FBLA Distinguished Business Leader Scholarship

This scholarship is designed to recognize outstanding FBLA members for their activity and involvement in the association. The number of scholarships given depends on yearly contributions to the FBLA scholarship fund.

Receipt Deadline: April 1

Individual Award: Minimum of $500; half will be awarded at the NLC and the other half upon joining Phi Beta Lambda.

Eligibility: Open to graduating FBLA members who plan to pursue a postsecondary education and become actively involved in Phi Beta Lambda at the postsecondary level. Applicants must be dues-paid members of FBLA. FBLA members must have achieved the Leader or America level of the Business Achievement Awards (BAA) Program.

Application Procedure: Each application must be accompanied by a one-page cover letter summarizing FBLA, business, leadership, and community activities; a résumé outlining FBLA activities and educational achievements; and letter of recommendation, from a chapter adviser, a teacher or business/community leader. Applications must meet all of the criteria to be considered.

Applicants must submit four copies of the form and all accompanying documentation in four separate manila file folders labeled with the student’s name, school, and state. These materials must arrive at the National Center on or before April 1.

- This organization offers two different scholarship programs, but you have to be a member to apply. The first is called the “Additional Study Scholarship,” and is designed to support students who already have a degree, but want to pursue an additional advanced degree in a field such as athletic administration. The second program is called the “Salary Subsidy Scholarship,” and this program is for students who are looking for a job and sign up with one of the institute’s “host employers.” For more information, check out the ISM website.

Point Foundation  
National LGBT Scholarship Fund  
www.pointfoundation.org

For students who are underprivileged, especially those who have been abandoned by family and other support systems because of their sexual orientation or gender identity, the cost of an education can seem an insurmountable obstacle to success. Point Foundation believes these students should not be further disadvantaged as they prepare for the future.

Since its inception in 2001, Point has invested more than $3 million in outstanding lesbian, gay, bisexual and transgender students. This year the foundation will invest more than $1M in the scholarship recipients. A Point Scholarship covers tuition, books, supplies, room and board, transportation and living expenses, and is set up with the individual college to meet the needs of the Point Scholar. The average scholarship award per scholar is $13,600. The average total program expense that includes scholarship funding, mentoring and leadership training is $34,000 per year per scholar.

In exchange, all Point Scholars agree to maintain a high level of academic performance and give back to the LGBT community through the completion of an individual community service project. Each Point Scholar makes a personal investment in their own future by either working while studying or acquiring debt to help finance their education.

However, Point Scholars receive far more than financial support. Point strives to equip Point Scholars with skills to ensure a lifetime of exceptional leadership. They are also in contact with a support network of professionals willing to be personally involved in their well-being and future success, a chosen family of caring individuals who understand.
