Suicide Safety Plan

<https://www.suicidesafetyplan.app/>

This app is designed to support those with suicidal thoughts. In the app, you can customize your own warning signs that a crisis may be developing, coping strategies, places for distraction, friends and family members you can reach out to, professionals you can call, methods of making your environment safe, and your own important reasons for living.

MY3

<https://my3app.org/>

With the MY3 app, users can create their support system by adding contact information for those who can help in a crisis. The app allows you to build a personalized safety plan toolbox by listing coping strategies, people, places that can provide some distractions or comfort during a crisis.
