspended may be allowed to enroll in summer coursework at Pitt-Bradford by submitting a written request for permission to do so by the Dean of Academic Affairs.

Reinstatement

Reinstatement after suspension is not automatic. After one or more terms of non-attendance, a suspended student seeking to resume studies in a subsequent term must submit an Application for Academic Reinstatement. If the application is approved, the reinstatement letter will stipulate the conditions which must be met the following term (e.g., work assigned by the Academic Advising Center, a limited load, repeats of courses, or change of major). Reinstatement does not cancel the suspension; rather, the reinstated student continues on restricted academic probation.

DEADLINE: The Application for Academic Reinstatement is due by July 15 (for fall term classes) or November 15 (for spring term classes). Late requests will not be considered. An Application is included with the suspension letter, or may be requested from the Office of Academic Affairs (814-362-7510).

Dismissal

A student who has been reinstated after suspension, and subsequently fails to remain in good academic standing, is subject to dismissal. Dismissal is generally final and may not be appealed.

SPECIAL POLICIES FOR COMPOSITION AND MATH COURSES

Composition

There are three courses in English composition:

* ENG 0100 INTRODUCTION TO COLLEGE COMPOSITION
* ENG 0101 ENGLISH COMPOSITION I
* ENG 0102 ENGLISH COMPOSITION II

Entering students are placed in composition courses based on their high school performance and SAT/ACT scores or transfer credit evaluation. All students must pass ENG 0101 with a grade of C- or higher before attempting ENG 0102. All baccalaureate degree students must pass ENG 0102 with a grade of C- or better in order to qualify for graduation.

Mathematics

Entering students are placed in mathematics courses based on their high school performance and math SAT/ACT scores or transfer credit evaluation. Students who place into COLLEGE ALGEBRA I (MATH 0097) must pass MATH 0097 with a grade of C- or better before they register for a higher level math course. For students who place beyond beginning algebra, the specific math course placement is dependent on the student’s academic major. Students who wish to appeal their math placement can enroll in the next higher math course, or use the three-week policy to move to a lower math course if necessary.

Mathematics Three-Week Policy: At the end of the first three weeks of the term, students may move to a lower or higher level math course without penalty. Students must have written permission from the math instructor in order to enter a higher level course for which they do not have the required pre-requisite.

ATTENDANCE

Students are expected to attend classes as scheduled. Rules and penalties for absences are established by each faculty member. (See “Student Absenteeism” later in this section.)

Students are required to satisfy the competency requirements in English Composition I and II and mathematics prior to enrolling in more advanced courses.

GRADE POINT AVERAGE (GPA)

The grade point average is an indicator of the level of academic achievement. It is used to determine academic standing, financial aid eligibility, and to establish eligibility for honors. The GPA is computed by dividing the total number of grade points earned by the total number of credits.
attempted. Total grade points are calculated by multiplying the number of credits each course carries by the numerical value of the grade earned for that course. For example, an A (4 grade points) in a 3-credit course is worth (4x3) or 12 grade points. The official GPA is determined in the Registrar’s Office, and is calculated only on those courses taken within the University of Pittsburgh system.

GRADE REPORTS
At the end of each term or session, faculty assign grades for each student enrolled in their classes. Students may view their grades online by logging into my.pitt.edu using their University of Pittsburgh username and password. Students will be able to view the total credits carried, the grade received in each course, the total grade points earned that term, the grade point average (GPA) for that term, and the cumulative grade point average (cumulative GPA). Grades are posted to the web as the faculty assign them.

GRADING SYSTEM
Students may register for courses under three grading options: letter grade, pass for credit, or audit.

Letter Grades
All courses required to satisfy specific degree requirements, including all courses required for a major, a minor, or general education, must be taken for letter grades, with the exception of those courses designated as graded “S” or “N” only. Pitt-Bradford uses 13 letter grades. They are listed below with their equivalent quality point values.

Temporary Grades
A temporary letter grade may be issued under appropriate circumstances:
G = course work interrupted (for reasons beyond student’s control)

Students assigned “G” (Incomplete) grades due to course work unfinished because of extenuating personal circumstances are required to complete course requirements by no later than one year after the term or session in which the course was taken. It is expected that the student and instructor form a contract detailing how and when the course work is to be completed. Upon completion of the course work, the instructor will submit a Change of Grade. If, however, the deadline has passed, the “G” will change to “NG” and will remain on the record as such.

Pass for Credit (S/NC option)
General elective courses and certain designated courses may be taken on a pass-for-credit basis. A student enrolled in a course on a pass-for-credit basis receives either a grade of S or N.
S = equivalent of C or better. NC = audit

No more than 12 credits with S grades may be counted toward graduation. S grades are not included in the calculation of the Grade Point Average (GPA). Students must decide by the end of the drop period if they wish to use the Pass for Credit option. This decision may not be changed, nor may a grade of one kind be replaced by a grade of the other kind for that course. All courses required for a major, minor, and General Education Program must be taken for letter grades with the exception of those courses designated as graded “S” or “NC” only.

Audit
Any course offered by the University may be audited by any student who has been formally admitted to Pitt-Bradford. Audited courses appear on the transcript with a grade of N, but no credit is earned. Regular tuition rates apply to courses taken for audit. Students must declare that they are auditors at the time of registration; thereafter, they may not change to credit status.

Student Grievance Procedure (Grade disputes)
There is every expectation that students will make a good faith effort to settle any disputes with faculty directly with that faculty member. If this is not possible or if a resolution cannot be obtained, the student may address the issue with the faculty member’s Division Chair. If no resolution is obtained at this level, the student may request a meeting with the Vice President and Dean of Academic Affairs.

DEAN’S LIST (full-time students)
The names of students who earn at least twelve undergraduate credits at Pitt-Bradford in a term (excluding courses with “S” grades) with no grade lower than a “C”, no temporary grades, and with a term GPA of at least 3.50, are placed on the Dean’s List. The twelve credits must be in courses receiving letter grades only.
DEAN'S LIST (part-time students)

At the end of each spring term, students enrolled for the preceding summer, fall, and spring terms as part-time students, earning a combined total of 12 or more credits, and who have earned an average GPA of at least 3.50 with no pass/fail or temporary grades and no grades less than a “C”, are placed on the Dean’s List. At least twelve credits must be in courses receiving letter grades.

FINAL EXAM POLICY

All final examinations are to be given at the designated, scheduled time during final examination week. Exam schedules are printed in the Schedule of Classes publication that students use each term to register for classes. A final examination may not be given on the last day of class. Students having more than two final examinations scheduled for the same day (excluding evening classes) may petition their instructors for assistance in rescheduling one exam at a time mutually agreeable to the student and instructor. If it is not possible to reach an agreement with one of the instructors, students should contact the appropriate division chair.

GRADUATION APPLICATION

An application for graduation must be filed with the Registrar prior to the anticipated graduation date, in accordance with the following schedule. Applications received after the published deadline may result in omissions from programs and press releases.

GRADUATION HONORS

Those students of a graduating class who have attained an outstanding scholastic record graduate with honors. To qualify for honors, a student must have earned a minimum of 60 credits in the University of Pittsburgh system, and must have attained a cumulative GPA of 3.25 for **cum laude**, 3.50 for **magna cum laude**, and 3.75 for **summa cum laude**.

GRADUATION REQUIREMENTS

There are two categories of requirements that each student must satisfy to be eligible for graduation: college requirements, which apply to all students, and major requirements, which are defined by each specific program. The college requirements are described in the University of Pittsburgh at Bradford Catalog. For major requirements, the student should consult both the Catalog and the department responsible for the major. A minimum of 120 credits earned with a 2.0 cumulative GPA and a 2.0 in the student’s major are required for graduation.

Students wishing to petition for waiver or substitution of degree requirements should first discuss their options with their advisor. If a waiver or substitution is warranted, the student should obtain a **Petition to Substitute or Waive Graduation Requirements** form from the Enrollment Services Office. The student will complete the form and obtain the signatures of their academic advisor, program director, division chair, and the assistant academic dean and registrar.

STUDENT RIGHT-TO-KNOW GRADUATION RATE DISCLOSURE

Statistical information concerning the graduation rate for the Bradford campus of the University of Pittsburgh, as required by the Student Right-To-Know and Campus Security Act, is available on request from the Office of Admissions, 300 Campus Drive, Bradford, PA 16701.

REPEATING COURSES FOR CREDIT

The student is responsible for filing a course repeat form when registering for a course that is being repeated.

The following rules define the circumstances under which a course may be repeated.

1. Credit for a course may be earned only once. The repeated course does not increase the number of credits earned unless the original grade was an “F” or an uncompleted “G” or “I”.
2. No course passed with a “C” (2.0) or higher may be repeated.
3. A Pitt-Bradford course can be repeated for credit only at Pitt-Bradford, or (with prior permission) at another campus of the University of Pittsburgh. A Pitt-Bradford course may not be repeated for credit at another institution.
4. A course completed with a grade of C-, D+, D, D-, or F may be repeated. Note: Prerequisite courses should be passed before attempting further courses in a sequence. A course in a sequence cannot be repeated if a grade of “C” (2.0) or better is subsequently earned in a course in a higher sequence.
5. When a course is repeated, the most recent grade and credits earned are used in the computation of the GPA. The original grade is not removed from the transcript, but is marked as a repeat.
6. Students may repeat a course no more than two times.
7. Engineering students are subject to the policy on repeated courses in effect in the School of Engineering.
8. Financial aid will pay for only one repeat of an already passed course.
TRANSFER CREDITS

All enrolled Pitt-Bradford students who have taken courses at other institutions must have official transcripts sent to the Pitt-Bradford Registrar, who is responsible for the evaluation of transcripts to determine which credits are accepted, in accordance with the following guidelines.

1. Only courses taken for credit on a standard (A, B, C, D, F) grading scale are eligible for transfer credit.
2. Courses completed with grades of C- or better at an accredited institution are eligible for transfer credit.
3. Courses completed with grades of D or F are not eligible for transfer credit.
4. Credits earned at another institution through CLEP, Advanced Placement, or credit by examination, are not automatically eligible for transfer credit. (Note: CLEP and Advanced Placement scores may be reevaluated for Pitt-Bradford credit.)
5. Developmental or remedial courses are not eligible for transfer credit.
6. Quarter system credits will be converted to the equivalent semester credits (quarter credits x 2/3 = semester credits).
7. All Pitt-Bradford course restrictions also apply to transfer credits, including activity credit limits, rules for repeating courses for credit, and courses used for degree requirements.
8. The application of transfer credits toward degree requirements will be approved by the academic advisor, the program director, and the registrar.
9. Not more than half of the credits in a student’s major or minor may be transferred from another institution.
10. Certain programs may invoke a statute of limitations. For example, course work with a scientific or technical basis will not be accepted by the Nursing Department if eight or more years have elapsed since the course was completed.
11. No more than 75 credits may be transferred from two-year institutions. No more than 90 credits may be transferred from four-year institutions.
12. Students may not take a course at another institution and substitute the grade for a grade earned at Pitt-Bradford.

Students will receive written verification of the transfer credits accepted by Pitt-Bradford, and the number of accepted transfer credits will be posted on the Pitt-Bradford transcript. NOTE: Grades earned at the previous school are not included in the Pitt-Bradford GPA. Only the academic credit is transferred.

TRANSCRIPT AND ENROLLMENT VERIFICATION REQUESTS

Students are able to order and receive transcripts by electronic PDF. Placing an on-line order will also be necessary to have your transcript mailed. For this service, please go to www.upb.pitt.edu/trx. There is a fee for ordering transcripts online.

The Enrollment Services Office will continue to offer a free over-the-counter service, which includes student pick-up of:
* official transcripts issued to the student (signed and sealed);
* enrollment verifications issued to the student;
* unofficial transcripts on white paper with no seal (may be printed for currently enrolled students only, who must show a valid student ID card).

There is no fee for transcripts and/or enrollment verification forms printed at the counter. This service is for “issued to student” transcript copies only.

CHANGE OF COURSE (ADD/DROP/WITHDRAWAL)

WARNING: Changes in course load may affect athletic and/or financial aid eligibility. Check with the Enrollment Services Office for specific details.

Adding a Course(s)

Students may add a course or courses through their Student Services Center on my.pitt.edu up until the established ‘add’ deadline published each term or session in the Schedule of Classes. A student’s academic advisor is required to approve any course being added.

Dropping a Course(s)

Students may drop a course or courses through their Student Services Center on my.pitt.edu up until the established ‘drop’ deadline published each term or session in the Schedule of Classes. A student’s academic advisor is required to approve any course being dropped.

Extended Drop Period

Under special circumstances, full-time students who remain enrolled in at least 12 credits may be eligible to drop a course in the third week of the fall or spring term.

Withdrawal (from one or more, but not all classes)

Failing to attend the classes for which a student is registered, or failing to notify the appropriate academic and administrative offices of non-attendance, is not considered an official withdrawal. A student who stops attending a course and does not complete the withdrawal procedure may be assigned an F grade.

After the published deadline for dropping a course, a student may withdraw from a course by processing a Withdrawal Request form in the Enrollment Services Office. The deadline for submitting a Withdrawal Request form is published in the Schedule of Classes. W grades are assigned for all courses for which registration is terminated by withdrawal.

After the published withdrawal deadline, a student may not withdraw from a course without the permission of the Vice President and Dean of Academic Affairs (2nd floor, Swarts Hall), and only with extenuating circumstances. There is no adjustment to tuition and fees when a student withdraws from a class.
RESIGNATION: TERMINATION OF ENROLLMENT FOR ALL CLASSES
A student may resign from the University (withdraw from all courses without academic penalty) up to the end of the twelfth class week of a fall or spring term. Students resigning from a summer session will need to check the summer course schedule for the appropriate deadline. Procedures for resigning for both full-time and part-time students may be found in the BUSINESS AFFAIRS section of this handbook.

COURSE OVERLOAD
A student who wants to take more than eighteen credits in a regular term, or more than nine credits in a summer session, must obtain the permission of both their advisor and the Registrar.

READMISSION: RETURNING STUDENTS
Matriculated students (not including Continuing Education, Non-Degree Seeking, or Visiting students) who interrupt their enrollment for more than three consecutive terms, and who have not been suspended for academic reasons, must reapply for admission through the Admissions Office. Students who interrupt their enrollment for two consecutive terms or less may return and register for classes by contacting the Enrollment Services Office.

STUDENT ABSENTEEISM
A. Due to Illness or Injury
When a student is absent from class due to illness or injury, it is the responsibility of the student to communicate with his/her professor and to follow the requirements of the professor regarding the course work missed. The penalties for absenteeism depend upon the policy and discretion of the professor, as outlined in the course syllabus.

In special cases, the Director of Health Services authorizes notification of professors via a memo from the Student Health Center. Such notification is provided only when a student is hospitalized or has an extended illness requiring three or more consecutive class days of absence or hospitalization, and requests that the professor allow the student the opportunity to make up the course work missed.

Professors wishing to verify other cases of student absence due to illness or injury may call the Director of Health Services at 362-0968. No written verification is provided by the Student Health Service for single classes missed.

B. Due to Death of a Family Member
In the event of the death of a family member, a student should notify the Office of Student Affairs (362-7650) as soon as possible. Instructors will be informed of the situation, and will be requested to permit the student to make up any missed work.

C. Due to Other Extenuating Circumstances
When a student is absent from class due to extenuating circumstances, such as injury to or illness of an immediate family member, inclement weather, or family obligations, it is the responsibility of the student to communicate with his or her professors and to follow the requirements of each professor regarding the course work missed. (See “Severe Weather Policy”, located elsewhere in this handbook.) If the student is absent for three or more consecutive class days, the student may contact the Student Affairs Office (362-7650), and notification will be made to the appropriate faculty members. In the case of shorter absences, the student must notify her/his faculty members directly.

FALSIFICATION OF INFORMATION REGARDING PERSONAL ILLNESS/INJURY OR DEATH OF A FAMILY MEMBER FOR THE PURPOSE OF MISSING CLASSES OR EXAMS IS A VIOLATION OF THE ACADEMIC INTEGRITY CODE, AND WILL BE DEALT WITH AS SUCH.

**Adequate Notice for Background Checks**

Some programs or courses of study require that students complete rotations, fieldwork, internships/externships and/or teaching assignments at facilities external to the university, while other programs or courses of study may offer voluntary internships or externships at facilities external to the university. Depending on the program or course, such facilities will or may require a criminal background check, an Act 33/34 clearance (if applicable), and perhaps a drug screen to determine participant qualification or eligibility. Additionally, in order to become licensed, many states will inquire as to whether the applicant has been convicted of a misdemeanor, a felony, or a felonious or illegal act associated with alcohol and/or substance abuse.

---

**Eligibility to Participate in Intercollegiate Sports**

Pitt-Bradford is a member institution of the National Collegiate Athletic Association (NCAA) Division III. As such, students desiring to compete in intercollegiate sports must meet a number of Pitt-Bradford requirements. In order to be eligible to participate in the first term, a freshman must be admitted to the University as a full-time student.

To participate in intercollegiate sports on a continuing basis, students must be in good academic standing (e.g., earning a minimum of 24 credits per academic year and carrying a minimum cumulative quality point average (QPA) of 2.0). Exceptions to the 2.0 QPA may be made for student-athletes who apply for a waiver at the end of their first term of study (must have a minimum QPA of 1.75 to be eligible). At the end of the second term of study, the minimum cumulative QPA must be a 2.0.

---

**Army Reserve Officer Training Corps (ROTC)**

The Reserve Officer Training Corps (ROTC) is the preeminent national leadership program which provides college-educated officers for the United States Army. This program offers military science courses at more than 1,000 colleges and universities throughout the nation. Army ROTC is traditionally a four-year program consisting of a Basic Course (freshman and sophomore year) and an Advanced Course (junior and senior year). All Basic Course classes are taught on the Pitt-Bradford campus and students of any academic year are eligible to enroll in the class to take as an elective. Entry into the Army ROTC program for the purpose of commissioning after graduation is possible up to the end of the student’s sophomore year. The Army ROTC program is available to Pitt-Bradford students on a cross-enrollment basis through the host ROTC department at St. Bonaventure University.

Army ROTC courses provide leadership training that is not duplicated in other college courses. Students are taught time management techniques, goal setting, physical fitness, military bearing, stress management, leadership styles & techniques, and other qualities required of an Army officer. A student taking Basic Course classes does not incur any obligation to serve in the Army unless he/she is attending on an Army ROTC scholarship or enrolled in the Simultaneous Membership Program through the National Guard or Army Reserves. Please refer to page 34 for information on ROTC scholarships.
OFF-CAMPUS COURSES, PROGRAMS AND CLEP (COLLEGE LEVEL EXAMINATION PROGRAM)

OFF-CAMPUS COURSES AND PROGRAMS
Pitt-Bradford works in partnership with several regional higher education councils to offer academic courses and programs. In all cases, academic courses made available at various outreach sites are interchangeable with campus-based courses and provide added flexibility to commuting students in and around the region.

Off-campus partners include:
- University of Pittsburgh at Titusville
- Community Education Council of Elk and Cameron Counties (St. Marys)
- Potter County Education Council (Coudersport)
- Warren/Forest Higher Education Council (Warren)

For information about programming or for directions to the above listed facilities, contact the Director of Transfer and Non-Traditional Student Recruitment, who is located in the Admissions Office, first floor of Hanley Library.

THE COLLEGE LEVEL EXAMINATION PROGRAM (CLEP)
Students with 30 or fewer credits earned are eligible to sit for various CLEP exams and potentially earn credit(s) applicable toward Pitt-Bradford programs and degrees. Backed by the College Board, CLEP is the most respected, widely accepted credit-by-examination program of its kind. There are 33 CLEP examinations available and the cost per examination (regardless of the outcome) is $97. The Pitt-Bradford CLEP policy may be accessed on-line at http://catalog.upb.pitt.edu/.

For more information about this computer-based test available on the Pitt-Bradford campus, please contact the Office of Continuing Education and Regional Development, located in the Seneca Building in downtown Bradford (PHONE: 814 362-5078).

UNIVERSITY OF PITTSBURGH AT BRADFORD
GUIDELINES ON ACADEMIC INTEGRITY

ACADEMIC INTEGRITY GUIDELINES
Within the academic community of the University there are certain responsibilities that are outlined for both students and faculty. These responsibilities are defined in the Guidelines on Academic Integrity. In general, a student has an obligation to exhibit honesty and to respect the ethical standards of the University of Pittsburgh at Bradford in carrying out academic assignments. Likewise, a faculty member has an obligation, in relation to his or her students, to discharge professional duties in a fair and conscientious manner in accordance with the ethical standards generally recognized within the academic community. When either a student or a faculty member believes that the other has not lived up to his or her obligations, and they are unable to come to some agreement either on their own or with the involvement of the appropriate division/department chair, the Guidelines on Academic Integrity may be used to make a formal grievance. Students or faculty who have questions pertaining to the Guidelines should contact Dr. Helene Lawson, Chairperson of the Academic Integrity Board.

Copies of the complete Guidelines on Academic Integrity, including the procedures for adjudication and hearings, are available on-line at www.provost.pitt.edu/info/a11.html, or in the Office of Academic Affairs, 232 Swarts Hall. For reported student violations of academic integrity, a file will be kept in this office in an effort to identify repeat offenders. A second report for the same student will necessitate a meeting with the VP and Dean of Academic Affairs. Any incident resulting in a third report will be referred to the Academic Integrity Committee for adjudication and disposition. Following are the academic integrity obligations for both students and faculty, as well as a summary of possible sanctions for student violations and remedial action for faculty violations.

I. Academic Integrity: Student Obligations
A student has an obligation to exhibit honesty, and to respect the ethical standards of the University of Pittsburgh at Bradford in carrying out his or her academic assignments. Without limiting the application of this principle, a student may be found to have violated this obligation if he or she:
1. Refers during an academic evaluation to materials or sources, or employs devices, not authorized by the instructor.
2. Provides assistance during an academic evaluation to another person in a manner not authorized by the instructor.
3. Receives assistance during an academic evaluation from another person in manner not authorized by the instructor.
4. Engages in unauthorized possession, buying, selling, obtaining, or using a copy of any materials intended to be used as an instrument of academic evaluation in advance of its administration.
5. Acts as a substitute for another person in any academic evaluation process.
6. Utilizes a substitute in any academic evaluation procedures.
8. Depends on the aid of others in a manner expressly prohibited by the instructor, in the research, preparation, creation, writing, performing, or publication of work to be submitted for academic credit or evaluation.
9. Provides aid to another person, knowing such aid is expressly prohibited by the instructor, in the research, preparation, creation, writing, performing, or publication of work to be submitted for academic credit or evaluation.
10. Represents as one’s own, for academic evaluation, the ideas, representations, or words of another person or persons without customary and proper acknowledgment of sources.
11. Submits the work of another person in a manner which represents the work to be one’s own.
12. Knowingly permits one’s work to be submitted by another person without the instructor’s authorization.
13. Attempts to influence or change one’s academic evaluation or record for reasons other than achievement or merit.
14. Indulges, during a class (or examination) session in which one is a student, in conduct which is so disruptive as to infringe upon the rights of the instructor or fellow students.
15. Fails to cooperate, if called upon, in the investigation or disposition of any allegation of dishonesty pertaining to another student, or any other breach of a student’s obligation to exhibit honesty.
16. Violates the canons of ethics of the University.

II. Sanctions for Student Violations

The alternative sanctions which may be imposed upon a finding that an offense related to academic integrity has been committed are the following:

1. Dismissal from the University without expectation of readmission.
2. Suspension from the University for a specific period of time.
3. Dismissal from the division in which the offense occurred, and exclusion from courses offered in that division, permanently or for a stated period of time.
4. Dismissal from the course in which the offense occurred, with or without the opportunity to be enrolled therein at a future date.
5. Reduction in grade, or assignment of a failing grade, in the course in which the offending paper or examination was submitted.
6. Reduction in grade, or assignment of a failing grade, on the paper or examination in which the offense occurred.

The imposition of such sanctions may be considered by the college in the preparation of any report concerning a student submitted to a government agency, accrediting body, or other person or institution in accordance with the requirements of law or the written consent of the student.

III. Academic Integrity: Faculty Obligations

A faculty member accepts an obligation, in relation to his or her students, to discharge his or her duties in a fair and conscientious manner in accordance with the ethical standards generally recognized within the academic community.

Without limiting the application of the above principle, members of the faculty are also expected (except in cases of illness or other compelling circumstances) to conduct themselves in a professional manner, including the following:

1. To meet their classes when scheduled.
2. To be available at reasonable times for appointments with students, and to keep such appointments.
3. To make appropriate preparation for classes and other meetings.
4. To perform their grading duties, and other academic evaluations in a timely manner.
5. To describe to students, within the period in which a student may add and drop a course, orally, in writing, or by reference to printed course descriptions, the general content and objectives of a course; and announce the methods and standards of evaluation, including the importance to be assigned various factors in academic evaluation and, in advance of any evaluation, the permissible materials or references allowed during evaluation (please refer to footnote #1).
6. To base all academic evaluations upon a good-faith professional judgment.
7. Not to consider, in academic evaluation, such factors as race, color, religion, sex, sexual orientation, age, national origin, and political or cultural affiliation, and lifestyle, activities, or behavior outside the classroom unrelated to academic achievement (please refer to footnote #2).
8. To respect the confidentiality of information regarding a student contained in University records; and to refrain from releasing such information, except in connection with intra-university business, or with student consent, or as may be permitted by law (please refer to footnote #3).
9. Not to exploit their professional relationship with students for private advantage; and to refrain from soliciting the assistance of students for private purposes in a manner which infringes upon such students’ freedom of choice.
10. To give appropriate recognition to contributions made by students to research, publication, service, or other activities.
11. To refrain from any activity which involves risk to the health and safety of a student, except with the student’s informed consent, and, where applicable, in accordance with the University policy relating to the use of human subjects in experimentation.
12. To respect the dignity of students individually and collectively in the classroom and other academic contexts (please refer to footnote #4).

IV. Remedial Action

Remedies in a student’s behalf should usually be those agreed to willingly by the faculty member. Other remedial action to benefit a student may be authorized by the Dean of Academic Affairs only upon recommendation of the Academic Integrity Board and limited to:

1. Allowing a student to repeat an examination.
2. Allowing a student to be evaluated for work that would otherwise be too late to be considered.
3. Directing that additional opportunities be afforded for consultation or instruction.
4. Eliminating a grade that had been assigned by a faculty member from the transcript.
5. Changing a failing letter or numerical grade to a “pass” or “satisfactory” grade, so as not to adversely affect a student’s grade point average.
6. Allowing a student to repeat a course without paying tuition or any other penalty, schedule and program permitting.

If some action is contemplated that might be deemed to infringe upon the academic freedom of the faculty member, the Dean of Academic Affairs will seek an advisory opinion from the Senate Committee on Tenure and Academic Freedom (TAF). In such cases, the Senate TAF may identify other acceptable remedies or render such as may be appropriate in the particular situation.

No action detrimental to the faculty member will be taken, except as in strict accordance with established University procedures. An adjustment hereunder in the student’s behalf shall not be deemed a determination that the faculty member was in any way negligent or derelict.

Student Grievance Procedure (Academic Integrity)

There is every expectation that students will make a good faith effort to settle any disputes with faculty directly with that faculty member. If this is not possible or if a resolution cannot be obtained, the student may address the issue with the faculty member’s Division Chair. If no resolution is obtained at this level, the student may request a meeting with the Vice President and Dean of Academic Affairs. The final level of appeal is a full hearing of the Academic Integrity Committee. Policies regarding academic integrity may be found at www.provost.pitt.edu/info/ai1.html.

Academic Integrity: Grievance Procedures against Senior Administrators

A complaint of arbitrary or unfair treatment against the principal officers of the college (e.g. the Pitt-Bradford President or Dean of Academic Affairs), should be made to the appropriate party (e.g., the Provost or Pitt-Bradford President respectively). There must be a prompt review and decision on the grievance. Members of the faculty who may be called upon to review and advise on the grievance should be drawn from outside the jurisdiction of the administrator against whom the charge is made.

FOOTNOTES

1. In interpreting this code, it should be recognized that what is expected of faculty hereunder is intended to provide students with a notion of what is required in the course, and how they will be evaluated; a general statement of broadly defined parameters would therefore suffice. If a course is deemed experimental in content, evaluation techniques, or grading practices, the students should be so advised. By academic evaluation is meant a measurement or grading of a student’s academic performance, such as in written or oral examinations or papers, research reports, or class or laboratory participation.

2. If the student charges such discrimination, the Chairperson of the Academic Integrity Board will consult with the affirmative action officer to ensure compliance with civil rights legislation and regulations. In such cases, the University Senate Tenure and Academic Freedom Committee may be consulted at any time.

3. References or recommendations may be given in good faith by a faculty member on his or her own behalf, without documentation of a student’s consent if it may be reasonably perceived that the student initiated the request for a recommendation, in response to apparent bona fide inquiries, such as those from institutions which state that the student has applied for employment, for admission to graduate school, or for a professional license. See fuller statements concerning University records in the “Student Code of Conduct and Judicial Procedures.”

4. Students are advised that other University policies may more appropriately apply to a given grievance or avenue of redress, including, but not necessarily limited to, the “University of Pittsburgh Sexual Harassment Policy and Procedure.”
STUDENT AFFAIRS AND STUDENT SERVICES

The Office of Student Affairs is located on the second floor of the Frame-Westerberg Commons. Student Affairs staff members consist of the VP & Dean of Student Affairs, the Associate Dean of Student Affairs responsible for career services, the Associate Dean of Student Affairs responsible for residential life, housing, and conduct, the Director of Student Activities, the Director of Health Services, the Director of Counseling Services, and the Director of Community Engagement and the Harriett B. Wick Chapel. Working closely with Student Affairs staff are Director of Athletics and Recreational Sports, and academic support staff in the Academic Advising Center, Academic Coaching and Tutoring Center, Student Support Services, and the Writing Center. All academic support services are located on the second floor of Hanley Library. These individuals and offices are concerned with providing a variety services to students, assisting them in their personal development and creating a dynamic and engaging atmosphere outside the classroom.

PROGRAMS AND SERVICES AVAILABLE

STUDENT ACTIVITIES (Room 206, Frame-Westerberg Commons)

The Director of Student Activities is responsible for advising the Student Activities Council and the Student Government Association, and for assisting other SGA clubs, campus organizations, and fraternities and sororities in their decision-making processes. A vital group on campus, the Student Activities Council (SAC) is responsible for the planning, selection, and implementation of a diverse campus activities program. The Student Activities Council, under the advisorship of the Director, plans artists, lectures, concerts, traditional and special events. Please contact the Office of Student Activities if you are interested in any aspect of activities programming.

CAREER SERVICES (Room 220, Frame-Westerberg Commons)

The Associate Dean of Student Affairs/Director of Career Services is responsible for career-related programs and services and for coordinating all placement functions of the University. Students are encouraged to begin their career planning early in their college careers. The Director assists students in developing life-long skills in resume-writing, job-hunting techniques, and interviewing strategies. Seminars and workshops on these topics and special career days are held throughout the year. In addition, a vocational interest testing service and a job referral service are made available through this office, as well as information on entrance tests for graduate schools. Currently the following tests for graduate schools are administered on campus: Graduate Record Examination (GRE), Miller Analogies Test (MAT), and the Law School Admission Test (LSAT).

The Career Services Library has extensive information on employment trends, internships, careers, and graduate schools. FOCUS II, a computer-based guidance system, is available to help students explore career options. Students are encouraged to register with PantherLink, Pitt-Bradford’s powerful career management system that connects students with full-time and part-time jobs and internships. Students may also access Optimal Resume, a powerful resume development program, and CareerSpots. Career Services also maintains a comprehensive career website, which includes information on internships, upcoming events, job fairs, and links to other websites.

HEALTH SERVICES (Room 226, Frame-Westerberg Commons)

The Student Health Service provides students with assistance in handling health problems and injuries. In addition, the health services program is designed to encourage self-reliance and personal responsibility for health, promote health education, and foster healthy lifestyles.

The Director of Health Services, Nicole Stark, R.N., B.S.N., is a registered nurse. She is available in the Health Center, 8:30 A.M. to 12:00 Noon and 1 P.M. to 5 P.M., Monday through Friday, during the Fall and Spring Terms. Health services include initial assessment and treatment of health problems and injuries, health counseling, and referrals as needed. Confidentiality of all personal health information is assured.

Dilbagh Singh, M.D. and V. Rao Nadella, M.D., (board certified physicians in General Medicine and Family Practice), provide medical services for the Student Health Service. Danielle Gregoire, a certified physician assistant, also provides support to Health Services on a routine basis. One of these health professionals provides medical care on campus approximately every three weeks during the Fall and Spring Terms. Appointments must be scheduled in advance by the nurse. There is also daily phone consultation with one of the health professionals to discuss current health needs of ill students.

Health services offered on campus are provided at no additional charge to the student, as they are supported by the wellness fee. Students referred to physicians or health care agencies in the community must assume financial responsibility for the cost of these services.

All students are urged to have comprehensive health insurance coverage through a reputable provider. For students dependent upon parents for support during the college years, a parent’s policy will frequently provide such coverage. Other students may have to obtain such coverage on their own. The $75 per term wellness fee charged to full-time students covers only those services and items available in the Student Health Center. It is not an insurance plan.

For emergency health problems and injuries which occur evenings, weekends, or when the nurse is not available on campus, students are advised to contact Campus Police or the Resident Advisor on duty. Campus police are available 24 hours per day, and are prepared to assist in any emergency. Their office is located in the Campus Police Building, adjacent to the townhouse apartments, and they may be reached by dialing 10333 on any campus networked phone, or by dialing (814) 368-3211 from any other phone.

The Self-Care Center, located in 229 Commons, provides students with the opportunity to assume personal responsibility in the care of minor and self-limiting health problems, such as colds, cuts, and upset stomachs. Tylenol, ibuprofen, cough drops, band aids, and antacid tablets are available here. For the convenience of students, the Self-Care Center is open days, evenings and weekends, whenever the Commons is open.
UNIVERSITY IMMUNIZATION REQUIREMENTS

All incoming full-time and part-time students must be immunized against the following diseases as a condition of attendance at Pitt-Bradford:

- **VARICELLA (CHICKEN POX)**
  
  Two doses of varicella-containing vaccine at least 12 weeks apart if vaccinated between 1 and 12 years of age and at least 4 weeks apart if vaccinated at age 13 year or older. –OR-
  
  A physician diagnosis of prior varicella disease history indicated by a written record signed by the physician or his designee will also be accepted.

- **MEASLES, MUMPS AND RUBELLA**
  
  In lieu of the individual vaccine for measles, mumps and rubella, **two doses of MMR (Measles, Mumps, Rubella)** vaccination at least 28 days apart after 12 months of age satisfies the University immunization requirement.

The state of Pennsylvania mandates an additional requirement for students living in campus housing:

- **MENINGOCOCCAL CONJUGATE VACCINE (MCV4)** also known as Menveo, Menactra.
  
  Pennsylvania law requires all students living in University housing to certify that the student has been immunized against meningococcal disease. Therefore, students living in campus housing must provide:
  
  One dose of meningococcal conjugate vaccine (MCV4) administered at age 16 or older. –OR-
  
  Sign a waiver declining the vaccine.

Pitt-Bradford’s immunization policy is available with complete details at [http://www.upb.pitt.edu/uploadedFiles/Student_Life/Student-Services/Health_Services/ImmunizationRequirements.pdf](http://www.upb.pitt.edu/uploadedFiles/Student_Life/Student-Services/Health_Services/ImmunizationRequirements.pdf)

*New incoming students who fail to provide adequate proof of immunization will be prohibited from registering for any classes beyond the term of initial enrollment.* Please call (814) 362-5272 if you have questions about the immunization requirements.

RESIDENTIAL LIFE AND HOUSING (Room 211, Frame-Westerberg Commons)

Three Assistant Directors of Residence Life and Housing, under the leadership of the Associate Dean of Student Affairs, are responsible for all phases of the residential life and housing program, including room assignments. Thirty-two student Resident Advisors are employed by the University and live in various sections of the residence apartments. The ‘R.A.’ is an upper-class student who has had training for her or his position. Students should become acquainted with their R.A. on the first day of school, and should not hesitate to contact her or him about any problem they may be having, or questions they may want to ask. Students are also encouraged to become acquainted with the staff in the Residential Life and Housing Office, who can answer any questions and who will assist them in making their on-campus living as beneficial to them as possible. The R.A.s for the 2018-2019 academic year are:

Appointments should be made in advance by contacting the administrative assistant in Health and Counseling Services at 362-5272. Referrals for counseling or psychiatric services are also sometimes made, if needed, to the Guidance Center, a community counseling center located near campus. Confidentiality is maintained in all contacts.

ATHLETICS, INTRAMURALS/RECREATION, AND CLUB SPORTS

(Richard E. and Ruth McDowell Sport and Fitness Center)

A diverse program of intramural, outdoor recreation, club sports, and intercollegiate athletics are offered to Pitt-Bradford students. The Center allows for such activities to take place on a year-round basis. Recreational sports include basketball, volleyball, softball, flag football, soccer, special tournaments, and other activities such as hiking, skiing, sledding, mountain-biking, bowling, sand volleyball, and tennis. Club sports for men and women include ice hockey, rugby, ping pong, martial arts, swimming, wrestling, and volleyball. The Department of Athletics and Recreational Sports is not liable for any injuries to persons or damages to equipment that may occur in the course of any sponsored event.

The intercollegiate athletic program includes six men’s and seven women’s sports. Men’s sports include soccer, baseball, golf, basketball, tennis, and swimming. Women’s sports include bowling, soccer, volleyball, basketball, swimming, tennis, and softball. Pitt-Bradford is a member of the NCAA Division III and the Allegheny Mountain Collegiate Conference (AMCC). All student-athletes must have an overall GPA of 2.0 to maintain their athletic eligibility. Starting their sophomore year, all student athletes must have an overall GPA of 2.0 along with 24 earned credits per academic year. All students and employees of Pitt-Bradford are invited to attend regularly scheduled athletic events free of charge, upon presentation of a current validated college I.D. card (Panther Card).

Equity in Athletics Disclosure Act

Students and prospective students have the right to review the University’s most recent report prepared pursuant to the Federal Equity in Athletics Disclosure Act, 20 U.S.C. # 1092. The report is available on the Pitt-Bradford Athletics website.

RELIGIOUS NEEDS

(Harriett B. Wick Chapel)

The University of Pittsburgh at Bradford, as a public institution, encourages the free expression of any faith tradition within the student body. The Bradford community houses churches of most Christian traditions (Protestant and Catholic), as well as a synagogue for those of the Jewish faith. Other traditions (Islam, Buddhism, Hinduism, etc.) are represented in the local population, and among faculty, staff, and students as well.
The Harriett B. Wick Chapel opens its doors to any of these faith traditions. Currently, during the fall and spring terms, an ecumenical Christian service is conducted on campus each Saturday evening by local clergy. Times are posted at the chapel. Catholic students may attend Mass at St. Bernard Church on Saturday evenings by taking the ATA bus. Students in need of transportation to Sunday morning services in town should contact the Office of Student Affairs in order for appropriate arrangements to be made with the particular church.

COMMUNITY ENGAGEMENT
(Harriett B. Wick Chapel)

The Director of Community Engagement is responsible for coordinating volunteer and community service activities. Housed in the Harriett B. Wick Chapel, the Office of Community Engagement’s mission is to integrate the ethic of service across the college, and help students develop their potential as leaders and citizens. Students are encouraged to participate in service activities that foster their learning about the larger social, cultural, and economic issues. The Coordinator works closely with students and organizations to place them in service settings that are compatible with their interests and goals. The Office also offers a wide array of resources, programs, and experiences designed to promote leadership development. During the spring term, the Office sponsors an annual Leadership Development Series and coordinates the Leadership and Service Awards ceremony.
CO-CURRICULAR ACTIVITIES

A variety of co-curricular activities are available to students at Pitt-Bradford. The faculty and staff encourage students to become involved in one or more of those activities which are of interest to them. Benefits to be gained from such participation include opportunities to meet new people and to develop group and leadership skills.

CAMPUS GOVERNANCE AND JUDICIAL ORGANIZATIONS

Student Government Association (SGA)
The Student Government Association (SGA) is elected by the student body and is authorized by the University to represent the student body on all matters concerning student life. The Dean of Student Affairs and the Director of Student Activities serve as advisors to SGA. The basic purposes of the SGA are to provide students with opportunities to participate in the decision-making process of the University, to consider and make recommendations on all phases of student life, and to serve as the principal forum for students. The SGA is comprised of representatives from various segments of the student body, and is headed by an Executive Board of seven students. Members of the Executive Board include the President, Vice-President, Secretary, Treasurer, Student Activities Council President, Parliamentarian, and Historian. Elections for returning students are held during the spring term of the previous academic year, and elections for freshman representatives are held during the early part of the fall term. The SGA meets once per week during the academic year. Meeting times, usually during the lunch hour, are announced during the first week of September. SGA meetings are open to all Pitt-Bradford students, and agendas and minutes are available in the SGA office upon request; voting privileges, however, are restricted to elected members. SGA officers for 2018-2019 are:

- President: Malcolm Hardie
- Vice-President: Antonell Robinson
- Secretary: Tamia Robinson
- Treasurer: Laura Abreu
- Student Activities Council President: Skylar Zimmerman
- Parliamentarian: Joseph Adcock
- Historian: to be elected fall 2018

Students may contact SGA by e-mail at sga@pitt.edu or by calling 362-7593.

Student Judicial Board
The Student Judicial Board is the duly authorized due-process body that hears cases of student policy violations. This Board makes recommendations to the Dean of Student Affairs regarding what sanctions should be imposed when a student is found guilty of a violation. Membership on the Student Judicial Board is limited to twelve students selected from the student body. Application and selection take place at the beginning of the fall term. At this time, one of the members is appointed to the position of Chairperson. The Student Judicial board is trained and advised by the Associate Dean of Student Affairs & Director of Housing.

Greek Council
The Greek Council is the governing body which oversees the affairs and concerns of the nine social fraternities and sororities. Headed by an Executive Board of a President, Vice President, Vice President for Activities, Vice President for Community Service, Vice President for Public Relations, Secretary, Treasurer, and Sergeant of Arms, the Greek Council includes three representatives from each fraternity and sorority. The Council makes recommendations on standards and dates for Greek recruitment, as well as Greek Week and leadership retreats. Greek Council meets on a weekly basis, and is advised by the Associate Dean of Student Affairs.

STUDENT ACTIVITIES COUNCIL, CLUBS AND ORGANIZATIONS

THE STUDENT ACTIVITIES COUNCIL (SAC)
The Student Activities Council (SAC) is responsible for the majority of co-curricular programs presented on campus throughout the year. The members of SAC are involved in all aspects of programming: selection of events, publicity, scheduling of productions, and maintenance of the SAC budget. Presenting a well-rounded activities program that is not only entertaining, but culturally diverse and intellectually stimulating as well, SAC sponsors everything from lectures and cultural events to dances and comedians. Films, concerts, theatrical productions, and subsidized trips are offered by SAC to provide a rich diversity of programs and opportunities for the entire campus community. While SAC realizes that no single activity can completely satisfy all members of the community, its mission to sponsor a diverse and creative year-round program that addresses various student needs is its top priority.

The Student Activities Council is headed by a President and is advised by the Director of Student Activities. Membership on SAC is open to all interested students. Any student wishing to work with this group should contact the Director of Student Activities early in the school year. Some of the programs already planned for the 2018-2019 academic year include Pitt-Bradford traditions such as the Cedar Point trip, Alumni and Family Weekend, and Winter Week. SAC also plays an active role in co-sponsoring many of the educational, social, and cultural programs offered during Black History and Women’s History Months. Other scheduled events include magicians, comedians, musicians, lecturers, game shows, and much more. Look for additional information in the “Pitt-Purri”, which is sent to you electronically during the fall and spring semesters.
CLUBS AND ORGANIZATIONS

Students have many opportunities to participate in a variety of clubs and organizations representing numerous student interests. These clubs and organizations are frequently funded either wholly or partially by the Student Government Association.

All clubs utilizing campus facilities must be registered with the Office of Student Activities. Likewise, University recognition may be granted to those organizations which meet the criteria established by the Office of Student Affairs. Detailed information regarding club registration and recognition may be obtained in the Office of Student Activities, located on the second floor of the Frame-Westerberg Commons. Criteria for SGA funding may be obtained in the Student Government Association office, also located on the second floor of the Commons.

Any group of students desiring to form a new club or organization should contact the Director of Student Activities for the appropriate forms. The group must have a statement of purpose, a list of members (and officers, if possible), and the name of the faculty or staff advisor. A copy of the constitution is also to be included. If the proposed club or organization meets all University criteria, official recognition and/or registration status is granted by the Vice President and Dean of Student Affairs. This applies to all groups equally, including social fraternities and social sororities. Any recognized club or organization may request funding from the Student Government Association; however, these clubs must meet all SGA criteria in order to receive such funding.

Registered and Recognized Clubs and Organizations (funded by SGA):
- African American Student Union
- Art Club
- Asian Culture Association

POLICY ON FUNDRAISING BY STUDENT ORGANIZATIONS AND ATHLETIC TEAMS

Student clubs, organizations, and athletic teams may engage in on-campus fundraising if the club, organization, or team has been given prior written permission by the Office of Student Activities (club or organization) or the Department of Athletic/Recreational Sports (team). Every attempt will be made to grant approval and counsel to worthwhile student projects. Off-campus fundraising is prohibited unless prior written permission is granted by the Director of Student Activities and the Director of Institutional Advancement (clubs) or the Director of Athletics and Recreational Sports and the Director of Institutional Advancement (teams) in order to ensure that the best of community relations is maintained. In all instances (both on-campus and off-campus), door-to-door soliciting is strictly prohibited.

Raffles must be conducted in accordance with state law and university policy. Check with the Office of Student Activities or with the Department of Athletics/Recreational Sports (if an athletic team) for additional information. The sale of credit cards by student clubs or organizations, or athletic teams (on or off campus) is not approved as a fundraising activity. This is consistent with a related long-standing policy that does not permit credit card salespersons or companies to perform solicitations for credit cards on campus. For more information regarding the fundraising policy, clubs should contact the Director of Student Activities in Room 206 of the Frame-Westerberg Commons, and teams should contact the Director of Athletics and Recreational Sports in the athletics offices, located in the McDowell Sport and Fitness Center. If monies raised are to be donated to a charity or a philanthropy, additional polices apply.

Eligibility for certain types of scholarships and financial aid may be contingent on full-time registration status. All students are billed on a per-credit basis for summer sessions and terms.

Footnotes:

(1) This fee permits the University to continue to expand and modernize computer-based services for students. These include a modern on-line library catalog, expanded personal computer facilities to support student instruction, enhanced delivery of video services to the classroom, and an improved student information system.

(2) This fee covers in full each student’s parking registration, the local free ATA transportation service, and it also subsidizes the “Buses Home Program” during three recesses (Thanksgiving, December Holiday Recess, and Spring Recess).

(3) These fees are charged when enrolled in physical education courses and certain laboratory courses. The fee is charged for each course taken.

(4) These fees are charged only to students enrolled in the Nursing, Radiological Science, or Athletic Training program, with one charge per academic year.
PAYING YOUR UNIVERSITY INVOICE

Balance Notifications/PittPAY

PittPAY is the University’s online student financial portal where students and their Authorized Users can view summary and detailed student account information, including the balance due and due date. Students and their Authorized Users are notified by email periodically before the due date if there is a balance due. In PittPAY, you can also make online payments, enroll in eRefunds, enroll in the optional payment plan and generate a Term Statement to print, save, or provide to others who request one from you. Registration for a subsequent term will not be permitted until the balance due on the current term is paid in full.

You may pay your balance due in full by your due date, or you can enroll in an optional Payment Plan and pay in installments over time, instead. Our optional payment plans are designed to help families spread out the balance due over a series of regular installments. Depending on the date you enroll in a plan, you may be get up to six installments for fall or spring terms, or up to 3 installments for summer term. Payment plan installments will be automatically deducted on the 5th of each month from the bank account or credit card you specify when enrolling in the plan. There is a $45 sign-up fee for each term-based plan. More information is available at http://payments.pitt.edu/payment-plans/.

If you choose to pay your balance owed on the appropriate due date you have the following options. Payments can be made online in PittPAY by students or their Authorized Users.

- **eCheck** is an electronic deduction from a personal U.S. checking account. Payments made in PittPAY by eCheck are offered at no charge to you. You will need the routing and account number from a personal U.S. checking account to process an eCheck payment online.
- **Credit Card**: While the University does not accept credit or debit card payments directly, we have arranged for a third-party vendor to accept Discover, MasterCard, and Visa online in PittPAY. Note: you will be charged a non-refundable convenience fee of 2.75% by the vendor each time you use a credit or debit card to process a payment in PittPAY. This fee will be in addition to tuition, fee, room, and meal plan charges. If you are planning to use a debit card linked to a U.S. checking account, consider using the eCheck payment method instead to avoid the 2.75% service fee charged for all debit and credit card transactions in PittPAY. We are unable to process credit or debit card payments by phone or in person, only online.
- **Payments by mail or in person** of cash or check are accepted through the Enrollment Services Office. Enrollment Services is located in the Hangar Building, The mailing address is 300 Campus Drive Bradford, PA 16701.
- **International Payments**: International Payments must be registered on our international payment portal (powered by Flywire) to ensure the best exchange rates and a secure portal that students and the University can use to track your payment and make sure it is posted directly to your account when the University receives it. Note, Flywire is the only vendor authorized by the University of Pittsburgh to facilitate international payments to students’ accounts. Students should not make payments through other third party vendors or via direct wires to the University. Learn more about International Payments to your student account.

MANDATORY FEES such as the Computer Network/Service, Recreation, Wellness, and Student Activity fees are approved by the Board of Trustees and assessed to all students to support campus services.

LATE PAYMENT FEE

Late payment fees are assessed on any bill that is not paid in full by the due date stated on the bill. Students may be charged from $50 to $200 depending upon the number of days and amount past due. Collection fees may also apply.

PROCEDURES FOR TERMINATION OF REGISTRATION & RESIGNATION FROM THE UNIVERSITY

Students may TERMINATE THEIR REGISTRATION of all classes by informing the Enrollment Services Office of their intent to do so prior to the end of the drop period (first ten class days of a term, first five class days of a session). These TERMINATIONS OF REGISTRATION may be done in person, by telephone [(814) 362-7602], or by letter to the Enrollment Services Office. There is no financial obligation for tuition and non-housing related fees during this period.

After the end of the drop period, but no later than the “Last Day to Resign” as found in the academic calendar, students desiring to leave the college must RESIGN through the Office of Enrollment Services. These RESIGNATIONS may also be done in person, by telephone [(814) 362-7602], or by letter to the Office of Enrollment Services.

The date of resignation will normally be the date a student notifies the University. For full-time students only, in all cases an exit interview must be scheduled with the Dean of Student Affairs prior to termination of registration or resignation. Failure to attend classes for which a student is registered, or failure to notify the appropriate office, is not considered to be an official resignation. Merely dropping out of the University without officially resigning will result in “F” grades.

Students who receive financial assistance of any kind should check with the Financial Aid Office to see what effects a termination of registration or resignation may have on their ability to receive future financial aid benefits. It is also important to note that any reduction of tuition and fees caused by termination or resignation may also reduce the amount of federal, state, or institutional aid that the student has received and may, in effect, create a balance owed for the student.

Resignations will be processed only through the “last date to resign” for each term or session. This date is printed in the “Academic Calendar,” which is found elsewhere in this handbook.
STUDENT RESIGNATION GUIDELINES & RETURN OF TITLE IV FUNDS

Adjustments to tuition charges resulting from official resignations are based on the effective date of resignation and in accordance with the federally mandated calculation.

Those students who resign within the add-drop period are eligible to receive a 100% refund of tuition. Following the add-drop period, adjustments to tuition resulting from official resignations are based on the effective date of resignation and in accordance with the federally mandated calculation as specified in Section 484B of the Higher Education Act. This law also specifies the order of return of Title IV funds to the programs from which they were awarded.

The calculation is based on the period of enrollment completed. That percentage is computed by dividing the total number of calendar days in the term into the number of calendar days completed, as of the date of student notification. The percentage of Title IV assistance to which the student is entitled (has “earned”) is equal to this percentage of the term completed, up to 60%. If the resignation occurs after 60% of the term is completed, the percentage is equal to 100%.

The amount of Title IV aid which must be returned is based on the percentage of “unearned aid”. That percentage is computed by subtracting earned aid from 100%. The University is required to return the lesser of 1) the unearned aid percentage applied to institutional charges or 2) the unearned aid percentage applied to the total Title IV aid received.

The student is required to return the difference between the amount of unearned aid and the amount returned by the University. If the student (or parents in the case of PLUS loans) is required to return a portion of all of their loan proceeds, the calculated amount is to be repaid according to the loan’s terms. Students are only responsible for returning any grant amount that exceeds 50% of the original disbursement.

Funds are returned to the following Title IV sources in priority order:

1. Federal Direct Unsubsidized Loans
2. Federal Direct Subsidized Loans
3. Federal Direct Parent PLUS Loans
4. Federal Pell Grant for which return of funds is required
5. Federal Supplemental Educational Opportunity Grant for which a return of funds is required
6. Other Title IV assistance for which a return of funds is required
7. Other federal, state, private, or institutional financial assistance
8. Student

PHEAA grants and other institutional aid will be reduced at the same percentage earned as federal aid. Institutional aid will be prorated at the same percentage earned and will not be permitted to create a credit balance. If less aid is disbursed than was earned, the student may receive a late disbursement for the difference.

No adjustments will be made for students who are requested to resign, or who are suspended or dismissed as a result of disciplinary action. Refunds to Title IV programs, or any other aid program, and/or the student will be made in a timely manner. Students with refunds as the result of financial aid should be aware that Pitt-Bradford is obligated to follow the policies and procedures of the State and Federal governments in the processing of refunds.

FINANCIAL IMPLICATIONS FOR ADDING/DROPPING/WITHDRAWING FROM COURSES

A student may add or drop credits (courses) within the first ten class days of a regular fall or spring term. During a 4-week, 6-week, or 12-week summer session, add/drop deadline dates vary, and may be found in the Academic Calendar section of this Student Handbook. Adding or dropping courses will sometimes affect a student’s bill, with either additional or lower charges.

A student who drops credits and/or changes status from full-time to part-time should first contact the Financial Aid Office, as this may have a significant effect on the financial aid package.

After the end of the drop period, a student desiring to withdraw from a course must process a withdrawal form. THERE IS NO FINANCIAL AID OR COST ADJUSTMENT TO STUDENT ACCOUNTS ASSOCIATED WITH A COURSE WITHDRAWAL; HOWEVER, COURSE WITHDRAWAL COULD ADVERSELY AFFECT FUTURE FINANCIAL AID. The student remains responsible for all tuition and fee charges related to that course.

ROOM AND BOARD REFUNDS

Fall and Spring Terms

1. A student who voluntarily leaves the University during the drop period is given a pro-rated credit of room and board charges on the student account.
2. A student who voluntarily leaves the University after the drop period but before the last day to resign is given a pro-rated credit of board charges only on the student account. Room charges are not refundable.
3. A student who leaves the University within the last two weeks of the term (after the last day to resign) is not eligible for any credit or refund of room and board charges.
4. A student who is required to leave the University or University housing as a result of disciplinary action is not eligible for any credit or refund of room and board charges.
5. In order for any credit or refund of room and board charges to be made, the student’s room key must be returned to the Office of Residential Life and Housing, at which time the dining room pass is de-activated.
Summer Sessions
1. Students are charged a designated weekly rate for housing during the summer sessions. A student who leaves the University before the end of a session is eligible for a credit of room charges for the weeks of the session that he or she is not in attendance. Contract board plans are not provided during the summer sessions.
2. In order for any credit or refund of room charges to be made, the student's room key must be returned to the Office of Residential Life and Housing.

GRADES, TRANSCRIPT, DIPLOMA, AND REGISTRATION IMPLICATIONS AS A RESULT OF OUTSTANDING STUDENT DEBT

In order for either the Registrar’s Office or the Enrollment Services Office to release a student’s grades, transcript or diploma, or register a student for a subsequent term or session, all monies owed to the University must be paid in full. This includes assessments, fines, and/or any other legitimate charges owed to the University or any of its units. Once payment is made in full, grades and transcripts will be released, and the student is permitted to register. For a graduating student, the diploma will be released once payment is made in full and required exit counseling sessions are completed.
FINANCIAL AID AND EMPLOYMENT

FINANCIAL AID

1. EVERYONE SHOULD APPLY! - A common misconception held by many students is that they will not be eligible to receive aid. However, regardless of family income, students may apply for financial aid. Family income is only one of the factors taken into consideration. Several other factors are used in awarding aid. These include family size and number of children in post-secondary education, as well as assets and income. Additionally, there are limited non-need based funds for which you may be considered. So apply, it never hurts to try!

2. APPLY FOR FEDERAL, STATE, AND UNIVERSITY PROGRAMS! - The Financial Aid Office urges everyone to complete the Free Application for Federal Student Aid (FAFSA) to be considered for federal and state grants, loans and work opportunities, as well as University programs. The FAFSA may be completed online at www.fafsa.gov.

3. APPLY EARLY! - Too many people wait until the last minute to apply, or apply late; as a result, they do not learn of their financial aid status until just prior to the beginning of the term and/or miss out on aid for which they may have been qualified to receive. To be considered for the maximum amount of aid, you must apply by the March 1 priority deadline.

4. APPLY EVERY YEAR! - Financial aid is awarded one year at a time; therefore, one must reapply every year. The document required for a complete aid application is the Free Application for Federal Student Aid (FAFSA).

STUDENT EMPLOYMENT OPPORTUNITIES

Work Study Program

Federal Work Study (FWS) and Labor Scholarships are programs that provide jobs on campus for students who qualify based on financial need. To determine eligibility, a student must complete a Free Application for Federal Student Aid (FAFSA). Students who accept their Work Study awards are encouraged to apply for job opportunities early. An award of FWS or a Labor Scholarship is not a guarantee of a job. Wages are paid at the end of the month via direct deposit. They are not credited to a student’s University account.

SATISFACTORY ACADEMIC PROGRESS POLICY FOR FINANCIAL AID

NOTE: For entire policy, go to the Financial Aid Web site at www.upb.pitt.edu/financialaid and click on “Satisfactory Academic Progress”.

The Office of Financial Aid is required by federal regulation to monitor student progress toward completion of a degree and/or certificate. Only those students enrolled in a degree seeking or teaching certificate program are eligible for financial aid. The following qualitative and quantitative measures will be reviewed to determine good standing for continued financial aid eligibility:

* Students must complete 67% of all attempted credits;
* Students with 30 or fewer credits must achieve a cumulative GPA of at least 1.5; students with more than 30 credits must achieve a cumulative GPA of at least 2.0.
* Students must complete their degrees within 150% of stated time as per the following: 90 credits maximum for AA/AS degree; 180 credits maximum for the BA/BS/BSN degree.

Students who have met the minimum credit and GPA requirements and have not exceeded the appropriate number of credits to complete their degree programs, as stated, are considered to have met satisfactory academic progress and are eligible for continued student assistance for the upcoming enrollment period. The qualitative and quantitative measures used to judge financial aid academic progress are cumulative and include all periods of a student’s enrollment. Even periods in which the student did not receive financial aid must be included. Transfer credits must be counted as well.

Special situations that fall outside this stated general policy regarding continued eligibility are subject to professional judgment appeal to the Director of Financial Aid.

Student Aid Programs Impacted by the Standard:

This standard does not apply to tuition remission for dependents of Pitt employees, some outside scholarships, or state student incentive grants (i.e., PHEAA State Grants). State agencies awarding state grants establish their own academic standards.

Credits Completed:

The Financial Aid Office checks satisfactory academic progress for financial aid at the end of the Spring Term. Students are expected to successfully complete all credits they enroll in for each term. Sometimes unexpected events occur which may cause the student to not complete one or more classes. Generally speaking, full-time students must complete 30 credits per academic year in order to graduate within four years. For satisfactory academic progress purposes, all students must complete at least 67% of all attempted coursework. This policy measures successfully completed credits only. Credits attempted that were later dropped or failed do not count toward the required number of successfully completed credits needed each term. Courses repeated for a better grade, in accordance with University policy, will be counted toward GPA requirements but will not be counted toward cumulative credits completed. Financial Aid may be used only one time towards payment of a course that was passed previously. Up to one academic year (not more than 30 credit hours) of remedial courses may be counted. Course audits are not included.

University Level grade point average (GPA):

To remain in good standing, Pitt-Bradford requires that all students earn at least a 1.5 GPA if they have earned 30 or fewer credits, and a 2.0 GPA if they have earned more than 30 credits.
Timeframe needed to complete the degree -
For financial aid purposes, a student enrolled in a program leading to the bachelor’s degree must complete the 120 required credits (121 for radiological science) within a maximum of 180 credits taken. Likewise, a student enrolled in a program leading to the associate’s degree must complete the 60 required credits (69 for nursing) within a maximum of 90 credits taken. Appeals granted for credits beyond the 90 or 180 credit maximum will only apply to courses required for degree completion.

Unsatisfactory Progress -
Those not making progress will be dropped to unsatisfactory progress and be denied student aid for any upcoming enrollment period until they have met the requirements for satisfactory academic progress. Students academically dismissed are automatically ineligible for further financial aid.

Meeting Satisfactory Academic Progress after being placed on Unsatisfactory Progress -
* The student must register and pay for classes using his/her own funds;
* Upon meeting financial aid satisfactory academic progress criteria as stated above, the student must request financial aid reinstatement and complete a Free Application for Federal Student Aid (FAFSA). OR,
* The student may appeal the loss of financial aid eligibility. If a student has experienced circumstances beyond control that has kept them from maintaining satisfactory academic progress, please contact the Financial Aid Office for information on the appeals process.

Second or Subsequent Appeal -
If a student appeals and is placed on an academic plan or probation, and does not meet the terms of that academic plan or probation, the student must then complete at least six (6) credits that apply toward graduation (on their own) and attain at least a 2.0 term GPA. If the GPA is also an issue, the student must get at least a 2.3 term GPA in the term he/she does (on their own) before the student can make another appeal for federal financial aid.

AT-ENTRY MERIT SCHOLARSHIPS
A student’s at-entry merit scholarship is listed as a Panther Scholarship or a Go Beyond NY STATE Award on the Financial Aid award letter. These are awarded based upon a certain enrollment and housing status at the time of first admission. If a new student’s status has changed since the date of admission, the student must contact the Admissions Office in writing so the at-entry merit scholarship may be re-evaluated. NOTE: SCHOLARSHIPS WILL NOT BE CHANGED AFTER THE FIRST DAY OF THE TERM IN THE YEAR IN WHICH THEY ARE AWARDED. PANTHER SCHOLARSHIPS AND GO BEYOND NY STATE AWARDS APPLY ONLY TOWARDS FULL-TIME TUITION PAID TO THE UNIVERSITY OF PITTSBURGH AT BRADFORD AND NOT TO OTHER CAMPUSES OF THE UNIVERSITY OF PITTSBURGH OR TO THE BRADFORD REGIONAL MEDICAL CENTER (for the hospital component of the BS in Radiological Science program). In addition, students with merit scholarships who study abroad can take a maximum of $2,000 for one semester of study abroad only. Merit award monies will not be given for additional study abroad experiences.

VETERANS’ EDUCATIONAL BENEFITS
Questions regarding educational benefits for veterans or spouses and children of service connected disabled veterans or spouses and children of veterans who died in service should be forwarded to the Financial Aid Office (814) 362-7550.

For complete information on scholarships, loans, and grants, please visit the Pitt-Bradford Office of Financial Aid Web site at www.upb.pitt.edu/financialaid/. For continuing students, remember the priority deadline to be considered for financial aid for the next academic year (2019-2020) is March 1, 2019. The Financial Aid Office is located in the Hangar Building, phone (814) 362-7550.

ARMY ROTC SCHOLARSHIPS
The United States Army awards scholarships on a competitive basis to outstanding young men and women who are interested in a military career, and who wish to pursue a commission as an officer through a Reserve Officers’ Training Corps (ROTC) program while in college.
All Army ROTC scholarships pay for tuition and most fees; up to $1,200 per year for books ($600 per semester); and $420 per month tax-free stipend for up to 10 months.
Students who enroll in the Army ROTC program as freshmen and sophomores may apply for two and three-year scholarships. All students who accept Army ROTC scholarships enter a contractual agreement and incur a military service obligation with the Army.
Specific information is available through the Student Affairs Office at Pitt-Bradford, or from the Department of Military Science, located on the campus of nearby St. Bonaventure University. For more information, Pitt-Bradford students may contact John W. Gordnier at jgordnie@sbu.edu or by phone at (716) 375-2567.

ARMY SIMULTANEOUS MEMBERSHIP PROGRAM FINANCIAL BENEFITS
Pitt-Bradford students serving in the Pennsylvania National Guard may be eligible for Federal Tuition Assistance, the Pennsylvania National Guard Educational Assistance Program and/or Selective Reserve GI Bill (chapter 1606) depending on service/training completed. Please note some of these programs are mutually exclusive—contact your Readiness NCO at your unit to confirm eligibility. Pitt-Bradford students may contact Sergeant Steven Kloss at steven.p.kloss.mil@mail.mil, or at (814) 598-5897 for more information.

It promptly conducts investigations and takes appropriate action, including disciplinary action, against individuals found to have violated its policies, as well as provides appropriate remedies to complainants and the campus community. The University is committed to taking prompt action to end a hostile environment if one has been created, prevent its recurrence, and remedy the effects of any hostile environment on affected members of the campus community.

For complete details on the University’s Nondiscrimination, Equal Opportunity, and Affirmative Action Policy (07-01-03) and Sexual Misconduct Policy (06-05-01), please visit: http://diversity.pitt.edu/affirmative-action/policies-procedures-and-practices

ANTI-HARASSMENT POLICY WITH HARASSMENT DEFINED

No person (student, faculty, staff, or other) on University premises (or in limited circumstances off campus) may intentionally harass or abuse another person. Consistent with the University Nondiscrimination Policy Statement, this Anti-Harassment Policy includes cases where the conduct is based on race, color, religion, national origin, ancestry, sex, age, marital status, familial status, sexual orientation, gender identity and expression, genetic information, disability, or veteran status. Harassment may occur through a wide range of conduct, such as by verbal, physical or electronic means when:
1. The conduct is severe or pervasive and objectively and subjectively has the effect of a) unreasonably interfering with an individual’s work or equal access to education; or b) creating an intimidating, hostile, or offensive work or academic environment;
2. Such conduct, if repeated, is reasonably likely to meet the standard set forth in number 1 above.

When constitutionally protected speech is implicated, this policy will be applied only the extent consistent with the First Amendment. In addition to meeting the standard set forth above, to rise to the level of prohibited harassment when constitutionally protected speech is implicated, the law requires a tenable threat of material and substantial disruption of University operations or interference with the rights of others.

POLICY ON SEXUAL HARASSMENT

Sexual Harassment/Sexual Assault is illegal; the University of Pittsburgh will not tolerate such illegal activity. Complete details of the University’s policy may be found and read in its entirety at www.cfo.pitt.edu/policies/documents/policy06-05-01web.pdf. This policy provides a variety of individuals on each University of Pittsburgh campus who should be contacted with questions or concerns. Students should also refer to the Sexual Misconduct section of the Student Handbook, beginning on Page 64, for additional details and local contact information.

It is important that individuals who believe they are victims of any form of sexual harassment or sexual assault immediately contact the University of Pittsburgh at Bradford’s Title IX Liaison, Ms. Christy Clark, at cclark@pitt.edu, (814) 362-5121. It is equally important that all criminal activity be reported to the Pitt-Bradford Campus Police, located in the Campus Police/Laundry Building on Campus Drive, (814) 362-7506, or in an emergency, (814) 368-3211.

POLICY ON FACULTY-STUDENT RELATIONSHIPS

The University’s educational mission is promoted by professional relationships between faculty members and students. Relationships of an intimate nature compromise the integrity of a faculty-student relationship whenever the faculty member has a professional responsibility for the student.

The University prohibits intimate relationships between a faculty member and a student whose academic work, teaching, or research is being supervised or evaluated by the faculty member. If an intimate relationship should exist or develop between a faculty member and a student, the University requires the faculty member to remove himself/herself from all supervisory, evaluative, and/or formal advisory roles with respect to the student. Failure to do so may subject the faculty member to disciplinary action.

Transgression of this policy may result in the forfeiture of the legal and monetary protections of the University’s indemnification policy.

PROCEDURES FOR DEALING WITH COMPLAINTS RELATED TO DISCRIMINATION, HARASSMENT, OR FACULTY-STUDENT RELATIONSHIPS AT PITTMAN-BRADFORD

Please contact any of the individuals listed below.

Affirmative Action Officer/Title IX Liaison: Ms. Christy L. Clark (cclark@pitt.edu), (814) 362-5121

The Family Education Rights and Privacy Act (FERPA) affords students certain rights with respect to their education records. These include:

1) The right to inspect and review the student’s education records within 45 days of the day the University receives a request for access. Students should submit to the registrar, dean, head of the academic department, or other appropriate program director, written requests that identify the record(s) they wish to inspect. The University official will make arrangements for access and notify the student of the time and place where the records may be inspected. If the records are not maintained by the University official to whom the request was submitted, that official shall advise the student of the correct official to whom the request should be addressed.

2) The right to request the amendment of the student’s education records that the student believes is inaccurate. Students may ask the University to amend a record that they believe is inaccurate. They should write to the University official responsible for the record, clearly identify the part of the record they want changed, and specify why it is inaccurate. If the University decides not to amend the record as requested by the student, the University will notify the student of the decision and advise the student of his or her right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the student when notified of the right to a hearing and is available at UP policy and Procedure 09-08-01.

3) The right to consent to disclosures of personally identifiable information contained in the student’s education records, except to the extent that FERPA authorizes disclosure without consent. One exception, which permits disclosure without consent, is disclosure to school officials with legitimate educational interests. A school official is a person employed by the University in an administrative, supervisory, academic or research, or support staff position (including law enforcement personnel and student health staff); a person or company with whom the University has contracted (such as an attorney, auditor, or collection agent); a person serving on the Board of Trustees; or a student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his or her tasks. A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibilities. Upon request, the University will disclose education records without consent to officials of another school in which a student seeks or intends to enroll. The University will forward records upon request of another school.

4) The right to file a complaint with the U.S. Department of Education concerning alleged failures by the University of Pittsburgh to comply with the requirements of FERPA. The name and address of the Office that administers FERPA is:

Family Policy Compliance Office  
U.S. Department of Education  
400 Maryland Avenue, SW  
Washington, DC 20202-4605

Questions concerning the University’s FERPA Policy may also be directed to the Enrollment Services Office at (814) 362-7602.

Directory Information

The University may establish categories of information known as “Directory Information” and release this information without student consent, upon request by individuals external to the institution. Students may request that any or all of the categories below be excluded from Directory Information that would be released without consent, upon request by a third party.

Directory Information includes the following: Name, Address, Phone Number; Major field of study; Achievements; Degrees, academic awards, or honors; Weight and height, if a member of athletic teams; Date and place of birth; Previous educational institution; Photograph; Participation in officially recognized activities and sports; Dates of Attendance.

When the Enrollment Services Office receives a student’s refusal to permit the release of “Directory Information”, further disclosures are not made without the student’s consent (except to parties who have legal access to student records with a written consent). A refusal to permit Directory Information is permanent. Rescinding of this action can be done by the student submitting the request in writing to the Enrollment Services Office, located in the Hangar Building.

If you would like to choose to NOT have Directory information shared with outside persons, please contact the Enrollment Services Office in the Hangar Building. Also, be sure to contact this office by September 15 if you do not want to be listed in the University of Pittsburgh Directory.

INTRODUCTION
The ultimate purpose of higher education is to develop the minds and characters of students through the pursuit of knowledge and thus contribute to the well-being of society. At the University of Pittsburgh the responsibility and authority for achieving this purpose rests, by law, with the Board of Trustees. “The University of Pittsburgh - Commonwealth Act of 1966” specifically provides:

The entire management, control and conduct of the instructional, administrative, and financial affairs of the University is hereby vested in the Board of Trustees. The Board may exercise all the powers and franchises of the University and make by-laws for their own government, as well as for the University.

Included in the power vested in the Board of Trustees is the authority to establish regulations and standards for students. Responsibility for these regulations and standards is delegated to the Chancellor, the President, and in turn to specified administrative officials. While exercising these powers the Board of Trustees and University administrators acknowledge and affirm the rights and responsibilities of students as members of society, as guaranteed by the Federal and State Constitutions, and as expressed by federal, state and local laws. It is further recognized that students acquire additional rights and responsibilities which are inherent in the educational process.

THE PITT PROMISE: A COMMITMENT TO CIVILITY
The University of Pittsburgh is committed to the advancement of learning and service to society. This is best accomplished in an atmosphere of mutual respect and civility, self-restraint, concern for others, and academic integrity.

By choosing to join this community, I accept the obligation to live by these common values and commit myself to the following principles:

As a Pitt Student:
♦ I will embrace the concept of a civil community which abhors violence, theft, and exploitation of others;
♦ I will commit myself to the pursuit of knowledge with personal integrity and academic honesty;
♦ I will respect the sanctity of the learning environment and avoid disruptive and deceitful behavior toward other members of the campus community;
♦ I will support a culture of diversity by respecting the rights of those who differ from myself;
♦ I will contribute to the development of a caring community where compassion for others and freedom of thought and expression are valued; and
♦ I will honor, challenge and contribute to the scholarly heritage left by those who preceded me and work to leave this a better place for those who follow.

By endorsing these common principles, I accept a moral obligation to behave in ways that contribute to a civil campus environment and resolve to support this behavior in others. This commitment to civility is my promise to the University of Pittsburgh and its community of scholars.

STUDENT RIGHTS WITHIN THE UNIVERSITY COMMUNITY
With the approval of the Board of Trustees, the University affirms the following student rights and privileges:

• To engage in discussion, to make inquiries, to exchange thought and opinion, to publish and exchange findings and recommendations, to speak, write or print freely on any subject, and to sponsor speakers of their choice, in accordance with the guarantees of our Federal and State Constitutions, subject only to the right of the University to make reasonable rules and regulations related thereto.
• To associate with whomsoever they please.

To organize one’s own personal behavior as long as such behavior does not violate public law or rights of others and does not interfere with the educational process.

To be informed of the standards and the norms of conduct established by the University and the right to have advance notice of any sanctions for violations thereof.

All procedures shall be structured to facilitate a reliable determination of the truth or falsity of charges while providing due process and fundamental fairness to all persons.

Copyright and File Sharing Policy

The increased use of file sharing (peer to peer) software programs such as FrostWire, BitTorrent, and others has led to a significant increase in anti-piracy efforts and legislation. Peer-to-peer programs allow sharing of copyrighted music, movies, and software, often without the knowledge or consent of the user.

Using file-sharing programs like FrostWire and BitTorrent to share copyrighted music, movies, games, and other files is illegal. Organizations such as the Recording Industry Association of America (RIAA), the Motion Picture Association of America (MPAA) and others monitor file sharing on the Internet and notify the University when a computer on its network is illegally sharing copyrighted files.

It is the policy of the University of Pittsburgh to respect the copyright protections given to authors, owners, and publishers under federal law including the Digital Millennium Copyright Act. It is against policy for any student, faculty, or staff member to copy, reproduce, or distribute any software, music, games, or movies on University computing equipment except as expressly permitted by a software license or with the written consent of the copyright holder or as otherwise permitted under federal law. Willful infringement may subject a student or employee to University discipline and can impact the privilege to use information technology resources at the University. Uploading or downloading works protected by copyright without the authority of the copyright owner is an infringement of the copyright owner’s exclusive rights of reproduction and/or distribution. Anyone found to have infringed a copyrighted work may be liable for statutory damages up to $30,000 for each work infringed and, if willful infringement is proven by the copyright owner, that amount may be increased up to $150,000 for each work infringed. In addition, an infringer of work may also be liable for the attorney’s fee incurred by the copyright owner to enforce his or her rights. For more information, visit http://technology.pitt.edu/network-web/responsibilities/illegal-file-sharing.html.
OFFENSES, CRIMINAL OR PENAL

These offenses are committed when a student violates any criminal or penal statute or ordinance that is applicable where the offense takes place. The Campus Judicial Board standard of a preponderance of evidence shall apply in all cases.

STUDENT JUDICIAL SYSTEM ADMINISTRATION

In accordance with the provisions of the University Charter, By-laws and Trustees actions, the Chancellor of the University of Pittsburgh, who is the chief executive officer of the University, delegates the supervision of student conduct and discipline to the President of the University of Pittsburgh at Bradford, who, in turn, delegates that responsibility to the Dean of Students. All disciplinary actions remain subject to final review by the President of the University of Pittsburgh at Bradford.

THE ROLE OF THE DEAN OR ASSOCIATE DEAN OF STUDENTS/ DIRECTOR OF JUDICIAL AFFAIRS IN THE DISCIPLINARY PROCEDURE

The supervision of student conduct and discipline is the responsibility of the Dean of Students, and is delegated to the Associate Dean of Students and Director of Judicial Affairs. All disciplinary actions remain subject to final review by the President of the University of Pittsburgh at Bradford.

The Dean shall serve as the liaison with students who have been placed on Disciplinary Probation or separated from the University; the Office of Student Affairs shall be responsible for informing the student of the procedure for reinstatement. The Dean has authority to carry out or direct Interim Suspension of students as authorized by the President of the College. The Dean also has authority either to recommend or to place holds from further registration on the student’s record with appropriate legal and procedural safeguards to the rights of students. The Dean may release information concerning the status of a discipline case to persons involved in the case. These may include the accuser, the witnesses, the Student Affairs staff, and other appropriate University officials.

The Associate Dean of Students serves as the advisor to the Campus Judicial Boards. He may not, however, be a member of any board.

The Associate Dean of Students shall have responsibility for receiving complaints against students from any member of the University community, from local and state agencies and from the general citizenry. (PLEASE NOTE: If the complaint involves any form of sexual misconduct, the case is referred to the Title IX Liaison who will conduct the investigation and make recommendations for sanctions when appropriate. Please refer to the policy on Sexual Misconduct located elsewhere within this handbook.) Complaints which appear to be substantially indicative of a violation of a University regulation shall be reason to charge the student. The Associate Dean shall notify the student, via email, of the specific charges against them and shall instruct them to meet with the Associate Dean to resolve the matter in a timely manner. The Associate Dean, in consultation with the accused student, shall decide upon one of the following two options for resolution:
A. To take the case to the Student Judicial Board for adjudication (Fall and Spring Terms only).
B. To dispose of the case through an informal hearing with the Associate Dean, with no subsequent proceedings or appeals.

ADMINISTRATIVE SANCTIONS - Office of Residential Life and Housing

The Office of Housing and Residential Life may establish and enforce standards of conduct which do not conflict with student rights within the University community as affirmed in the Student Code of Conduct. Administrative sanctions may be issued for code infractions as long as a reliable determination is made; the administrative action is in lieu of a judicial complaint; the penalty includes no more than Disciplinary Warning, Disciplinary Reprimand, Residence Hall Probation, and/or loss of certain privileges related to living in University housing; and the action is not arbitrary or capricious. Records of all administrative sanctions will be maintained in the Office of Student Affairs, and may be introduced in the sanction phase of subsequent judicial hearings.

CAMPUS JUDICIAL BOARDS

The University of Pittsburgh at Bradford Student Judicial Board is the duly authorized judicial body which has jurisdiction over all students for matters arising from the Student Code of Conduct and Supplemental Residence Hall Provisions. This board shall conduct hearings, make findings of facts, recommend disciplinary sanctions where appropriate, and provide due process for students while protecting the rights of all members of the University community.
In extraordinary circumstances where the complexity of factual issues and/or matters of law so dictate, the President of the University of Pittsburgh at Bradford may appoint an ad hoc hearing committee to hear cases. Any proceedings before such an ad hoc body shall provide due process and ensure the rights of students.

TERM OF OFFICE—Members of the Student Judicial Board shall serve for a term of one year commencing on the first day of the fall term following approval and appointment by the Student Government Association and may be appointed for additional terms of office. Vacancies may be filled at any time.

APPEALS—A student who wishes to appeal the findings and/or recommendations of the Student Judicial Board must submit a written request for an appeal to the Dean of Students within two (2) days of the receipt of the hearing outcome. Only sanctions that involve residence hall suspension or dismissal, or suspension or dismissal from the University, may be appealed. An appeal shall stay the imposition of a sanction unless the Dean of Students, with the concurrence of the President, for good cause, directs in writing that the sanction be imposed immediately.

APPOINTMENT TO THE STUDENT JUDICIAL BOARD

Recommendations for appointment to the Student Judicial Board shall be at the beginning of the fall term by a selection committee composed of the President and Vice President of the Student Government Association and the Associate Dean of Students. 3. To apply rules and regulations fairly, impartially and equally to all students who are similarly situated.

PRELIMINARY CONFERENCE

After a reasonable attempt to confer with all parties, the Associate Dean of Students shall schedule a hearing. All parties shall receive notification of the hearing which shall include the time, date, and place of the hearing.

WITNESSES

Any member of the University community may, upon showing a relevance and necessity, request witnesses to appear at the hearing with the prior permission of the Associate Dean of Students.
Witnesses who are members of the University community shall be called and other witnesses shall be requested to appear at the hearing.

The call or request to witnesses shall set forth:
A. Names of parties.
B. Request to appear.
C. Time of the hearing.
D. Date of the hearing.
E. Place of the hearing.
F. Signature of the Associate Dean of Students.

HEARING FORMAT
The Judicial Board, under the direction of their respective chairperson and with advisortryship from the Associate Dean of Students, does not function as a civil or criminal court of law, but rather as a formal hearing board.

Therefore, legal technicalities are kept to a minimum while an emphasis is placed upon maintaining the interdependent network of rights and responsibilities between the individual student and the University. Hearings held by the Student Judicial Board are oriented toward the achievement of an understanding among all parties involved. Within this conceptual framework, the legal doctrine of procedural due process is operationally defined as fundamental fairness. Thus, the judicial system works to ensure that there is fundamental fairness throughout the disciplinary process, i.e., sanctions, the right to appeal, etc.

Judicial Boards shall adhere to the following format for all hearings:
1. The Chairperson shall introduce the members of the Board, and request the names of all persons present at the hearing.
2. The Chairperson will read the incident report and the charges being filed against the student, and will ask the accused if they are responsible or not responsible for the charges. The accused student will be asked to give his account of the incident.
3. The Chairperson will ask the party filing charges if they have any additional information or clarification.
4. Witnesses for both sides will be asked to give their account of the incident or alleged policy violation.
5. At the conclusion of the two presentations, both of the parties involved will be free to ask questions for clarification.
6. Board members reserve the right to ask questions of clarification at any time during the course of the hearing.
7. When all aspects of the case have been discussed to the satisfaction of the parties involved, the Chairperson will ask all people to leave the room, except the Board members and the Associate Dean of Students.
8. During deliberations, the Board will first decide whether the party filing charges has presented sufficient evidence to support a finding against the accused student by a preponderance of the evidence.
9. If the student is found responsible or takes responsibility for the charges, the Associate Dean of Students will provide the Board with the student’s prior record, if any. The student will then be sanctioned in accordance with the sanctions stated under University Sanctions.
10. Both parties will be asked to return to the room, and the decision will be read. The accused student will be told that the decision is a recommendation, but the Dean of Students has the authority to increase, decrease, or otherwise change the recommended sanction(s) if the totality of circumstances, including but not limited to any prior offenses and University precedents, justifies it. The student will be told of the right to appeal.

FINAL ADJUDICATION
The Student Judicial Board in its deliberations shall consider only relevant evidence presented at the hearing. The final adjudication shall be sent to the Associate Dean of Students for approval. It shall then be sent in letter form to the accused student, and shall set forth:
A. Names of the parties.
B. Date of the hearing.
C. Offenses involved.
D. Finding of fact.
E. Recommended sanction.
F. Signature and approval of the Associate Dean of Students.

Where a sanction has been imposed, a record of the adjudication shall be maintained in the Office of Student Affairs for the term of the sanction.
While a sanction is in effect, a record of it may be properly introduced at a subsequent disciplinary hearing if it is determined that a student has committed another offense.

RECORDS
The Office of Student Affairs/Judicial Affairs maintains adjudicated discipline records for a period of seven (7) years from the date of the offense. Files will be maintained permanently for all pending incidents and incidents resulting in disciplinary suspension or disciplinary dismissal.

SANCTIONS
Sanctions imposed upon students must be proportionate to the gravity of the offense. Sanctions which may be imposed are:

1. **REPRIMAND** — A written statement from the Dean of Students or his representative, expressing disapproval of conduct. 6. **INVOLUNTARY CHANGE OF RESIDENCE HALL ASSIGNMENT** — A written direction to relocate a student to an alternative residence hall accommodation within a specified period of time which is imposed by the Dean of Students or his representative. Involuntary change of residence hall assignment is imposed to ensure the safety and well-being of members of the University community, or University property, or to ensure the student’s own physical or emotional safety and well-being. This sanction may also be imposed upon a student whose lifestyle, hygiene, health or behavior may adversely affect the other students in an apartment or residence section. When possible, students will be given 24 hours’ notice before such a change of assignment takes place.

7. **INTERIM RESIDENCE HALL SUSPENSION** — an immediate exclusion from the residence halls and all residence hall privileges and activities which is imposed by the Dean of Students or his representative, pending a hearing before the appropriate judicial body. Interim suspension is imposed only to ensure the safety and well-being of members of the University community, or University property, or to ensure the student’s own physical or emotional safety and well-being. The student will be persona non grata on all University residence hall property during the period of suspension and will not be permitted to enter or use any residence hall property. Should the student reappear in any area heretofore mentioned, he/she will be subject to arrest.

8. **VOLUNTARY CHANGE IN RESIDENCE STATUS** - If a student moves out of the residence halls after the imposition of an original sanction, the Dean of Students or his representative has the authority to impose limitations on that individual, such as a persona non grata sanction or other restrictions.

9. **INFORMATION TECHNOLOGY RESOURCE SUSPENSION OR TERMINATION** — A suspension or termination of all or part of a student’s access to information technology resources. No refund of any fees charged and
applied to information technology resources will be made. A record of the suspension or termination will be kept on file and may be introduced in subsequent disciplinary proceedings. (NOTE: The Director of CTM Services is authorized to impose an interim suspension of a student’s access to information technology resources, with approval of the Dean of Students or his representative. During the time of interim suspension, the student will not be permitted to access any University information technology resource.)

10. RESIDENCE HALL SUSPENSION—a termination of residence for a specified period to time from all University housing. The student will be persona non grata on all University residence hall property during the period of suspension and will not be permitted to enter or use any residence hall property for any reason. At the conclusion of the period of suspension, the student will be allowed to return to the residence halls on a probationary status for a period of one year unless otherwise specified. A record of residence hall suspension is maintained in the Office of Student Affairs for the duration of the student’s subsequent probationary period. The record may be introduced in subsequent disciplinary proceedings.

11. INTERIM SUSPENSION—an immediate exclusion from classes and all other University privileges or activities which is imposed by the Dean of Students or his representative, pending a hearing before the appropriate judicial body. Interim suspension will be imposed only to ensure the safety and well-being of members of the University community, or University property, or to ensure the student’s own physical or emotional safety and well-being. The student will be persona non grata on all University property during the period of suspension and will not be permitted to enter or use University property unless the student receives permission from the Dean of Students or his representative.

12. DISCIPLINARY SUSPENSION—a termination of registration as a student for a specified period of time. During the period of suspension a student is excluded from classes and all other University privileges or activities. At the conclusion of the period of suspension, the student will be allowed to return to the University on a probationary status for a period of one year unless otherwise specified by the appropriate judicial body. 16. PERSONA NON GRATA STATUS—An exclusion from a facility or area of the campus for a specified period of time. The record may be introduced in subsequent disciplinary proceedings.

17. SUBSTITUTED SANCTION—A constructive and voluntary undertaking by a student which, by agreement of the student and the appropriate judicial body or the Dean of Students or his representative, shall be substituted for any of the above sanctions. A record of substituted sanction shall be maintained in the Office of Student Affairs until the undertaking agreed upon is completed. If the substituted sanction is not satisfactorily completed, the Dean of Students or his representative shall reinstitute the original sanction.
18. **DEVELOPMENTAL SANCTION**—a directive to spend a specified period of time in a constructive undertaking that is designed to develop the student in a manner consistent with the mission and goals of the university. **UNIVERSITY APPEALS BOARD**

**JURISDICTION**—The Appeals Board shall hear appeals by students from findings and/or recommendations of the Judicial Board only if the original recommendation includes a Residence Hall Suspension or Dismissal, or a University Suspension or Dismissal. The Appeals Board shall also review findings and/or recommendations of either of these Boards at the request of the Dean of Students.

**COMPOSITION**—The Appeals Board is appointed only when there is a case to be appealed. It is composed of one (1) student, one (1) faculty member, and one (1) administrator. The President and Vice-President of the Student Government Association and the Dean of Students shall select the members.

**SANCTIONS**—The Appeals Board may either uphold the decision and sanction of a Campus Judicial Board, or it may lower the severity of the sanction. It may not increase the severity of the sanction. Recommendations of the Appeals Board shall be forwarded to the Dean of Students. The Dean shall implement the recommendation(s) unless he refers the case to the President of the campus as provided for in Procedures for Appeal or Review.

**APPEALS**—A student may appeal the recommendation(s) of the Appeals Board to the President of the University only when the sanction involves separation from the University. When the President agrees to consider an appeal, he shall review the records of the board of original jurisdiction and of the Appeals Board and such written submissions and oral arguments as the President requests. The President shall make such disposition of the case as he deems appropriate.

**RIGHT TO APPEAL**

Students have the right to appeal a decision of the Student Judicial Board only when the original recommendation includes a sanction of Residence Hall Suspension or Dismissal, or University Suspension or Dismissal. The student shall be informed of the right to appeal when notified of the final adjudication. Appeal from a decision of either board shall be made to a University Appeals Board.

**PROCEDURES FOR APPEAL OR REVIEW**

All requests for appeals must be submitted to the Associate Dean of Students within two (2) days of receipt of the final hearing outcome. The Appeals Board shall not act on a request for an appeal until a period of five (5) days has elapsed from the date of the initial hearing. A student may request an appeal on one or more of the following grounds:

1. The student has been deprived of his or her rights as defined herein.
2. The facts appear to be insufficient to determine if the accused student is in violation of University policy or code.
3. The sanction(s) recommended by the initial hearing board was not justified by the nature of the offense.

In reviewing an appeal, the Appeals Board shall limit itself to consideration of the following questions:

1. Whether the rights affirmed by the Board of Trustees have been denied.
2. Whether the adjudicatory process of an initial hearing was conducted fairly and in conformity with properly prescribed procedures.
3. Whether the adjudication was supported by substantial evidence.
4. Whether the regulations involved were lawful and proper and whether they were properly applied in the particular case.
5. Whether the sanction or remedy imposed was in due proportion to the gravity and nature of the conduct.
After reviewing all material relevant to the appealed case, the Appeals Board may choose one of the following three options:

1. Recommend to the Dean of Students that:
   a.) The decision of the initial hearing board should be upheld, and the sanction should be implemented as recommended.
   b.) The decision of the initial hearing board should be upheld, but the severity of the sanction should be decreased.
   c.) The decision of the initial hearing board should be over-turned. Reasons must be given for this recommendation.

2. Recommend that the case be reheard by the initial hearing board. Reasons must be given for this recommendation.

3. Decide to hear the case by the Appeals Board. If this option is followed, the same format will be used as described in the Hearing Format. Recommendations will be forwarded to the Dean of Students. The Dean shall either implement the recommendation(s) or transmit the case and all case materials to the President for disposition. The Dean shall notify the student of the status of his or her case.

In reviewing any appeal, the Appeals Board may not recommend a sanction more severe than the sanction recommended by the initial board.

STUDENT CODE OF CONDUCT APPENDIX “A” REGARDING SEXUAL MISCONDUCT/ SEXUAL ASSAULT RESOURCES, INFORMATION AND PROCEDURES

The University of Pittsburgh at Bradford values the safety and health of all members of the Pitt-Bradford community and seeks to foster an environment in which its students and employees treat other persons with respect, civility, and dignity. Any behavior that involves sexual misconduct or harassment, relationship violence, or stalking of another person is prohibited. Sexual misconduct can be a violation of criminal law, Title IX, other laws, and this Code. Some federal, state, and other law definitions are provided at the end of this appendix.

The University has the authority to take disciplinary action for conduct occurring on campus and off campus when the conduct, among other things, effects the educational environment or threatens the safety of the University community. The University will provide a prompt, fair, and impartial investigation and resolution.

If you are the victim of sexual assault, dating or domestic violence and/or stalking, know that Pitt-Bradford has resources in place to provide immediate support and assistance, as well as to ensure your health and safety, whether or not you choose to pursue a complaint or report. If you do choose to file a report or complaint, there are several options available.

Remember: Sexual assault is never the victim’s fault. Reach out—get help.

GETTING HELP

What to do if you are assaulted

IMMEDIATELY AFTER AN INCIDENT

• **Physical Safety:** Your immediate safety is the top priority. As quickly as possible, find a safe place away from the perpetrator or any other potential danger. You are encouraged to seek immediate medical attention as soon as possible for your own physical health and to preserve all physical evidence. Bradford Regional Medical Center generally has a SANE nurse available (either on duty or on call). SANE nurses are registered nurses who have completed specialized education and clinical preparation in the medical forensic care of the patient who has experienced sexual assault or abuse. Also, be aware that all hospitals are required by law to report to the police any injury that is the result of a crime. This does not obligate you to file formal charge.

• **Preserving Physical Evidence:** In the aftermath of a sexual assault, although it may not be foremost on your mind, the preservation of evidence is strongly encouraged. Even if you do not think you want to pursue a criminal or civil proceeding, preserving evidence keeps your options open in case you change your mind. To preserve evidence, do not shower, douche, or change clothes or bedding before you seek medical attention. Also, if oral contact took place, do not brush teeth, smoke, or eat. Optimally, evidence collection should occur within 72 hours of the assault. There are medical facilities in Bradford that can assist you:
Bradford Regional Medical Center
Emergency Room
116 Interstate Parkway, 814-362-8274
Women’s Health Services: 814-362-8480
University of Pittsburgh at Bradford
Student Health Service (Monday-Friday, 8:30 am–5 pm)
226 Frame-Westerberg Commons, 814-362-5272

- **Contact the Police**: You are strongly encouraged to call the Pitt-Bradford Police Department (814-368-3211) or the McKean County Emergency Call Center, 911, which will relay this information to the appropriate policy authority and report the situation. The Police are trained and able to assist in obtaining other physical evidence, such as video surveillance.

- **Seek Confidential Crisis Counseling**

  Crisis counseling can provide you with immediate emotional support and help connect you to key resources and information.

  The **Office of Counseling Services**, 226 Frame-Westerberg Commons, can provide confidential assistance to victims of sexual assault/violence Monday-Friday, 8:30 am to 5:00 pm: 814-362-5272.

  In addition, there are two **24-hour crisis-response** lines available to assist victims of sexual assault/violence. Both provide crisis assistance as well as guidance for victims throughout the medical and/or legal process. Students who seek assistance from these organizations are not obligated to press charges against the assailant.

  **24-Hour Crisis-Response Lines**

  **Bradford YWCA - Victim's Resource Center**

  Bradford, PA  16701
  Victims’ Resource Center: 814-368-4235

  **The Guidance Center**

  Generally, off-campus counselors, advocates, and health care providers will maintain confidentiality and not share information with the University unless the victim requests the disclosure and signs a consent or waiver form. However, while these off-campus counselors and advocates may maintain a victim’s confidentiality vis-à-vis the University, they may have reporting or other obligations under state law. For example, Pennsylvania Law requires mandatory reporting to law enforcement in cases involving minors and certain crimes or imminent harm to self or others. There may also be a requirement to testify if subpoenaed in a criminal case.

Victims of sexual violence may also pursue action under a new Pennsylvania Law known as the “Protection from Sexual Violence or Intimidation (PSVI) Act”, which took effect July 1, 2015. This law allows victims of sexual violence or intimidation to petition the court for a civil remedy, known as a Sexual Violence Protection Order. If granted, this order requires the offender to stay away from the victim, regardless of whether the victim pursues legal action. PSVI is similar to the Protection from Abuse (PFA) Act, but does not have a relationship requirement. For more information, please refer to PA Statute 42 Pa. C.S. § 62A.

TITLE IX EXPLAINED
Title IX of the Education Amendments of 1972, a Federal law, was historically associated with actual or perceived gender-based disparities in athletic programs. However, it is a far broader law. Title IX actually covers all aspects of educational and academic-related programming and prohibits gender discrimination. Importantly, Title IX prohibits sexual misconduct which may affect the educational or campus environment. The law provides that: No person shall, on the basis of sex, be excluded from participation in, be denied the benefits of, or be subject to discrimination under any educational program or activity receiving Federal financial assistance.
Title IX prohibits gender-based discrimination in all University of Pittsburgh programs and activities, including, but not limited to, recruiting, admissions, financial aid, academic programs, student services, counseling, guidance, advising, grievance procedures, discipline, course/class assignments, grading, recreation, athletics, housing, meal services, and employment.

Some Examples of Unlawful Practices Under Title IX Include:

- Sexual Harassment – unwelcome sexual advances, requests for sexual favors and other verbal or physical conduct of a sexual nature.
- **Sexual Misconduct** – rape, sexual assault, sexual battery, sexual exploitation, sexual coercion, forcible fondling, and any other form of non-consensual sexual activity (including when an individual is not in a condition to give legal consent).

- **Stalking** – repeatedly following, harassing, threatening or intimidating another individual using such methods including, but not limited to, telephone, mail, electronic communication, and social media.

- **Domestic Violence** – in addition to physical abuse, also includes emotional, verbal and economic abuse.

- **Dating Violence** – in addition to physical abuse, also includes emotional, verbal and economic abuse.

- **Retaliation** – adverse academic, social, employment or other actions against anyone reporting a violation or participating in an investigation of any Title IX allegation.

In addition to being considered discriminatory, *sexual violence is criminal activity.*

### REPORTING AND CONFIDENTIALITY

The University encourages victims of sexual misconduct to talk to somebody about what happened and to seek the support they need to address their individual situations. Telling someone will also allow the University to respond appropriately.

You may have concerns about confidentiality, and you should know that different employees on campus have different abilities to maintain a victim’s confidentiality. If you are still unsure about confidentiality requirements after reviewing the following explanation, please contact the Title IX Coordinator.

#### The Different Types of Employees and Their Confidentiality Responsibilities

**A. Privileged and Confidential Resources**

- **Pastoral Counselors**
  Pastoral counselors are not required to report any information about an incident to the Title IX coordinator without a victim’s permission. Pitt-Bradford students desiring to speak with a pastor of their choice may get contact information from the Director of Community Engagement and the Wick Chapel (814-362-5272) or the Vice President and Dean of Student Affairs (814-362-7650).

- **Professional Counselors: University Counseling Center; Medical Staff, Counselors, and Advocates: Student Health Service**
  Both the Counseling Center and the Student Health Service may be required to report de-identifying information to the University of Pittsburgh at Bradford Police Department for Clery reporting purposes and to the Title IX Office. This de-identified report – which includes no information that would directly or indirectly identify the victim – will include the nature, date, time, and general location of an incident.

These reports help keep the Title IX Coordinator informed of the general extent and nature of sexual misconduct on and off campus so the coordinator can track patterns, evaluate the scope of the problem, and formulate appropriate campus-wide responses. Before filing any de-identified report, the Counseling Center and Student Health Service staff will take reasonable efforts to make sure that the report contains no personally identifying details.

In addition, a victim who speaks to a professional or non-professional counselor or advocate must understand that if they only want to share de-identified information, the University will unlikely be able to conduct an investigation into the particular incident or pursue disciplinary action against the alleged perpetrator. However, the victim who at first requests that only de-identified information be shared may later decide to file a complaint with the University or report the incident to local law enforcement, and thus have the incident fully investigated. The UCC and SHS counselors and other personnel will provide the victim with assistance if the victim wishes to do so.
Here is contact information for Counseling Center and Student Health Service, located in Room 226 of the Frame-Westerberg Commons, and which is open Monday-Friday, 8:30 am–5 pm: (814-362-5272). In addition, below is a listing of staff in these offices:

Ms. Alexandra Pezzimenti, RN, BSN, Part-time Nurse

Ms. Marcia Avey

B. Exceptions to Confidential Communications

While the Counseling Center and Student Health Center personnel may maintain a victim’s confidentiality as described above, they may have reporting or other obligations under state law. For example, Pennsylvania law requires mandatory reporting to law enforcement in cases involving minors and certain crimes.

If the University determines that the alleged perpetrator(s) pose(s) a serious and immediate threat to the University community, Campus Police may be called upon to issue a timely warning to the community. Any such warning should not include any information that identifies the victim.

There are other times where the University may override a request for confidentiality. These are detailed below in “Requesting Confidentiality”.

C. Reporting to “Responsible Employees” and Confidentiality

A “responsible employee” is a University employee who has the authority to redress sexual misconduct, who has the duty to report incidents of sexual misconduct or other student misconduct, or who a student could reasonably believe has this authority or duty. All employees of the University, with the exception of Counseling Services professional staff, and in some instances Student Health Services staff, are considered to be “responsible employees”.

When a victim tells a responsible employee about an incident of sexual misconduct, the University will investigate what happened and will work to resolve the matter promptly and equitably.

In order for the University to investigate, the responsible employee is required to report to the Title IX Liaison the victim’s information and the relevant details of any alleged sexual misconduct incident, including the names of the victim and the alleged perpetrator(s), any witnesses, and any other relevant facts, such as the date, time and specific location of the alleged incident. To the extent possible, information reported to a responsible employee will be shared only with those responsible for handling the University’s response to the report or interim measures. A responsible employee will not share identifying information with law enforcement without the victim’s consent or unless the victim has also reported the incident to law enforcement, except that the responsible employee will share non-identifiable information for Clery Act
reporting. In addition, if a health and safety or imminent threat exists, the responsible employee will notify Police and/or the University’s Department of Public Safety so that a timely warning may be issued to the community.

REQUESTING CONFIDENTIALITY FROM THE TITLE IX OFFICE
The Title IX Coordinator will evaluate requests for confidentiality:

Title IX Coordinator, University of Pittsburgh- Pittsburgh Campus
Phone: 412-648-7860; Fax: 412-648-7864
titleixcoordinator@pitt.edu

For Pitt-Bradford students desiring to speak with the Pitt-Bradford Title IX Liaison, please call 814-362-5121.

Once the Title IX Liaison receives notice of an incident, the victim may request that any disclosed information remain confidential and that no investigation into a particular incident be conducted or disciplinary action taken. The Title IX Coordinator will weigh this request against the University’s obligation to investigate all matters of sexual misconduct and to provide a safe, non-discriminatory environment for all students, including the victim.

If the University honors the request for confidentiality, a victim must understand that the University’s ability to meaningfully investigate the incident and pursue disciplinary action against the alleged perpetrator(s) may be limited.

Although rare, there are times when the University may deny a victim’s request for confidentiality in order to help protect the greater campus community and provide a safe, non-discriminatory environment for all students.

When weighing a victim’s request that no investigation or discipline be pursued, the Title IX Coordinator will consider a range of factors, including, but not limited to, the following:

- The increased risk that the alleged perpetrator will commit additional acts of sexual or other violence, such as:
  - whether there have been other sexual violence complaints about the same alleged perpetrator;
  - whether the alleged perpetrator has a history of arrests or records from a prior University indicating a history of violence;
  - whether the alleged perpetrator threatened further sexual violence or other violence against the victim or others;
  - whether the sexual violence was committed by multiple perpetrators;
- whether the sexual violence was perpetrated with a weapon;
- whether the victim is a minor;
- whether the University possesses other means to obtain relevant evidence of the sexual violence (e.g., security cameras or personnel, physical evidence);
- whether the victim’s report reveals a pattern of perpetration (e.g., via illicit use of drugs or alcohol) at a given location or by a particular group.
- Whether the perpetrator was a faculty member.

Depending on the totality of the circumstances, the presence of one or more of these factors could lead the University to investigate and, if appropriate, pursue disciplinary action. If none of these or similar factors are present, the University will likely respect the victim’s request.

If the University determines that it must investigate the incident, the University will inform the victim prior to starting an investigation and will, to the extent possible, only share information with people responsible for handling the University’s response.

The University will remain ever mindful of the victim’s well-being, and will take ongoing steps to protect the victim from retaliation or harm and work with the victim to create a safety plan. Retaliation against the victim, whether by students or University employees, will not be tolerated. The University will also:
• assist the victim in accessing other available victim advocacy, academic support, counseling, disability, health or mental health services, and legal assistance both on and off campus;
• provide other security and support, which could include issuing an interim or permanent no-contact order, helping arrange a change of living or working arrangements or course schedules (including for the alleged perpetrator pending the outcome of an investigation) or adjustments for assignments or tests; and
• inform the victim of the right to report a crime to campus or local law enforcement and provide the victim with assistance if the victim wishes to do so.

Because the University is under a continuing obligation to address the issue of sexual violence campus-wide, reports of sexual violence (including non-identifying reports) will also prompt the University to consider broader remedial action. Such action may include increased monitoring, supervision or security in locations where the reported sexual violence occurred; increased education and prevention efforts, including to targeted population groups; climate assessment and victimization surveys; and/or revision of University policies and practices.

Public awareness events such as “Take Back the Night,” the Clothesline Project, candlelight vigils, protests, “survivor speak outs” or other forums in which students disclose incidents of sexual misconduct, are not considered notice to the University of sexual misconduct for purposes of triggering its obligation to investigate any particular incident(s). Similarly, participation in a research study, or writing submitted for a class, are not considered notice to the University.

RESPONSE TO SEXUAL MISCONDUCT

Overview

As part of the University’s response to a report of sexual misconduct, and regardless of whether there has been a request for formal disciplinary or law enforcement action, the University may impose interim measures or offer accommodations to address issues that impact the complainant or respondent’s educational, living or work environments. These interim measures can often be put in place very quickly, prior to the resolution of any referral, investigation, or criminal proceeding.

Once imposed, the University will take necessary action to enforce the implemented measures. Anyone who becomes aware of, or has a concern about a student’s failure to follow any University-imposed interim measure or accommodation, should report this concern to the Judicial Affairs Officer at 814-362-5084 or binder@pitt.edu.

Interim Measures

Interim Suspension

In situations where the respondent may pose a threat to the safety of the complainant, other students, or the University community, or under other serious circumstances, the University’s VP & Dean of Student Affairs or his/her designee may impose an interim suspension from either the University or University-owned housing. This interim suspension will remain active until the matter is resolved. Imposition of an interim suspension is not the equivalent of a finding of responsibility.

Additional Interim Measures or Accommodations

To quickly address a situation, the University, where it determines it is appropriate, may impose a wide range of interim measures, or offer accommodations, to any reporting or accused student. Such measures or accommodations may include:
• Implementation of a “No Contact Order”
• Change in University-related class or work schedules or job assignments
• Change in University-owned housing
• Assistance from University staff in completing housing relocation
• Assistance in addressing off-campus living arrangements
• Restricting a student’s access to certain University facilities or activities pending resolution of a matter
• Providing an escort to facilitate safe movement between classes and activities
• Access to academic support services, such as, but not limited to, tutoring
• Rescheduling of exams and assignments
• Availability of alternative course completion options, including, but not limited to the opportunity to change class schedules by transferring course sections or withdrawing without penalty
• Voluntary leave of absence
• Interim suspension
• Any other remedy or accommodation necessary and appropriate to facilitate the reporting student’s or the accused student’s access to educational opportunities
• Assistance with contacting the appropriate police department
• Access to counseling services, including assistance in arranging an initial appointment, on and/or off-campus
• Access to and assistance with obtaining necessary medical services
• Access to and assistance with connecting to pastoral care and support through the Offices of Community Engagement & Wick Chapel and the Office of the VP & Dean of Student Affairs
• Assistance in contacting community resources
• Assistance in contacting legal resources
• Guidance and support with filing a report through the University’s disciplinary system, Title IX Office, and/or through the criminal justice process

The University will also consider additional interim measures appropriate to the situation at hand. When necessary, the University may make any “interim” measure permanent. The imposition of interim measures or accommodations does not affect the ability of the reporting student to pursue disciplinary action.

Filing a Report and Initiating an Investigation of Sexual Misconduct

There are several options available for you to report sexual misconduct. Survivors can choose one or more of these options. University officials will maintain as much confidentiality as possible by law in order to keep you and the campus community safe. Anonymous reporting of sexual assault is also possible when contacting any of the offices below. Keep in mind that anonymous reporting greatly limits the University’s ability to respond to and investigate an incident.

• You may file a criminal complaint with the Pitt-Bradford Campus Police (814-368-3211 or 10333 from a campus phone). In all instances, this will be reported to and initiate an investigation by the Title IX Liaison.
• If the alleged perpetrator is a Pitt-Bradford student, you may file a complaint for violation of the Student Code of Conduct through the University’s Office of Judicial Affairs (814-362-7630; 211 Frame-Westerberg Commons). In all instances, this will be reported to and initiate an investigation by the Title IX Liaison.
• You may file a complaint with the University’s Title IX Liaison. This office generally investigates complaints of sexual misconduct against faculty and staff, as well as students (814-362-5121).
• Although the University encourages victims to talk to someone, you may file an anonymous complaint by phone with the Pitt-Bradford Police (814-368-3211), Judicial Affairs (814-362-5084), or the Affirmative Action/Title IX Officer (814-362-5121). However, this option greatly limits the University’s ability to respond to and investigate the report.

The University’s Prohibition against Retaliation

Retaliation against anyone involved in the investigation of alleged incidents of sexual misconduct, whether they are the referring individual, a witness, an investigator or anyone else, is prohibited. Retaliation is the act of taking adverse action against a complainant, a respondent, or any other person involved in the process based on the person's reporting or participation in the process. Retaliation includes behavior on the part of the respondent or the complainant and other related persons, including, but not limited to, acquaintances, friends, and family members. Although independent action
will be taken against anyone engaging in retaliation, the complainant and the respondent are responsible for discouraging such actions and will also be held responsible to the extent of their involvement in the retaliation.

Retaliation will constitute separate grounds for disciplinary action. An individual who believes that he/she has experienced retaliation should contact the Title IX Office, and the University will investigate the complaint. If the University determines that evidence exists to support that retaliation occurred, appropriate action will be taken regardless of the outcome of the underlying sexual misconduct complaint. This may involve referral of the retaliation concerns to another University process for resolution.

_All sexual misconduct complaints are considered to be high level incidents, in which the accused student, if found to be guilty based upon preponderance of evidence, may face a sanction of Disciplinary Suspension or Dismissal from the University._

**THE UNIVERSITY’S RESPONSE TO A REPORT OF SEXUAL MISCONDUCT**

A. Informal Resolution

The Informal Resolution process is a voluntary process, available to Complainants, which attempts to reach a resolution without a formal Title IX investigation and a specific finding of a Policy or Code violation. This can include the application of Interim Measures, as referenced above. Under the Informal Resolution process no disciplinary action is taken. Under this process, the Title IX Liaison will review the facts and circumstances of the situation with the Complainant and based on the severity of the alleged incident make a determination if the Information Resolution process is an appropriate response. In this process the Title IX Liaison will reach out separately to the parties involved and review the allegations presented and develop an action plan to address the conduct.

A Complainant may choose to start with the Informal Resolution process in an attempt to resolve the issue and then choose to move to the Formal Complaint process if needed or desired. A written record of any measures, meetings or communications from this Informal Resolution process will be kept on file in the Title IX Office. Once an incident has been resolved through the Informal Process the matter is closed. A violation of the action plan may trigger the Formal Complaint process or disciplinary action under the Code. The Title IX Office will make every attempt to complete the informal resolution process within the 60 day timeline.

B. Formal Complaint Processes and University-Initiated Investigations

The Formal Complaint process is initiated when the Complainant provides a signed statement that includes a brief description of the alleged incident and to the extent known, the Respondent’s name(s) and the date, time and location of the incident (hereinafter “Complaint”). The Formal Complaint process may also be initiated by the University under appropriate circumstances and consistent with the University’s obligations under Title IX. The Formal Complaint process involves a prompt, and equitable investigation conducted by a Title IX Liaison or their properly trained designee (University Investigator). The investigation is a fact finding process, giving all parties notice and the opportunity to be heard and identify witnesses and evidence. Interim measures may be applied at any time throughout the Formal Complaint process.

The Formal Complaint process will generally progress as follows:

1. Once the Complaint is received or the University otherwise initiates the Formal Compliant process, the Title IX Liaison will interview the Complainant. Following the completion of his or her interview with the Complainant, the Title IX Liaison will notify the Title IX Coordinator in writing as to whether or not the allegations set forth in the Complaint, if substantiated, would constitute a violation of the University’s Sexual Misconduct Policy. If the Title IX Liaison’s notification indicates that such allegations, if substantiated, would not constitute a violation of University’s Sexual Misconduct Policy, the Title IX Coordinator, may dismiss the Complaint, and that decision shall be final, barring new information. The Title IX Liaison shall provide the Complainant and Respondent(s) with written notice of such dismissal.
2. In the event that the Title IX Liaison’s notification indicates that the allegations set forth in the Complaint, if substantiated, would constitute a violation of University policy, or if Title IX Coordinator determines that the matter should be investigated, the Title IX Liaison will conduct a fact-finding investigation, including, as appropriate:

a. The Respondent will be provided with written notification that a Formal Complaint has been submitted and the Respondent will be provided with an opportunity to review the Complaint at the University’s Title IX Office.

b. The Title IX Liaison will meet separately with the Complainant and the Respondent(s).

c. The Title IX Liaison will Interview relevant witnesses and review relevant physical, documentary or other evidence.

3. The Title IX Liaison may consider relevant information, including evidence of pattern and the credibility of the parties and witnesses. Both parties will be provided the opportunity to provide information and names of witnesses to the Title IX Liaison, who will not apply rules of evidence followed in court proceedings and will not entertain legal motions. Legal rules pertaining to the wording of questions, hear say, and opinions will not be formally applied. Reasonable rules of relevancy will guide the Title IX Liaison in deciding on the admissibility of evidence and witness statements. Reasonable limits may be imposed on the number of factual witnesses and the amount of cumulative evidence that may be considered.

4. After the Complainant(s) or Respondent(s) have been interviewed, each will be provided with an opportunity to review a written summary of his or her own interview. The Complainant and Respondent will then have five (5) business days from the date of the summary is made available to review his or her own interview summary and provide any comments or new evidence to the Investigator. Comments will be reviewed and retained in investigative file, but not necessarily result in a change to the summary.

5. After the Title IX Liaison concludes gathering and evaluating evidence, including witness interviews, an investigation summary will be prepared. At this time, the Complainant and Respondent will have an opportunity to review, in the Title IX Office, the investigative summary. Any witnesses will be de-identified in this summary, under compliance with FERPA. The investigative summary will include the relevant information provided by the Complainant, Respondent, and any witnesses, as well as other evidence gathered during the investigation which will be considered in making a determination regarding the alleged Policy or Code violation. The Complainant and Respondent must submit any comments (including additional statements, proposed witness questions and additional evidence) concerning the summary to the Title IX Liaison within five (5) business days of the date that the investigative summary was first made available for review. This portion of the investigation may be an iterative process.

6. Following the receipt of any comments on the investigative summary, or after the five (5)-day period has lapsed without comment, the Title IX Liaison will prepare a final written report that includes the investigative summary and a determination of whether a violation of any University policy or the Code has occurred and a recommendation of the sanctions to be imposed, if any. The final written report will include the basis upon which the Title IX Liaison reached his or her determination of responsibility. This determination will be made using the preponderance of the evidence standard, or that it is more likely than not that sex discrimination occurred.

7. The final report will be provided first to the Title IX Coordinator for review and input. Upon review for compliance with Title IX, the report is forwarded to the VP & Dean of Students and the Associate Dean of Students/Conduct Officer for approval of any recommended sanctions. As the University’s ultimate student conduct officer, the Dean of Students has the discretion to alter sanctions. Once the Dean decides, both the Complainant and Respondent will receive simultaneous written notification of the completion of the Formal Complaint process, by the Title IX office or the Dean of Students, as appropriate. At this time a copy of the final report will be available, in the Title IX Office, for review and inspection.

8. Both the Complainant and the Respondent may submit an appeal within five (5) working days from the date of the decision letter. See below for the process for appeal.
In general, the Title IX Office will try to conclude an investigation within sixty (60) calendar days.

C. Advisor or Support Person

Both a Complainant and a Respondent are entitled to one advisor or support person of their choice, and the advisor or support person may accompany the party to any meeting or proceeding under these processes. An advisor or support person may not stand in place of either the Complainant or the Respondent or otherwise participate directly in the Informal or the Formal resolution process.

In keeping with the University’s desire to resolve sexual misconduct complaints in a timely manner, the University reserves the right to proceed with any meeting regardless of the availability of the student’s advisor or support person.

D. SANCTIONS

Students should refer to the section above for an outline of potential sanctions.

E. FILING WITH EXTERNAL AGENCIES

Any person may file a complaint with the U.S. Equal Employment Opportunity Commission or the U.S. Department of Education’s Office for Civil Rights. Inquiries may also be directed to the Office for Civil Rights of the U.S. Department of Education at (800) 421-3481 or by email at OCR@ed.gov.

Sanctions Available

Sanctions may range from disciplinary reprimand to interim suspension to disciplinary dismissal. A student’s housing status may also be impacted. Sanctions also may include persona non grata status for some or all campus locations. Other appropriate measures may be taken that support the University’s commitment to address, prevent, and end the effects of sexual assault, relationship violence, and stalking.

If the victim pursues legal action in the public court system, an accused student could face criminal penalties as well.

Appeals

In matters involving sexual misconduct, both parties may appeal any decision made throughout the discipline process. The accused student may do so only when the original sanction involves Suspension or Dismissal from the University. Appeals shall be made to the Associate Dean of Student Affairs, for referral the University Appeals Board, within five (5) working days of the date of the decision letter.

Miscellaneous

Take Back the Night and other public awareness events

Public awareness events such as “Take Back the Night,” candlelight vigils, protests, “survivor speak outs” or other forums in which students disclose incidents of sexual violence are not considered notice to the University of sexual violence for purposes of triggering its obligation to investigate any particular incidents(s).

FREQUENTLY ASKED QUESTIONS:

Q: Does contacting the police mean I have to press charges?
A: No. You do not have to press charges if you call the police. However, if the sexual assault occurred on campus, Pitt-Bradford police will initiate an investigation. In addition, the Title IX Liaison will be notified.

Q: If I report a sexual assault, will my name become public? What happens to the information?
A: Campus Police will file an anonymous record of any on-campus assault among Pitt-Bradford’s crime statistics in order to give an accurate representation of crime on campus and to help prevent further crimes of this nature. In addition, the
Title IX Liaison will be notified. In general, campus and local/regional newspapers and other media outlets do not reveal names of victims of sexual assault.

Q: Do I have to get medical attention?
A: Although you are not required to seek medical care, it is highly encouraged. Taking care of your physical and medical state is an important role in the healing process. You may have internal or external injuries as a result of an assault that require medical care. Additionally, you may want to explore options for preventing sexually transmitted diseases (STDs) and/or pregnancy. The Student Health Service has staff that can confidentially assess pregnancy risk; test and treat for STDs; and assess, treat, and/or offer/give referrals for physical injuries.

Q: If I am underage and was drinking and feel I am the victim of sexual assault, will I face Disciplinary Action?
A: The University will take no action against a victim of sexual assault if they are underage and are drinking or under the influence of alcohol at the time of the alleged assault.

PREVENTION

Education and Training Programs

Pitt-Bradford has implemented a comprehensive array of educational programs aimed at preventing sexual assaults and harassment, relationship violence, and stalking that include but are not limited to the following:

• New and Transfer Students: New freshmen and transfer students attend a summer orientation program, in which they are introduced to Campus Clarity, and at which time Student Affairs staff go over many of the details related to sexual misconduct and sexual assault.

• New and Transfer Students: Incoming students are required to complete Haven, an online course on sexual misconduct and harassment, and attend Bystander Intervention, a program in which sexual misconduct and its relation to alcohol use are addressed in a direct manner.

• New Freshman Students: All new freshmen attend the fall Movin’ On orientation program. As part of this, there is a program entitled “Don’t Be Sorry, Know the Risk: Making Memories, Not Mistakes,” which educates students on the subject of sexual violence and misconduct.

• New Freshman Students: First-year students are required to enroll in Freshman Seminar, a 3-credit class made available in the fall term, and in the spring term for January admits. Sexual misconduct, alcohol awareness and bystander intervention are addressed in-depth in the Freshman Seminar program.

• Awareness Campaign: Campus-wide sexual assault and consent awareness campaigns, featuring videos and creative print advertising, are used throughout the year to educate students about these issues.

• University Police: Members of Pitt-Bradford’s police department are trained in responding to and investigating sex offenses, domestic violence, and stalking incidents. They provide special programs on sexual misconduct and other safety issues to students and student groups upon request.

DEFINITIONS OF SEXUAL MISCONDUCT

The following is a summary of important definitions related to sexual misconduct and relationship violence. Consent is an informed, affirmative decision made freely and actively by all parties to engage in mutually acceptable sexual activity. Consent is given by clear words or actions and may not be inferred from silence, passivity, or lack of resistance alone. Existence of a current or previous dating, marital, and/or sexual relationship is not sufficient to constitute consent to additional sexual activity. Consent to one type of sexual activity does not imply consent to other types of sexual activity.
Someone who is unconscious, asleep, or otherwise mentally or physically incapacitated, whether due to alcohol, drugs, or some other condition, cannot give consent. Consent cannot be obtained by force, intimidation, threat, coercion, isolation, or confinement. Agreement obtained under such conditions does not constitute consent. A person’s use of alcohol and/or other drugs does not eliminate his or her responsibility to obtain consent.

**Relationship Violence** refers to domestic and dating violence.

**Sexual Assault** is a term that encompasses rape, forcible fondling, incest, and statutory rape. In Pennsylvania, sexual assault also is a separate statute defined as sexual intercourse or deviate sexual intercourse without the complainant’s consent.

**Stalking** means engaging in acts toward another person that places the person in reasonable fear of bodily injury or cause emotional distress.

**FEDERAL CRIMINAL DEFINITIONS**

**Dating Violence:**

The term “dating violence” means violence committed by a person:

A. who is or has been in a social relationship of a romantic or intimate nature with the victim; and

B. where the existence of such a relationship shall be determined based on a consideration of the following factors:

i. the length of the relationship

ii. the type of relationship

iii. the frequency of interaction between the persons involved in the relationship

**Domestic Violence:**

The term “domestic violence” includes felony or misdemeanor crimes of violence committed by a current or former spouse of the victim, by a person with whom the victim shares a child in common, by a person who is cohabitating with or has cohabitated with the victim as a spouse, by a person similarly situated to a spouse of the victim under the domestic or family violence laws of the jurisdiction received grant monies, or by any other person against an adult or youth victim who is protected from that person’s acts under the domestic or family violence laws of the jurisdiction.

**Stalking:**

Stalking means engaging in a course of conduct directed at a specific person that would cause a reasonable person to fear for his or her safety or the safety of others or suffer substantial emotional distress.

**Pennsylvania Criminal Definitions:**

**Rape:** 18 Pa.C.S.A. § 3121

(a) **Offense defined.**—A person commits a felony of the first degree when the person engages in sexual intercourse with a complainant:

(1) By forcible compulsion.

of preventing resistance.

(5) Who suffers from a mental disability which renders the complainant incapable of consent.

(b) Additional penalties.--In addition to the penalty provided for by subsection (a), a person may be sentenced to an additional term not to exceed ten years’ confinement and an additional amount not to exceed $100,000 where the person engages in sexual intercourse with a complainant and has substantially impaired the complainant’s power to appraise or control his or her conduct by administering or employing, without the knowledge of the complainant, any substance for the purpose of preventing resistance through the inducement of euphoria, memory loss and any other effect of this substance.

b. **Forcible Fondling:** The touching of the private body parts of another person for the purpose of sexual gratification, forcibly and/or against that person’s will; or not forcibly or against the person’s will where the victim is incapable of giving consent because of his/her youth or because of his/her temporary or permanent mental incapacity.

Hazing at the University of Pittsburgh at Bradford is strictly prohibited, and is a violation of the University’s Anti-Hazing Policy and Student Code of Conduct. Hazing may also be considered a criminal act in the Commonwealth of Pennsylvania. Throughout the academic year, anti-hazing programming is conducted for members of the campus community. Those efforts are designed to educate community members about what hazing is, the potential consequences of engaging in hazing and how to report incidents of suspected hazing.

Hazing is defined as follows:

Any action or situation which recklessly or intentionally endangers the mental or physical health or safety of a student or which willfully destroys or removes public or private property for the purpose of initiation or admission into or affiliation with, or as a condition for continued membership in, any organization operating under the sanction of or recognized as an organization by the University.

The term shall include but not be limited to, any brutality of a physical nature, such as whipping, beating, branding, forced calisthenics, exposure to the elements, forced consumption of food, liquor, drug or other substance, or any other forced physical activity which could adversely affect the physical health and safety of the individual, and shall include any activity which would subject the individual to extreme mental stress, such as sleep deprivation, forced exclusion from social contact, forced conduct which could result in extreme embarrassment, or any other forced activity which could adversely affect the mental health or dignity of the individual, or any willful destruction or removal of public or private property.

For purposes of this definition, any activity as described in this definition upon which the initiation or admission into or affiliation with or continued membership in an organization is directly or indirectly conditioned shall be presumed to be “forced” activity, the willingness of an individual to participate in such activity notwithstanding. Therefore, any student who causes or participates in hazing may be subject to appropriate University discipline and/or may be subject to criminal prosecution. Any organization engaging in hazing, as determined by the Office of Student Affairs, is subject to sanctions, including probation, suspension, or permanent dissolution of the organization. Organizations, unlike students, have no right to due process under the Student Code of Conduct.

Students and others are encouraged to report incidents, and suspected incidents of hazing. Reports may be made to Campus Police (814-362-7506 between 8 am & 5 pm; or 814-368-3211 at all other times), or to the Associate Dean of Student Affairs and Student Conduct Officer (814-362-5084). Hazing related to any University of Pittsburgh at Bradford athletic teams may be reported to the Director of Athletics and Recreational Sports (814-362-5093).

APPENDIX “C”: MEDICAL AMNESTY PROTOCOL

The University of Pittsburgh at Bradford’s primary concern is for the health, safety, and well-being of students. Failure to summon, or limiting the ability of someone else to summon, emergency assistance for a student experiencing an emergency due to alcohol or drug use, may result in University and/or criminal charges. As a result, all students are expected to seek immediate assistance for themselves or others in situations where someone is experiencing an emergency due to alcohol or other drug use.

In situations where a student or student organization follows the Medical Amnesty procedure below, the University of Pittsburgh at Bradford will treat the situation as a health and safety matter; meaning neither the student(s) calling, nor the student(s) experiencing an alcohol or other drug emergency will be charged with violating any University of Pittsburgh alcohol and other drugs policy. In situations where a non-student calls on behalf of a student, or a student calls on behalf of a non-student, Medical Amnesty will also apply.
Medical Amnesty Procedure

In order for Medical Amnesty to apply, the calling student(s) and/or Student Organization must complete the following steps:

1. Contact emergency officials by calling 814.368.3211 or 911. Identify yourself, and report the incident.
2. Remain with the individual(s) needing assistance until emergency officials arrive.
3. Cooperate with emergency officials as requested.

After complying with these steps both the calling and/or Student Organization and the student(s) who experienced the medical emergency, must:

1. Meet with University officials following the emergency and complete any assigned educational programs and/or counseling interventions. Failure to complete any assigned programs or interventions will negate the application of Medical Amnesty and will initiate the conduct process.
2. Pay all fees related to any assigned program or intervention.

When Medical Amnesty is applied, the alcohol or drug policy violation will be documented, but will not become part of the student’s and/or student organization’s conduct record.

While the main goal of this protocol is to encourage students to make healthy decisions and to seek medical attention when they or one of their peers are in distress, repeated requests for Medical Amnesty will be addressed on a case-by-case basis.

Medical Amnesty does not prevent disciplinary action for other violations of the Code associated with alcohol and other drug emergencies, including but not limited to Sexual Misconduct, physical assault, hazing, property damage, use of a fake ID, distribution of alcohol or other drugs, etc.

While this protocol does not prevent criminal action by police or civil action by third parties, Commonwealth of Pennsylvania drug and alcohol Good Samaritan and Response Immunity laws may be applicable.

UNIVERSITY OF PITTSBURGH AT BRADFORD
ADDITIONAL PITT-BRADFORD RULES, REGULATIONS AND POLICIES

The rights of students as members of the University community are set forth in the University of Pittsburgh Student Code of Conduct and Judicial Procedures. The purpose of this code is to delineate non-academic standards of conduct appropriate to the University in consonance with the educational goals of the University. Each student should become familiar with this code, which is published elsewhere in this handbook.

There are a number of additional specific rules and regulations which apply to students of the University of Pittsburgh at Bradford, and for your own knowledge and protection, these rules are listed here. These are by no means exhaustive, but they are extremely important in that they assist in safeguarding members of the Pitt-Bradford community and/or in protecting University property. All students should become familiar with both these rules and also with the terms and conditions of their housing contracts if they are resident students. THE RELATIONSHIP BETWEEN THE UNIVERSITY AND ITS STUDENTS IS NON-CUSTODIAL IN NATURE, AND NO ‘SPECIAL RELATIONSHIP’ IS ESTABLISHED AS A RESULT OF AN INDIVIDUAL’S STUDENT STATUS.

ANIMALS
No animals (other than service animals) are permitted in any campus building. Emotional support animals are not service animals, and must be approved in advance by the Office of Disability Resources and Services. If approved, an emotional support animal is permitted only in the apartment of the student owning the animal. For other specific residence hall policies on pets, please see “Pets Policy” on page 86 of the Student Handbook.

SMOKING POLICY
Smoking is prohibited in all residence halls and University buildings. Smoking is also prohibited outdoors at those entrances to campus buildings that are designated with a plaque as “Non-Smoking Areas.” Smoking is permitted and receptacles are available at other outdoor building entrances. Students are responsible for any cigarette butts around the entrances of their specific residence hall. E-cigarettes and Hookahs are prohibited in the residence halls.

POSTING POLICY
The University of Pittsburgh at Bradford includes seven academic and student service buildings, as well as fifteen residence apartment buildings. Within these buildings, there is limited space for advertising or announcing programs, meetings, and all of the other activities that
need to be publicized at Pitt-Bradford; thus the following policy is intended to provide parameters and guidelines for the appropriate posting of all printed materials on campus.

1. Only students, faculty, and staff may post materials in campus facilities. External persons wishing to post items may do so only by permission of Conference Services or the Director of Student Activities/Commons.

2. Items posted by students or student organizations must contain the name of the individual or organization making the announcement.

3. Academic-related bulletin boards in Swarts Hall, Fisher Hall, Hanley Library, Blaisdell Hall, and the McDowell Sport and Fitness Center are under the jurisdiction of the various academic divisions and departments; students who utilize such bulletin boards must meet all the criteria listed within this policy and receive permission from the appropriate division or department.

4. No items are to be posted in the Hanley Library Lobby, or on the outside or inside windows or doors surrounding the lobby.

5. There will be no item posted by a non-affiliated group or individual which implies college affiliation. This applies to students, faculty, and staff who are working or volunteering with outside agencies, when such agencies wish to use this individual to advertise or announce a non-affiliated event. Exceptions to this may be granted only by the Special Events Coordinator or the Director of Student Activities/Commons.

6. No posters or signs are to be attached to any doors, windows, painted surfaces, or wood paneling in any building (with the exception of non-moveable glass panels that border doors). Items posted on any of these surfaces will be removed immediately.

7. No items are to be attached to lamp posts, the clock tower, exterior surfaces of buildings, or vehicles on campus. Also, in the interest of keeping our campus environment attractive, no items are to be posted on trees.

8. No person is to deface, remove, or conceal any portion of another sign or poster.

9. Posted materials may obtain no reference by word or image of alcoholic beverages or other controlled substances.

10. Items posted that are in poor taste will be removed. This includes signs containing obscenities, or signs which are in blatant violation of the University’s policy on equal opportunity/affirmative action.

11. Organizations/individuals are asked to remove outdated materials on a regular basis, in order to permit space for new materials.

12. Those wishing to post any flyers in the residence halls must first get permission from the Housing Office. Housing staff will post all flyers. Please submit flyers 10 days prior to the event, and include 32 copies. Flyers posted without permission will be removed immediately.

13. Additional policies for posting in the Frame-Westerberg Commons may be found under the Frame-Westerberg Commons section of the Student Handbook, or at the Commons Information Desk.

SEVERE WEATHER POLICY

Pitt-Bradford’s general severe weather policy is to remain open in all but the most extreme circumstances. Individuals must make their own decision whether or not to come to class or report for work. In the past, faculty have been understanding when students miss class because of severe weather. It is the student’s responsibility, however, to notify a faculty member within one week of a weather-related absence so it can be noted as such. All university faculty, staff, and students are urged to use their own discretion in deciding whether they can safely commute to class or to work. Public announcements will be communicated to area radio and television stations for broadcast and will be posted on the University’s Web site at www.upb.pitt.edu regarding any official closures or delays no later than 6:15 A.M. If severe weather commences later in the day, public announcements of class cancellations or campus closure will be made as quickly as possible. Also, in those rare instances when all classes are canceled, the emergency alert system will be used.

PANTHER MONUMENT

The bronze Panther monument situated outside the main entrance of the Frame-Westerberg Commons is a unique and expensive piece of art, paid for in large part by contributions from the Student Government Association over a five-year period (2009 to 2013). No person is permitted
to climb onto the Panther monument under any circumstances for reasons of 1) personal safety, and 2) to protect the bronze casting and finish, which will assure that the Panther not be damaged so it can be enjoyed by current and future generations for many years to come..

**PROHIBITED OR REGULATED ACTIVITIES**

**DRONES (UNMANNED AERIAL DEVICES)**  
The University of Pittsburgh at Bradford prohibits any individual from operating or using unmanned aerial devices (commonly called drones) on any part of campus (including the Kessel Athletic Complex and all recreation fields) or inside University-owned buildings. Students seeking exceptions for the use of such devices for academic reasons must first receive permission from the Vice President and Dean of Academic Affairs. Students seeking exceptions for the use of such devices for any other reason must first receive permission from the Vice President and Dean of Student Affairs.

**GOLFING**  
Golfing is prohibited on University property due to the potential safety hazard to others, as well as the potential damage to buildings and grounds.

**ROLLERBLADING, ROLLER SKATING, SKATEBOARDING**  
These activities are prohibited in all University buildings and on tennis courts. However, rollerblading, roller skating, and skateboarding are permitted on sidewalks, driveways, parking lots, and roadways as long as such activities do not interfere with pedestrian and/or vehicular traffic.

**RESIDENTIAL LIFE AND HOUSING**  
The University of Pittsburgh at Bradford considers it a privilege and not a right to reside in University housing. Any full-time student is eligible for University housing. Freshmen and sophomores whose permanent homes are not within commutable distance (as defined by the University) are required to live on campus unless they are residing in the local area with members of their family. Although juniors and seniors are encouraged to remain on campus, they have the option to move off campus by finding alternate housing. The University guarantees on-campus housing for up to eight (8) fall and spring terms. Housing for a ninth term (for fifth year students or beyond) cannot be guaranteed, and will be assigned on a “space-available basis” only. Those living on campus and those visiting in University residence halls should note that there are several important rules that apply:

**ALCOHOLIC BEVERAGES POLICY**

**SECTION ONE:** In accordance with the laws of the Commonwealth of Pennsylvania, persons under the age of 21 are prohibited from possessing or consuming alcoholic beverages. Violators of any section of this policy will be subject to University judicial sanctions and criminal prosecution in accordance with Pennsylvania law.

**SECTION TWO:** Resident students who are 21 and older may possess the following alcoholic beverages for their personal consumption, and may not exceed the following limits (all other forms of alcohol are prohibited):

a. Twelve 12-ounce cans or twelve 12-ounce bottles of beer; or
b. Six 12-ounce bottles of wine coolers or malt beverages (e.g., Mike's Hard Lemonade, Smirnoff Ice, etc.); or
c. One 750 ml (0.75 liter) bottle of distilled spirits; or
d. One 750 ml (0.75 liter) bottle of wine.

**SECTION THREE:** In accordance with the residence hall confiscation policy, alcoholic beverage containers will be confiscated if their possession constitutes a violation of University policy. These items become University property and will not be returned. Alcoholic beverage containers cannot be used as decorations or for any other purpose whatsoever within University housing.

**SECTION FOUR:** Drinking games, beer funnels, and beer/water pong tables are not permitted. Any device or game used to promote mass consumption of alcohol will be confiscated. In addition, the possession or storage of empty beer kegs, taps, other related accessories and other bulk dispensers is prohibited and these items will likewise be confiscated. If furniture or doors are used for drinking games the University will charge a minimum damage fee of $50.

**SECTION FIVE:** Commuting students and campus visitors may not possess or consume alcoholic beverages on campus regardless of age. Majority age (21 years of age or older) non-residents in possession of alcohol in unopened containers will be asked to leave the campus. Open containers will be confiscated by University police or other authorized University officials.

**SECTION SIX:** Student organizations are not permitted to purchase or provide/furnish alcohol in any manner whatsoever at any event, even if just to members of the organization.

**SECTION SEVEN:** Bars (as defined by the Student Affairs Office) are prohibited on campus.

**DRUGS AND OTHER CONTROLLED SUBSTANCES POLICY**

On-campus possession, distribution, sale or use of any other controlled substances or drug paraphernalia (as defined in Pennsylvania Title 35, Health and Safety Act) is prohibited. Students who, on the basis of campus records, are found to be selling these substances may be required to vacate University housing, and are also subject to permanent disciplinary dismissal from the University. Students must keep prescriptive medications in a medical container with the student’s name on it in a secure place in their bedrooms (not in the bathrooms).

**Drug-Free Workplace/Drug-Free Schools Policy**  
The University of Pittsburgh at Bradford prohibits unlawful manufacture, distribution, dispensation, possession, or use of a controlled substance on University property or as part of any University activity. Faculty, staff, and students of the University must also comply with the laws of the Commonwealth of Pennsylvania on the possession and consumption of alcohol.
Violation of this policy will result in disciplinary action, including, but not limited to, a written reprimand, suspension, dismissal, expulsion, and/or mandatory participation and successful completion of a drug abuse assistance or rehabilitation program approved by an appropriate health or law enforcement agency.

Any University employee paid from federally funded grants or contracts, or any student participating in any federally funded or Guaranteed Student Loan Program, must notify the University of any criminal drug statute conviction for a violation occurring at the University or while engaged in University activities.

Drug and alcohol counseling and treatment programs are available in the Bradford area. Please check with the Office of Student Affairs, Counseling Services, or Student Health Services for additional details.

APARTMENT HEALTH & SAFETY INSPECTIONS

Twice each term an announced apartment inspection will be conducted by University staff. Unannounced inspections may take place at any time as deemed necessary to ensure that condition/safety/health standards of the University are being followed. Students are expected to clean their apartments, remove all garbage and restore furniture to its proper location. Students will be billed for any missing furniture, damaged property, or cleaning charges. Any illegal items (i.e., candles, toasters, toaster ovens, alcohol over the limit or alcohol for those under 21, drinking game items, etc.) will be confiscated. Students may retrieve these items when they leave campus at the end of the academic year.

APARTMENT LIGHTING

The University provides each apartment with replacement light bulbs. Students may use colored light bulbs on personal lighting fixtures, but University lighting fixtures in the living room and hallways of each apartment must be equipped with standard 13 watt fluorescent light bulbs. If an emergency evacuation of campus housing is necessary, it is important for public safety personnel to have adequate lighting. Due to the risk of accidental fire, halogen lamps are prohibited in the residence halls.

APPLIANCES, EXTENSION CORDS, SPACE HEATERS, AND HOT PLATES

Due to the risk of accidental fire, the possession or use of electrical hot plates, grills, personal grills, toasters, and toaster ovens is prohibited in the apartments. Microwave ovens are permitted only for use in the kitchen area if they are kept clean and properly maintained. Refrigerators must be kept clean and may be no larger than 2 cubic feet. Electrical appliances used or stored in the apartments must be approved and in good working order. Furthermore, only 3-pronged, grounded extension cords with surge protectors may be used. Hazardous appliances (with exposed wires, frayed cords) will be confiscated by University staff members. Space heaters (electrical or liquid fuel) and air conditioners are not permitted in University apartments.

CHECKING OUT OF APARTMENTS

Students must check out of their apartments within 24 hours after their last final exam unless they have been granted an exception, in writing, by the Director of Housing. Students vacating their apartments permanently at the end of the Fall Term and all resident students at the end of the Spring Term must accomplish the following before leaving campus:

1. Make sure that the apartment is in good physical condition and clean.
2. Arrange with the Resident Advisor a mutually agreeable time for a preliminary apartment inspection. You should bring any damages to the attention of your R.A. at this time. After all apartments have been vacated, University personnel will make the final inspection. Any damages found during this time will be assessed to the residents of the apartment in which the damages are found. Cleaning charges of $125 minimum will be made to students of those apartments who leave campus with their rooms in a state of disorder and/or uncleanliness.
3. After the inspection all room keys are to be returned to the Residential Life and Housing Office. Failure to return a room key within 24 hours of check-out results in a $50 per key assessment.
4. Personal property left in the residence halls after completion of check-out becomes the property of the University. Residents will be billed for removal.
5. Students who do not check out by the published check-out time may be fined $25 per hour, unless prior approval is given by the Director of Housing.

CLOSING FOR THE HOLIDAYS

The residence halls will be closed over Thanksgiving, December holidays, and Spring breaks. If a student for valid reason is unable to leave campus over Thanksgiving, he or she may obtain special permission to stay in University housing by contacting the Director of Housing. All students, however, are required to vacate University housing over December holidays vacation and Spring recess. Due to reasons of safety and security, a person found in University housing during a vacation period without authorized permission will be subject to University disciplinary action and/or criminal prosecution.

CONDITION OF APARTMENTS

Each student is responsible for the cleanliness and general condition of his or her apartment and the adjacent or surrounding areas. It is urged that these areas be kept in reasonable order at all times. If a Resident Advisor has spoken to members of an apartment about an excessive mess and/or garbage in or around the apartment, the students of that particular apartment must take the responsibility to clean the area. If this is not done, the residents can expect to receive a bill for the cost of University cleaning. University property should be respected at all times and any damages beyond normal wear are the responsibility of the residents of a given apartment. Because the University considers it a privilege and
not a right to reside in campus housing, those students who, on the basis of campus records, participate in or are responsible for excessive and/or malicious damage to University property may be required to immediately vacate campus housing. Students are always responsible for the condition of their own apartments (and stoops if in the townhouses), and each student of a particular apartment will be charged a pro-rated share of the cost of whatever damage may occur. In all cases the University assessment is conclusive. If the residents of a particular apartment believe that they are not responsible for the damage, they should see their R.A. concerning who is responsible. An invoice for the entire amount of damages will be sent to the party ascertained to be responsible. Failure to pay this amount to the Office of Student Accounts may result in withholding of grades and transcripts and denial of registering for further courses. Students are not permitted to repair damaged University property (including furniture) without prior consent from the Housing Office. Students who attempt to repair holes in the walls or doors of the apartments may actually cause additional damage and may increase the damage assessment.

CONFISCATION POLICY
If stolen property or contraband is found in a student’s possession (usually, but not always, during the course of an apartment inspection), it will be removed by University personnel immediately. When a student is found to be possessing either alcoholic beverages (in violation of University policy/Commonwealth law) or drug paraphernalia, the item(s) will be confiscated immediately and will become the property of the University. The student or students involved will be subject to University disciplinary action and/or criminal prosecution.

COURTESY HOURS
In addition to quiet hours, 24-hour courtesy hours are implemented to protect one’s right to quiet. Any and all requests for quiet should be respected at any time out of consideration for widely varying study times. Students possessing potentially loud stereophonic sound equipment are especially asked to respect their roommates’ and their neighbors’ right to quiet. Students who do not comply with this may be required to remove their sound equipment from the residence halls.

ELIGIBILITY FOR LIVING ON CAMPUS
Students must be enrolled on a full-time basis to live on campus during the fall or spring terms. In addition, a student must attain the age of 17 during the first year of study in order to qualify for on-campus housing. Students 24 years of age or older will be able to live on campus pending availability of housing only, but they will not be assigned to live with freshmen of traditional age.

ENTERING APARTMENTS
The University reserves the right for authorized representatives to enter the premises for housekeeping purposes, for damage inspections, for the establishment of order, for repairs or maintenance, to determine occupancy and vacancies, and in emergency situations to ensure both the safety and well-being of members of the University community and the good condition of University property. Apartments may also be entered when there is probable cause to believe that a violation of University policy has taken or is taking place.

FIRE
Fires of any type are strictly prohibited on the Pitt-Bradford campus for safety reasons. There are grills installed near most of the residence halls for students to use on a first-come, first-served basis. Students may only build barbecue fires in these grills. Charcoal and lighter fluid are prohibited inside the residence halls.

FIRE ALARM / SPRINKLER SYSTEMS
Each of the residence apartment units is equipped with a central fire alarm system. In addition, Baldwin House, Cather House, Dorn House, Faulkner House, Fesennmyer House, Fitzgerald House, and Reed-Coit House have sprinklers installed in each room. If an alarm sounds, evacuate your apartment immediately. Abuse of fire safety equipment, setting off false alarms, covering smoke detectors, or intentionally activating a sprinkler system will result in appropriate University and criminal sanctions, as well as fines.

FIRE DRILL POLICY
Approximately twice each term the Resident Advisor, in conjunction with the Campus Police office, will conduct fire drills in the residence halls. All resident students are required to immediately evacuate their apartments and assemble in their designated areas during a fire drill. Students are not permitted to enter their apartments until the drill is complete.

FIRE EXTINGUISHERS & FIRE EQUIPMENT
Fire extinguishers are placed in each apartment for students’ protection. These extinguishers may be used only in case of a fire. If the extinguishers have been discharged for reasons other than those specified, or tampered with for any reason, students will be billed $100 for recharging, and may also be subject to additional penalty fines and/or disciplinary action. All rooms have working smoke detectors. If they are tampered with, removed, or are rendered inoperable due to covering, the minimum fine is $100.

FIREARMS AND WEAPONS / PRIVILEGE OF STORAGE
Possession of firearms and/or weapons in University housing or on University premises is strictly prohibited. Included in the definition of firearms and weapons is ammunition, bows and arrows, pellet/bb guns, paint ball guns, Tasers, knives, sling shots, num-chucks and any item described as being an “offensive weapon” under the Pennsylvania Crimes Code.
Due to the popularity of hunting in Bradford area, various club activities, and other lawful purposes, arrangements have been made within Campus Police for storage of firearms/weapons in the Campus Police Office. Any student desiring this service can make appropriate arrangements by contacting Campus Police. (Note: The storage of firearms/weapons with Campus Police is a service and a privilege. Failure to return them to Campus Police immediately upon return to campus will result in revocation of this privilege and additional sanctions through the University Student Judicial System.) In addition, game animals killed while on hunting trips may not be brought to campus and dressed/processed. All cleaning and dressing must be done off campus.

Possession of a firearm or weapon in the University residence halls or firing a firearm or weapon or igniting dangerous explosives on campus will result in the following:
1. Charges will be filed through the University Student Judicial System.
2. Criminal charges will be filed through the Campus Police with local District Judge (magistrate).
3. An interim suspension of student status, pending a hearing, may be invoked.

**Procedure for Storage**
1. Student must provide a state police background clearance form;
2. Student agrees that the weapon will be removed from campus immediately upon check-out and returned promptly upon student’s return to campus;
3. At all times on campus the weapon shall remain unloaded and locked with an appropriate locking device. Ammunition shall be transported in a separate container;
4. A receipt shall be given to student;
5. A student will otherwise comply with all state and federal weapons laws;
6. Record of the storage will be destroyed when the student is no longer enrolled at the University.

**FIREWORKS**
The University forbids the use of firecrackers and fireworks. Possession and/or use will result in disciplinary sanctions.

**FURNITURE**
University furniture in each student apartment has been inventoried and may not be moved to another room or apartment except by authorized University employees. Students may bring extra furniture into their apartments only if it does not block corridors or exits. Furniture that presents a safety or fire hazard, as determined by the Director of Housing, will be removed at the expense of the residents. Couches, sofas, recliners, double beds, waterbeds, and lofts are not permitted in the apartments. Dismantling University furniture is prohibited. Costs for damages resulting from taking furniture apart will be billed to the student.

**GUEST POLICY**
Resident students are permitted to have no more than one (1) non-resident guest in their living quarters from 7:00 A.M. until 1:00 A.M. every day of the week. Non-students under the age of 18 are not permitted to visit the residence halls at any time, unless they are either members of a student’s immediate family or if prior permission has been granted by the Housing Office.

**Late Night or Overnight Guests**
Visitors (non-resident students) who enter and/or stay in the residence halls between 1:00 A.M. and 7:00 A.M. must obtain a guest pass from the Campus Police prior to their visit. Residents who host a resident or non-resident late night or overnight guest should obtain consent from their apartment mates. An overnight guest may stay no longer than three (3) consecutive nights or no longer than six total nights in any one calendar month. Resident students may not host a late night/overnight guest for more than three consecutive nights or more than six (6) nights in any one calendar month. Residents are permitted only one guest at a time. A resident who hosts a guest at is responsible for their guest’s conduct and/or any damages caused by the guest. Students who have been suspended or dismissed from the residence halls are not permitted to obtain guest passes. Guests may not possess or consume alcoholic beverages regardless of age. Guests are prohibited from bringing a pet to campus.

**HOLIDAY DECORATIONS**
Only artificial Christmas trees and decorations are permitted in the residence halls. Natural trees, pine boughs, etc., are not permitted because they are a fire hazard. Decorative lights with low watt mini-bulbs and a UL approved label are the only types of artificial lighting permitted. Use care not to overload the electrical outlets in the apartment.

**HOUSING RESERVATION FEE**
A $125 housing reservation fee is required of all resident students when registering for campus housing for Fall Term. It is suggested that this fee be paid prior to leaving school at the end of the Spring Term. Reservation fees are refundable prior to June 30 only. The student must request a refund in writing by addressing his/her letter to the Director of Housing.

**KEYS AND DOOR ACCESS**
All room keys (including Panther Card IDs) are the property of the University and cannot be exchanged, defaced, transferred, duplicated, loaned, borrowed, or sold to another person. Students will be assessed $50 per lock change if they lose a key or ID or fail to return the key to the Residential Life and Housing Office or the Campus Police Office within 24 hours of the designated check-out time. A student is not permitted to
compromise the security of the residence halls or any other university facility through acts such as propping doors open, tampering with locking mechanisms, or any other method or action. Any abuse of any campus security system will result in appropriate University and criminal sanctions, as well as fines.

**LOFT POLICY**
For safety reasons, lofts are not permitted in any of the residence halls. Also, it is against University policy to place a bed on furnishings of any type. Any loft or unsafe furniture placement will be removed by the Facilities Management staff at the student’s expense.

**MAINTENANCE REQUESTS**
Students needing to have necessary maintenance performed in their apartments should contact the Residential Life and Housing Office. For emergency maintenance during the night or weekend (such as a broken pipe or hot water tank that is leaking severely), students may contact Campus Police in the Campus Police Building.

**OPEN CONTAINER POLICY**
It is a violation of University policy to have open containers holding alcoholic beverages out of doors on campus or in academic buildings unless given prior permission by the President of the University for established events. Persons found to be in violation of this policy will be subject to appropriate disciplinary/criminal action. Furthermore, minors will be subject to citation for underage possession of alcoholic beverages.

**OPEN FLAME AND INCENSE POLICY**
Due to the danger of creating a fire hazard, it is a violation of University policy to use or store candles, oil lamps, incense, incense burners, hookahs, or any other type of “open flame” device in the residence halls. These devices will be confiscated by University officials.

**PERSONAL PROPERTY LIABILITY**
The University is not responsible and has no liability for damage to or loss of students’ personal property or failure or interruption of utilities to the unit/university. Students are urged to lock their apartment doors and windows at all times. It is also recommended that students whose personal property is not covered by their parents’ personal property insurance policy purchase this coverage on their own.

**PETS**
Students are permitted to keep aquarium fish in tanks with a capacity of 20 gallons or less. All other pets (except service animals) are prohibited in University housing. Emotional support animals are not service animals, and must be approved in advance by the Office of Disability Resources and Services. Any student who illegally houses a pet which may be allergy-producing (especially a dog or cat) will be assessed the cost (minimum $100) of a full apartment cleaning and any other damages caused by the pet. No other animals may be kept in the apartments, even if they are kept in aquariums—this includes but is not limited to snakes, lizards, turtles, frogs, hamsters, mice, etc. If pets other than fish are observed in an apartment, they will be confiscated or the owner will be required to immediately remove the pet from campus housing. Students are responsible for removing their fish from their apartments when campus housing is closed--i.e., Thanksgiving, Winter, and Spring Recesses.

**QUIET HOURS**
Quiet hours are set from 11 pm to 8 am Sunday through Thursday, and from Midnight to 9 am Friday and Saturday. During finals week, Quiet Hours are 24/7. Students violating this policy are subject to removal from the residence halls.

**RESIDENT STUDENT CRIMINAL DISCLOSURE REQUIREMENT**
Students living on campus must disclose to the Associate Dean of Student Affairs/Director of Judicial Affairs any felony convictions for sexual offenses or drug distribution, sale, or manufacture. If students have any such convictions, or pending felonies, they may not reside in University housing without first obtaining permission from the Dean and the Associate Dean of Student Affairs. Students with such convictions must agree to assist in conducting a background check and to adhere to any reasonable housing conditions placed on them. Based upon the nature and circumstances of past or future convictions, the student may be prevented from residing in University housing.

**ROOM ASSIGNMENTS**
The Residential Life and Housing Office has the sole right to make room assignments and re-assignments in the residence apartments. Students may be reassigned to another campus apartment at any time during the academic year at the discretion of either the Dean of Student Affairs or his designee. These administrative re-assignments may take place when a student’s lifestyle, hygiene, health or behavior may adversely affect the other students in the residence section. When possible, a student will be given 24 hours’ notice before an administrative room change takes place. If any resident unreasonably refuses to accept a roommate or hinders the University in the assignment of or occupancy by a roommate, the University may, at its discretion, require the resident to be responsible for the total rent for the room.

**ROOM CHANGES**
Room changes are subject to the approval of the Residential Life and Housing Office. Students may not move to another room without first obtaining permission from the Director of Housing. In most cases involving a roommate conflict, residents will be asked to participate in a formal mediation process. If mediation fails to resolve the conflict, the Residential Life Office reserves the right to make necessary changes in housing
ROOMMATE/SUITEMATE AGREEMENTS

Once a student enters into a roommate or suitemate agreement, he/she is required to follow the terms of that agreement.

SPORTS AND GAME PLAYING

In order to maintain a safe atmosphere and to avoid disruption for all students living in the residence halls, and also to avoid excessive wear and tear on residence hall buildings, the throwing or tossing of objects in hallways or the playing of “hall sports” inside the residence halls is prohibited. This includes hallways, rooms, suites, stairwells, and lobbies. For the safety of all residents, skateboards, stunts, bikes, and in-line skating are permitted only outside of the buildings in designated areas. Wearing or using any type of wheeled sports equipment in any residence building is prohibited. Cleats must be removed before entering the residence halls.

SUPPLIES

The University supplies students with bathroom garbage cans, garbage bags, toilet paper, a plunger, light bulbs, and a vacuum cleaner. These supplies may be obtained from your R.A. at the pre-designated times. Check with your R.A. for details.

TELEVISION CABLE POLICY

Television cable connection is provided in each bedroom and living room area of each apartment. Students are not permitted to splice into the cable or connect a splitter to run a cable to any other room in the apartment. If residents splice cable illegally, the cable service in that apartment can be disconnected.

VISITATION AMONG ON-CAMPUS STUDENTS

Visitation among on-campus students is permitted in University housing. It is the responsibility of all members of a given apartment to mutually agree to visitation times. However, under no circumstances should any student, regardless of gender, use an apartment other than the one to which he or she is officially assigned, as a living facility.

WINDOWS

Windows must be opened and closed properly at all times. Metal safety clips have now been installed on all suite building windows. The University is not responsible for damage to any personal items that are a result of inappropriate window openings or closings.

WINDOW OR DOOR DISPLAYS

Students are permitted to display posters or other items in their rooms that do not violate University harassment and nondiscrimination guidelines. Displays in the exterior windows or front doors of the apartments, and those that can be seen from outside, are also subject to regulation, and when requested, students will need to remove items that are deemed inappropriate (as determined solely by the University) or present potential safety hazards. In the interests of promoting an academic environment, alcoholic beverage containers and signs may not be displayed in any location visible outside of the apartment. Students with questions about this policy may contact the Housing Office.

FRAME-WESTERBERG COMMONS

The Frame-Westerberg Commons is the community center of the college. As the “living room” and “hearthstone” of the campus, the faculty, staff, students, alumni and guests have a place to relax, entertain and interact. The Commons is more than just a building. With an all-encompassing co-curricular program it provides educational, recreational, social and cultural enrichment of campus life. The Commons staff, its programs, and activities support and encourage inclusiveness by creating an environment that actively embraces all members and visitors to the University community. To develop and foster this kind of environment, the Commons and its programs serve as catalysts for celebrating the rich diversity that is present among those who are members of the Pitt-Bradford community, as well as those who may visit the campus.

Included in the Commons are the Dining Room, the University Room, a spacious lounge for TV and relaxing, “The Commons Café” (snack bar/coffee shop), the Game Room, the Mail Center, The Panther Shop, and club meeting rooms. All members of the Pitt-Bradford community are asked to do their part in ensuring that the building and its facilities are not abused in any manner. Your cooperation with regard to the following policies is appreciated:

1. Individuals or organizations desiring to display signs, posters, etc. in the Commons must follow the guidelines of the Posting Policy, located elsewhere in the Student Handbook (see Table of Contents). In addition, the following guidelines must be followed: Posters and flyers are approved and hung by the Commons staff. Posters are not to exceed 17” x 24”. The name of the sponsoring organization must be clearly indicated on all advertisements. Posters that are written in a foreign language must include an English translation. Any advertising that contains profane or indecent expressions or graphics will not be approved. Unauthorized materials will be removed and discarded. Posters will be removed after the publicized event has occurred or after having been posted for 14 days. Events sponsored by University organizations will be favored over non-University organizations if space is limited. The Commons staff cannot hang materials that conflict with any student clubs or organizations sponsored through SGA, nor is staff responsible for posters after they have been hung on the bulletin boards.

2. Student organization offices may be used only during the hours that the Commons is open. Room reservations for club and organization meetings are to be made in advance in the Conference Services Office, located on the first floor of the Commons.
3. Scheduling arrangements for use of all campus facilities, other than classes, is coordinated by the Special Events Coordinator.
4. The fireplaces may be used when authorized by the Building Manager on duty. Building Managers have the sole responsibility for starting, maintaining, and extinguishing all fires in the fireplaces.
5. The Game Room has pool tables, a ping pong table, and various other games. This room is open only when staffed appropriately. Students, faculty, and staff may sign out equipment or games at the Commons Information Desk. A valid Pitt-Bradford I.D. card is required to sign out any equipment. No food or beverages are permitted on gaming tables.
6. Under no circumstances may furniture or any University equipment be removed from the Commons. Persons removing University property from this or any other building will be subject to University disciplinary action, possible civil action, and/or substantial monetary fines.
7. Each resident student will be assigned a combination lock mailbox, located outside the Mail Center. Mail Center hours and package pick-up times are 8:30 A.M. to 4 P.M. Monday-Friday (closed 1 P.M. to 2 P.M.). The Mail Center is closed on Saturdays and Sundays.
8. All persons are expected to conduct themselves in a responsible manner at all times in the Commons. The Director of Student Activities and the Frame-Westerberg Commons has the authority to ban any individual from any part of the building who does not conduct himself or herself in a responsible and mature manner.
9. The consumption of alcoholic beverages is prohibited in the building. In addition, any person showing signs of intoxication is prohibited from entering the building. Building Managers will require any intoxicated person participating in an activity hosted in the Commons to leave the facility. Individuals who are cited for intoxication will be required to meet with the Director of Student Activities and the Frame-Westerberg Commons for disciplinary action.
10. Pets are not permitted in any area of the building, with the exception of service (eye or hearing) dogs.
11. Any form of gambling is prohibited by University and State law.
12. Bicycles, skateboards, in-line skates (roller blades), and roller skates are not permitted in the building.
13. Shoes and shirts must be worn in the Commons at all times. (Bare feet are not permitted.)

(NOTE: Hours are extended for dances and other sanctioned programs that have been reviewed and approved by the Director of Student Activities and the Frame-Westerberg Commons.)

**Meals not consumed or FLEX dollars not used in a given term (semester) period will not be credited toward a subsequent term (semester).** They will be forfeited.

The FLEX Program allows a student to spend the allotted FLEX dollars in the KOA Dining Room, The Commons Café, the Panther Shop, or in vending for food items only.

If a student on the board plan is unable to make it to a meal because of class, athletics, or job responsibilities they are able to sign up in the Auxiliary Services Office for the **Meals-on-the-Run** program. **Meals-on-the-Run** allows a student to pick up their meal before or after their scheduled commitment.

Students who have special dietary requirements should have their physician verify the requirements in writing. The physician’s letter should then be given to the Director of Dining Services, who will meet the requirements of the special diet if reasonable and feasible.

Resident students who are unable to come to the dining room due to either an illness or an injury that causes immobility may have a friend pick up a meal for them by completing a “Sick Tray Request Form.” These forms are available from the Student Health Service or in the evening or on weekends from the Resident Advisors. They should then be submitted to the Director of Dining Services.

Students are expected to conduct themselves in a responsible and mature manner at all times in the University dining room. Shirts and shoes must be worn at all times. Students who conduct themselves in an unacceptable manner may be banned from the dining room for a specified period of time by the Director of Dining Services and with the concurrence of the Dean of Student Affairs. When a student is banned from the dining room, no refund of board charges for missed meals will be made.

No individual is permitted to take food, beverages, silverware, or china from the University dining room. Beverage mugs or other containers are not permitted to be brought into the dining room.

Resident student I.D. cards will have the meal plans added at the beginning of each term. No student will be admitted to the dining room under a board plan contract unless they present a validated I.D. card. All persons eating in the dining room are expected to return their garbage, dishes, and silverware to the dishwashing area upon completion of their meals.

STUDENT LAUNDRY BUILDINGS

The main Student Laundry is located in the same building as Campus Police, and a second Student Laundry is located in the same building as Ceramic Arts. These facilities are open to Pitt-Bradford students on a 24-hour per day basis while college is in session. Washers and dryers are available for no additional fee. A student’s Campus ID Card gives them access to use the facility to do their laundry. A vending area, card value center, and rest rooms are located within each facility. To see what washers and dryers are available at any given time, please see the Laundry View at www.upb.pitt.edu/Laundry.aspx.

I.D. CARDS (PANTHER CARDS)

All students are required to have in their possession at all times a University I.D. Card (PANTHER CARD). This card is used to borrow books from the library, use equipment in the Commons and Sports Center, enter the University dining room, and gain admission to certain athletic events and Student Activities programs. In addition, University personnel and police officers may require a student on occasion to show his/her I.D. card for purposes of identification.

I.D. pictures are taken and cards are made by the staff in The Panther Shop, located on the Commons first floor, during the first week of each term or session. I.D. cards are validated electronically on the magnetic stripe for full-time or part-time status, as well as for commuter and resident student status. Resident students will have their board plan validated electronically on this card. One I.D. card will be issued at no charge to each student. This card is to be kept by the student for the entire time that he or she is enrolled at the University of Pittsburgh at Bradford, even if the student’s course of study is interrupted. A new I.D. card is issued at no cost only when the expiration date has passed.

Replacement I.D. Cards

A lost, stolen, or mutilated card is subject to a $25 replacement fee. Any student who cannot locate his/her I.D. card must go to The Panther Shop (first floor, Frame-Westerberg Commons) to obtain a replacement card. The $25 replacement fee must be paid at that time.

Shop Account

A debit account called the “SHOP” account is available for all members of the university community (both resident and commuter students), and it may be used in the KOA Dining Room, the Commons Cafe, the CALCs, the Panther Shop, in vending machines, and in the campus laundry. The “SHOP” account is simply the University I.D. card, used much like an ATM card with a declining balance. Applications for the “SHOP” account are available in the Dining Services Office, the Panther Shop, and the Enrollment Services Office.

RECYCLING POLICY

The University of Pittsburgh at Bradford is committed to promoting recycling and the wise use of natural resources, and to fostering an ethic of waste reduction among students, faculty, and staff. All students who reside in University housing are expected to actively participate in and support these efforts. Resident students are supplied with one green recycling bin in their respective apartments, and in Livingston Alexander House bedrooms, as well as a large plastic bag liner. The bin should be used to recycle the following items:

- Cardboard and clean boxboard (shoe/cereal boxes)
- Office paper (white/colored)
- Magazines, newspapers, glossy inserts
- Junk mail, envelopes
- Aluminum and tin cans
- Glass bottles and jars
- Plastic bottles #1 to #7

Non-Recyclables include:

- No unmarked plastics (laundry baskets/chairs/toys)
- No windows/light bulbs
- No Pyrex or ceramics (dishes/plates/mugs/pots)
- No foam packaging
- No aerosol cans (paint/hairspray/cleaner cans)
- No recyclables containing food waste

Students are required to keep containers inside their apartments or bedrooms at all times, except when taking them out to the grey recycling shelter located next to each garbage dumpster. Students are responsible for taking their recycling and garbage to the appropriate locations. Replacement costs of lost or damaged bins will be the responsibility of the apartment/bedroom occupants. It is the responsibility of the apartment/bedroom occupants to keep their bin clean.

Failure to adhere to the recycling procedure can result in judicial action by the Office of Residential Life and Housing.
MOTOR VEHICLE POLICIES

Although the University of Pittsburgh at Bradford grants its students the privilege of having automobiles or motorcycles on campus, there is general agreement among University personnel that freshmen should not bring an automobile or motorcycle to campus until they have adjusted to campus living and proven themselves academically. The University considers it a privilege and not a right to have an automobile or motorcycle on campus. STUDENTS WHO FAIL TO FOLLOW ESTABLISHED POLICIES PERTAINING TO MOTOR VEHICLE USAGE AND PARKING MAY BE SUBJECT TO HAVING THEIR VEHICLES BANNED FROM CAMPUS.

1. All students who have motorized vehicles on campus are required to register their vehicle and obtain a parking permit at the beginning of the Fall Term with Campus Police. Students bringing a vehicle to campus for Spring Term will register their vehicles at the beginning of that term.

   Guests and Visitors: A “Temporary Guest Parking Permit” may be obtained at the Campus Police Office. A temporary parking permit is valid for a period not to exceed seven consecutive calendar days.

   Penalty: The fine for failing to register a vehicle is $20.00. Any student who receives three or more parking tickets for no parking permit may be asked to remove that vehicle from the campus until a permit is obtained.

2. The campus speed limit is 15 miles per hour in high pedestrian traffic areas. It is purposely kept low because of the large number of pedestrians on Campus Drive. All members of the University community are urged to keep within the speed limit.

3. Many students, faculty, staff, and others use Campus Drive as a walking area. All who drive on campus are asked to exercise extreme caution and to obey the reduced speed limits and one-way traffic near the townhouses.

4. Parking is permitted only in designated parking lots and spaces. Faculty, staff, and students are not permitted to park in any “Visitor Only” parking lots. In addition, no parking is permitted between the hours of 1 A.M. and 5 A.M. on any day of the year in lots #3 & #4 (Fisher Hall lots), lots #6 (west portion only) & #7 (Commons lots), lot #9 (Wick Chapel), lot #11 (Campus Police) or lots #14 & #17 (Blaisdell Hall lots, designated for faculty, staff, and commuters only), or lot #16 (small Hangar lot). When parking in designated parking lots, only one (1) vehicle space is to be used. Persons violating any of the Parking Rules will be subject to paying a parking fine to the University. If a person does not pay the parking ticket within the allotted seventy-two (72) hours, a Traffic Citation will then be issued and filed before the District Magistrate, which will result in assessment of a fine plus costs of prosecution. If the citation is not answered, a warrant of arrest will be issued.

5. Motorized vehicles are not permitted on any of the campus sidewalks or lawn areas. Driving on sidewalks or lawns will result in a traffic citation and possible banning of the vehicle from campus.

6. Snowmobiles are prohibited on campus, unless prior approval with certain conditions is previously given by the Director of Campus Police. Under no circumstances may any motorized vehicle, such as a moped, motorcycle, etc., be kept inside a residential apartment or under a stairwell of the garden apartments. The fumes and gasoline from these vehicles can create a safety and fire hazard; consequently, any and all motorized vehicles must be kept in the designated University parking areas.

7. All individuals with vehicles on campus are requested to exercise extreme caution. Pitt-Bradford has many pedestrians, and the possibility of accidents must be minimized.

8. Snow Removal: In an effort to provide clear access to all of the student housing areas for emergency vehicles and also to provide parking areas clear of ice and snow, the following procedure will be followed during the winter months and at any time an “emergency situation” shall arise requiring the removal of all vehicles from the parking area. When the Maintenance Department has cleared a parking lot or lots, they will request the Campus Police Department to alert members of the campus community to move their vehicles temporarily from an uncleared area to the cleared area so that snow removal may be accomplished. When this has been accomplished, vehicles may be returned. When notified by the Campus Police to move your vehicle, you must do this within a pre-designated period of time. Campus Police personnel reserve the right to have a vehicle towed (at the owner’s expense) if the owner does not cooperate by moving the vehicle when requested. If you plan to leave campus without your vehicle, please be sure to leave the keys with either your roommate or your R.A. in order to allow for the moving of your vehicle in either an emergency or a snow-ice situation.

9. Section 3711 of the Pennsylvania Motor Vehicle Code prohibits unauthorized persons and devices hanging on vehicles. No person shall hang onto or ride on the outside or rear end of any vehicle and no person on a pedal cycle, motorcycle, roller skates, sled or other similar device shall hold fast to or attach any device to a moving motor vehicle or streetcar or permit same.

10. Pitt-Bradford parking fines range from $10.00 to $30.00, as described below under “SUMMARY OF FINES”.

11. Traffic Citations result in payment of fines and costs, and what may seem like a minor traffic violation can result in payment of at least $100.00.

SUMMARY OF FINES:

1. Using more than one designated parking space to park a single vehicle, or hindering snow removal: FINE = $10.00

2. Illegally parked on Campus Drive, Commons Way, or in “Visitor Parking Only” lot; parking between the hours of 1 am and 5 am in a lot prohibiting parking at that time, or in any drive-through or turn-around area: FINE = $10.00

3. Illegally parked in “Emergency and Personnel Only” or “Restricted Zone” areas, on sidewalks or lawns, or operating a motor vehicle on pedestrian walkways: FINE = $15.00

4. Failure to have a valid Parking Permit: FINE = $20.00

5. Parking in a Handicapped Parking Only space: FINE = $30.00

6. UNPAID FINES: If a person fails to pay a fine by the due date, a Citation will be issued and, in the case of a student, a hold will be placed on the student’s University account. Once a hold is placed on a University account, a student cannot register for future classes or receive a University transcript until the hold is removed.
