This is not an all-inclusive list – if you are unsure if an item is permitted, please contact the Housing Office at 814-362-7630, or check the Student Handbook or Residential Handbook prior to bringing the item to campus. If you did forget something, don't worry. Our Panther Shop, located in the Commons, has a wide assortment of household items.

Car— You really don't need a car on campus. Everything is within walking distance on campus and the ATA busses run several routes into Bradford 7 days a week, which is paid for by your transportation fee. Only 30% of freshmen residents bring a car to campus & will be parking by the gym for the year.
