Introduction
Being a member of the University of Pittsburgh at Bradford community is a privilege. This privilege comes with the responsibility to act in accordance with all institutional rules and policies. This Student Code of Conduct (Code) provides information on behavioral expectations and outlines the process to address Violations of these expectations.

The Board of Trustees has the authority to establish regulations and standards for Students. Responsibility for these regulations and standards is delegated to the Chancellor and in turn to specified administrative officials. The Board of Trustees and University administrators acknowledge and affirm the rights and responsibilities of Students – as members of society, as guaranteed, and expressed by federal, state, and local laws.

The Code is subject to change at the discretion of the University. All Students are expected to familiarize themselves with and required to abide by the provisions of the current Code. To ensure you have the most recent version, visit https://www.upb.pitt.edu/student-affairs/student-care-conduct. Copies of the Code are available at the Office of Student Care and Conduct, 222 Frame-Westerberg Commons (in the Student Affairs Suite).

This Code is not a contract.

Academic integrity issues are under the authority of Academic Affairs and the University’s Academic Integrity Policies.

Non-Discrimination Statement
The University of Pittsburgh values equality of opportunity and prohibits unlawful discrimination. Find the full Notice of Non-Discrimination at: https://www.diversity.pitt.edu/about/notice-non-discrimination.

Application, Scope, and Jurisdiction of the Code
Students and/or Registered Student Organizations may be charged with Code Violations. Additionally, individual members of Registered Student Organizations may be held accountable for Code Violations when they participate in any Violation committed by the Registered Student Organization.

Students are expected to conduct themselves as responsible members of the University community. Students who violate the Code will be subject to disciplinary action by the University, when such conduct takes place on University Property or in the course of a University-sponsored or University-supervised activity.

Conduct off-campus also may be subject to disciplinary action by the University if that conduct:

1) threatens the health, welfare, safety, or educational environment of the University community or any individual member thereof, or otherwise disrupts the neighboring environments; and/or
2) is considered by the University to be a serious offense that would negatively reflect upon the Student’s character and fitness as a member of the Student body; and/or
3) is an incident occurring within the University of Pittsburgh at Bradford Police jurisdiction.

Regional campuses may have campus-specific policies and procedures which should be consulted as applicable.

Student Conduct Record Retention Policy
The Office of Student Care and Conduct maintains conduct records for a period of seven (7) years from the date of the incident. For all pending incidents and incidents resulting in Housing Dismissal, Disciplinary Suspension or Disciplinary Dismissal, the conduct record will be maintained permanently.
CHAPTER 1. Student Rights and Responsibilities

Student Rights within the University Community

With the approval of the Board of Trustees, the University affirms the following Student rights and privileges:

- To engage in discussion, to make inquiries, to exchange thought and opinion, to publish and exchange findings and recommendations, to speak, write or print freely on any subject, and to sponsor speakers of their choice, in accordance with the guarantees of our Federal and State Constitutions, subject only to the right of the University to make reasonable rules and regulations related thereto.
- To associate with whomsoever they please.
- To engage in the educational process.
- To engage in peaceful, orderly, non-destructive picketing, protests, and demonstrations, to the extent they do not violate law and do not interfere with educational process or rights of other members of the University.
- To be free from discrimination on the basis of race, color, religion, national origin, ancestry, sex, age, marital status, familial status, sexual orientation, gender identity/expression, genetic information, disability, or status as a veteran.
- To be secure in their persons, living quarters, papers, and effects from unreasonable, unauthorized, or illegal searches and seizures; and in the event of a legally authorized search, whenever possible to have present a University official and the Student against whom the legally authorized search is directed.
- To be free from violence, force, the threat of force, entrapment, and coercion.
- To organize one’s own personal behavior as long as such behavior does not violate public law or rights of others and does not interfere with the educational process.
- To be informed of the standards and the norms of conduct established by the University and the right to have advance notice of any Sanctions for Violations thereof.
- To have the benefit of fair, equitable procedures for determining validity of charges of alleged Violations of University standards of conduct. All procedures shall be structured to facilitate reliable determination of truth or falsity of charges while providing due process and fundamental fairness to all.
- To retain unaltered status as a member of the University community and to be present on campus and attend classes during the consideration of any disciplinary matter, except for reasons relating to the safety and well-being of members of the University community or University Property or a Student’s physical or emotional safety and well-being.
- To petition for redress of a grievance arising from negligent, malicious, or irresponsible actions of a member of the University community.
- To have University records reflect only such information as is reasonably related to the educational process.
- To be informed of existence, custodianship, and character of personal records maintained by the University.
- To inspect personal records, except as determined to be confidential according to properly established criteria.
- To have protection from disclosure of personal records to unauthorized persons. Information will not be released outside of the University community without expressed consent of or waiver by the Student involved, except under valid legal compulsion or where there is clear and present danger to a member of the University community, in which case the Student will be informed of such release.
- To establish and elect a representative democratic student government which is accountable to the University and the Student community.
- To be heard and have one’s views considered at appropriate levels of the decision-making process within the University community.
- To use designated University facilities as individuals and members of Registered Student Organizations for extracurricular activities sponsored by Registered Student Organizations and Student groups, subject to the priority of academic needs and to reasonable University rules and regulations regarding use of facilities.
Student Rights under FERPA
The Notification of Rights under the Family Education Rights and Privacy Act (FERPA) is available at: https://www.upb.pitt.edu/administrative-offices/enrollment-services

Guardian Notifications for Drug and Alcohol Violations
FERPA permits the University to notify parent(s)/guardian(s) when a Student who is under the age of twenty-one (21) is found responsible for or admits to an alcohol or drug Violation.

Notification to parent(s)/guardian(s) of such violations is part of a strategy to connect parent(s)/guardian(s) with appropriate University representatives to reduce the risk of University Students developing patterns of behavior that may jeopardize their academic success, health, or well-being. Under special circumstances, professional staff at the University may use their discretion to determine whether this notification is in the best interest of the Student.

When and how parent(s)/guardian(s) will be notified:
Parent(s)/guardian(s) may be notified via a written letter when the appeals period has ended, and a Student is found responsible for an alcohol or drug Violation. This does not include Students who are sanctioned solely for being "knowingly present" during drug and/or alcohol Violation(s).

Who should parents/guardians contact if they have any questions?
The Guardian Notification Letter will identify who to contact for additional information. Before calling for more information, the University encourages parent(s)/guardian(s) to speak to their Student to see if the Student requires any assistance and to encourage the Student to make responsible choices that will help the Student avoid future conduct Violations. If parent(s)/guardian(s) want to speak with staff, they should have their Student provide written permission to the staff member who signed the guardian notification letter.

Student Identification Requirements
Students are required to carry their valid University ID (Panther card) at all times. Students are required to present their valid University ID when requested by an authorized University official. Certain residence halls require resident Students to swipe their valid University ID to gain access into their assigned residence halls.

Communication Requirements
Hearing Officers will communicate with students primarily via University-sponsored email accounts. Students are responsible for checking their University email accounts on a regular basis.
CHAPTER 2: Medical Amnesty

The University of Pittsburgh at Bradford’s primary concern is for the health, safety, and well-being of Students. All Students are expected to seek immediate assistance for themselves or others in situations where someone is experiencing an emergency due to alcohol or other drug use. Failure to summon, or limiting the ability of someone else to summon, emergency assistance for a Student experiencing an emergency due to alcohol or drug use, may result in University and/or criminal charges.

Scope

1. **Medical Amnesty applies when the allegations under the Code of Conduct involve** Violations related to consumption or possession of alcohol or drugs and/or any other alcohol or drug related Violation.

2. **Medical Amnesty eliminates responsibility for Code Violations outlined above for** the reporter and/or the individual experiencing the medical emergency.

3. **Medical Amnesty mitigates University conduct consequences for** Registered Student Organizations that call for emergency assistance.

Medical Amnesty does not prevent disciplinary action for other Violations of the Code, including, but not limited to unlawful distribution of alcohol/other drugs, harassment, hazing, possessing/using false identification, causing/threatening physical harm, sexual misconduct, or damage to property.

Medical Amnesty Process

In order for Medical Amnesty to apply to the reporter, the reporter must complete the following steps:

1. Contact appropriate University/emergency officials, identify themselves and report the incident.
2. Remain with the individual(s) needing assistance until emergency officials arrive.
3. Cooperate with University and emergency officials as requested.
4. Complete all assigned programs or interventions within the designated time frame.
5. Notify the Hearing Officer responsible that all steps have been completed.

Medical Amnesty may not apply until verification of completion has occurred.

In order for Medical Amnesty to apply to the individual who experienced the medical emergency, this individual must complete the following steps:

1. Cooperate with University and emergency officials as requested.
2. Complete all assigned programs or interventions within the designated time frame.
3. Notify the Hearing Officer responsible for your case that all steps have been completed.

Medical Amnesty may not apply until verification of completion has occurred.

Even when Medical Amnesty applies, the University and/or Student may need to disclose information regarding the application of Medical Amnesty, including but not limited to study abroad programs, potential employers, professional governing bodies (ex. Bars or Medical Boards), or another University through an admissions process. While the main goal of Medical Amnesty is to encourage Students to make healthy decisions and to seek medical attention when they or one of their peers are in distress, repeated requests for Medical Amnesty will be addressed on a case-by-case basis.

Application of Medical Amnesty by the University does not prevent criminal action by police or civil action by third parties. Commonwealth of Pennsylvania drug and alcohol Good Samaritan and Response Immunity laws may be applicable.
CHAPTER 3: University of Pittsburgh Anti-Hazing Policy

Hazing at the University of Pittsburgh and University of Pittsburgh at Bradford is considered a Violation of the University’s Anti-Hazing Policy and Code and is absolutely prohibited. Hazing may also be considered a criminal act in the Commonwealth of Pennsylvania.

For purposes of this definition, any activity as described in this definition upon which the initiation or admission into or affiliation with or continued membership in an organization is directly or indirectly conditioned shall be presumed to be “forced” activity, the willingness of an individual to participate in such activity notwithstanding. Therefore, any Student who causes or participates in hazing may be subject to appropriate University discipline and/or may be subject to criminal prosecution.

Hazing is defined as follows:

Hazing
A person commits hazing if the person intentionally, knowingly or recklessly, for the purpose of initiating, admitting or affiliating a minor or student into or with an organization, or for the purpose of continuing or enhancing a minor or student's membership or status in an organization, causes, coerces or forces a minor or student to do any of the following:

1. Violate Federal or State criminal law;
2. Consume any food, liquid, alcoholic liquid, drug or other substance which subjects the minor or student to risk of emotional or physical harm;
3. Endure brutality of physical nature, including whipping, beating, branding, calisthenics or exposure to elements;
4. Endure brutality of mental nature, including that adversely affecting mental health/dignity of the individual, sleep deprivation, exclusion from social contact or conduct that could result in extreme embarrassment;
5. Endure brutality of a sexual nature;
6. Endure any other activity that creates a reasonable likelihood of bodily injury to the minor or student.

Aggravated Hazing
A person commits aggravated hazing if the person commits a Violation of hazing that results in serious bodily injury or death to the minor or student and:

1. The person acts with reckless indifference to the health and safety of the minor or student; or,
2. The person causes, coerces or forces consumption of an alcoholic liquid or drug by the minor or student.

Organizational Hazing
A Registered Student Organization commits organizational hazing if the organization intentionally, knowingly or recklessly promotes or facilitates a Violation of hazing or aggravated hazing.

Hazing Adjudication Process

The Office of Compliance, Investigations & Ethics (CIE Office) will work collaboratively with the University of Pittsburgh Police Department in the investigation of alleged hazing events. Ultimately, all reports of hazing will be referred to the Office of Compliance, Investigations & Ethics (CIE) for internal investigation either following or during a police investigation.

Reporting
Several options are available for you to report hazing. Students and others are encouraged to report incidents, and suspected incidents of hazing. Reports may be made to Campus Police (814-368-3211), or the Office of Compliance, Investigations and Ethics at (412-383-4553), compliance@pitt.edu.
Although the University encourages students and others to make formal reports, you may file an anonymous report online at https://www.upb.pitt.edu/administrative-offices/campus-police-and-safety/anonymous-tip-line and/or Pitt Concern Connections. Anonymous reports greatly limit the University’s ability to respond to and investigate the report.

As noted above, all hazing allegations should be reported to the University of Pittsburgh Campus Police Department and/or the CIE Office. In addition, hazing related to any University of Pittsburgh at Bradford athletics teams may also be reported to the Director of Intercollegiate Athletics and Recreational Sports at 814-362-5093 or the Assistant Director of Athletics at 814-362-5086. Hazing related to any University of Pittsburgh at Bradford fraternity and sorority life chapter organization or any University of Pittsburgh at Bradford student organization may also be reported to the Director of Student Engagement at 814-362-7654.

Interim Measures
As part of the University’s response to a report of hazing, and regardless of whether there has been a request for formal disciplinary or law enforcement action, the University may impose interim measures or offer accommodations to address issues that impact the Complainant or Respondent’s educational, living or work environments. These interim measures can often be put in place very quickly, prior to the resolution of any complaint, investigation, or criminal proceeding.

Once imposed, the University will take necessary action to enforce the implemented measures. Anyone who becomes aware of, or has a concern about, a Student’s failure to follow any University-imposed interim measure or accommodation, should report this concern to the Office of Student Care and Conduct at 814-362-5057 or StudentConduct-UPB@pitt.edu.

Advisor or Support Person
Both a Complainant and a Respondent are entitled to one advisor or support person of their choice, and the advisor or support person may accompany the party to any meeting or proceeding under these processes. However, the advisor or support person shall not be permitted to participate directly in the process. This includes advisors who are also attorneys. An advisor or support person may not stand in place of either the Complainant or the Respondent, and information regarding the progress of the inquiry or investigation will only be shared with the Complainant or Respondent, and not the advisor of choice. If the advisor or support person has any questions, they should contact the Assistant Vice Chancellor for the Office of Compliance, Investigations & Ethics, not the individual investigator. In keeping with the University’s desire to resolve hazing complaints in a timely manner, the University reserves the right to proceed with any meeting regardless of the availability of the Student’s/Registered Student Organization’s advisor or support person.

Investigative Process
The investigation of hazing allegations involves a prompt and equitable investigation conducted by an investigator assigned to the Office of Compliance, Investigations & Ethics (CIE Office). The investigation is a fact-finding process, giving all parties notice and the opportunity to be heard, to identify witnesses and to offer evidence, and to pose questions to parties and witnesses.

The process will generally progress as follows:

1. Once a report is received, the Investigator will attempt to interview witnesses and identify relevant parties, including any Complainants or Respondents.

2. Following the completion of initial interviews, the investigator will notify the Assistant Vice Chancellor for Compliance, Investigations & Ethics as to whether or not the allegations, if
substantiated, would constitute a violation of a University Policy or a violation of the Student Code of Conduct related to hazing.

a. If the investigator’s notification indicates that such an allegation, if substantiated, would not constitute a violation, the Assistant Vice Chancellor for Compliance, Investigations & Ethics may close the investigation and that decision shall be final, barring new information.

b. In the event that the investigator’s notification indicates the allegations, if substantiated, would constitute a violation of University policy, the investigator shall conduct a full investigation.

Steps in the investigations may involve the following actions:

i. Interviewing members of Registered Student Organizations
ii. Interviewing witnesses, including the Respondent(s) and Complainant(s)
iii. Collecting evidence
iv. Documenting all evidence collection and interviews
v. Collaborating with multiple departments to gather relevant information
vi. Requesting that parties to the investigation provide information and names of witnesses to the investigator

3. Reasonable rules of relevancy will guide the investigator in evaluating evidence/witness statements.

4. Following the gathering and evaluation of evidence, the investigator will prepare a report of investigation. Any identified parties (Respondents and Complainants) will be provided with an opportunity to review and comment upon a summary of their interview. Parties shall have five (5) days to review and comment. The final report will conclude with a determination about whether a violation has occurred. The investigator shall apply the preponderance of the evidence standard, asking whether it is more likely than not that University policy or the Student Code of Conduct related to hazing has been violated.

5. The report will be reviewed by the Assistant Vice Chancellor for Compliance, Investigations & Ethics for review and input. The final report will be provided to the Vice President and Dean of Students or their designee, who will determine sanctions. Regardless of the finding, a letter including the findings and/or sanctions (if applicable) will be sent to the parties.

A Respondent may appeal in accordance with the Level II appeal process detailed in Chapter 5 of the Code.

Prohibition of Retaliation
Retaliation is prohibited and will constitute separate grounds for disciplinary action. Retaliation is the act of taking adverse action against any person involved in the investigation process based upon the person’s reporting or participation in the process. Retaliation includes behavior on the part of any related person or party. Although independent action will be taken against anyone engaging in retaliation, any party to the investigation should not encourage such actions and will also be held responsible to the extent of their involvement in the retaliation. An individual who believes they have experienced retaliation should contact the Office of Compliance, Investigations & Ethics.
CHAPTER 4: Violations of the Student Code of Conduct

A Violation is committed when a Student or a Registered Student Organization:

1. Fails to comply with guidance set forth by the University, federal, state, and/or local authorities, or host governments while abroad regarding public health and/or safety.

   2. Such conduct, if repeated, is reasonably likely to meet the standard set forth in number 1 immediately above.

   Harassment can occur on University premises or, under limited circumstances, off campus. It can occur between people of the same or different protected group statuses.

1 Please note that just because expression of an idea or point of view may be offensive or inflammatory, it is not necessarily a Code Violation. The University values freedom of expression and open exchange of ideas; the expression of controversial ideas and differing views is a vital part of the University’s mission.

44. Engages in games of chance in Violation of federal, state, or local law.
45. Violates any federal, state or local law(s), or while abroad, violates any international law(s).
CHAPTER 5: Process and Procedures: From Referral to Resolution
(for Sexual Misconduct and/or Title IX matters, please see Chapter 6 and/or Chapter 7)

Student Rights within the University Community
Student Rights within the University Community are listed in Chapter 1 of this Code.

Commonly Used Terms
Adjudication: Completion of any investigative or hearing process and/or accompanying Appeal process.
Complainant: A University community member who files a referral that alleges a Violation of the Code.
Level I Hearing: A meeting to determine an alleged Violation of the Code where a Respondent may receive a Sanction up to and including Disciplinary Probation or Housing Suspension.
Level II Hearing: A meeting or series of meetings to determine an alleged Violation of the Code where a Respondent may receive a Sanction up to and including Disciplinary Dismissal.
Respondent: Student/Registered Student Organization alleged to have violated the Code.
University Member: Any individual affiliated with the University of Pittsburgh

Process and Procedures
A. Filing a Conduct Referral
The University’s Conduct Process is initiated when a University member files a Conduct Referral against a Student/Registered Student Organization alleging that there has been a Violation of the Code.

Any member of the University community who has witnessed, has been subject to or has knowledge of a potential Violation of the Code may contact the Office of Student Care and Conduct to complete a Conduct Referral.

Conduct referrals which allege Violations involving Hazing will proceed under Chapter 3 of this Code.

Conduct referrals which allege Violations of Sexual Misconduct Policy or Title IX Policy proceed under Chapter 6 and 7.

B. Review of the Conduct Referral and Initiation of the Conduct Process
Once a Conduct Referral is submitted, the Director of Student Care and Conduct or their designee will determine whether the alleged behavior in the Conduct Referral, if substantiated, would constitute a Code Violation. In some instances, the Director of Student Care and Conduct or their designee may need to meet with the alleged Respondent prior to making this determination.

If it is determined that the Conduct Referral alleges a Code Violation, the Director of Student Care and Conduct or their designee will decide if the Conduct Referral will proceed under the Level I or Level II Process. Once this determination is made, the Director of Student Care and Conduct or their designee will notify the Respondent of the next steps in the conduct process by sending an email to the Respondent’s University e-mail address.

Most Conduct Referrals proceed under the Level I Hearing Process and are heard by the Office of Student Care and Conduct, the Student Judicial Board or Residence Life staff (collectively hereinafter referred to as “Hearing Officers”). Generally, after filing the Conduct Referral, Complainants do not participate in the Level I Hearing Process.

The Level II Hearing Process is facilitated by the Office of Student Care and Conduct. This process is followed when:
1. The alleged Violations may result in Sanctions including: Disciplinary Suspension, Disciplinary Dismissal or Dismissal from University Housing; or
2. The Respondent is a Registered Student Organization except for hazing reports as outlined in Chapter 3; or
3. Deemed appropriate by the Office of Student Care and Conduct.
C. Interim Action

Prior to initiation of the conduct process, the Vice President and Dean of Students (VP/Dean) or their designee may take limited or temporary action to protect the health, safety or well-being of the University community and/or to help ensure the effective functioning of the University. Examples of behavior that may lead to interim action by the University may include, but are not limited to, being charged with a serious criminal offense, physical violence, sexual assault, significant disruption of the educational or living environments of the University, significant damage to property, and possession and/or distribution of controlled substances. The VP/Dean or their designee will make reasonable efforts to give the Student an opportunity to respond to the alleged offense.

Interim action remains in effect only as long as the VP/Dean or their designee determines there is a need for such action or until the matter has been investigated, adjudicated, or otherwise resolved in accordance with the Code.

Interim actions may include suspension from University, removal from housing, suspension of privileges, and similar measures.

Within ten (10) business days of an interim action, the Student/Registered Student Organization may request, in writing, that the VP/Dean or their designee reconsider the interim action. This request must include the reasons why the Student/Registered Student Organization believes the interim action should be lifted. The VP/Dean or their designee will consider the request and advise the Student/Registered Student Organization of any modification to the interim action within five (5) business days of the submission of the request. The interim action remains in place during the VP/Dean or their designees’ review.

Interim action does not replace the conduct process, which shall proceed as outlined in this Code.

D. General Information for Respondents/Complainants in Level I and II Hearing Processes and Appeals

In addition to the Rights affirmed by the Board of Trustees, Respondents have the right to decline to testify against themselves. The Hearing Officer or the Level II Conduct Hearing Board will use a preponderance of the evidence standard (meaning more likely than not) when deciding if a Respondent is responsible for a Violation of the Code.

Legal rules regarding wording of questions, hearsay, and opinions, as well as legal rules regarding admissibility of evidence will not be formally applied. Legal motions will not be entertained, but reasonable rules of relevancy will apply. Reasonable limits may be imposed on the number of factual and/or character witnesses and the amount of cumulative evidence introduced.

Respondents/Complainants have the right to call witnesses during the hearing process. If a Respondent chooses not to participate in any stage of the hearing process, Adjudication may proceed, and Sanctions may be imposed.

If you have a disability and would like to request an accommodation during the conduct process, you are encouraged to contact both the Office of Student Care and Conduct and Disability Resources and Services (DRS), 221 Frame-Westerberg Commons, 814-362-7609, clh71@pitt.edu as early as possible in the process. DRS will engage in the interactive discussion and determine reasonable accommodations for the conduct process.

E. Support Person and/or Representative

While not necessary or required, Complainants and Respondents in both the Level I and Level II conduct process are permitted to have one representative from the University and/or support person of their choice. The support person may accompany the party to any meeting or proceeding but may not stand in place of either the Complainant or the Respondent.

The representative may actively participate in the Conduct Process but may not answer questions on behalf of the Complainant or Respondent. A Respondent’s or Complainant’s failure to secure a representative will not cause a Hearing to be postponed or canceled. Residence Life staff members cannot serve as representatives.

Throughout the conduct process, the Complainant and/or Respondent may request to review the Conduct Referral. Information regarding the processing of any referral will only be shared while the Complainant/Respondent is present.

Legal counsel shall be restricted to an advising role and may not directly participate.
F. Level I Hearing and Appeal Process

**Level I Hearing Process:**
1. The Hearing Officer will read the alleged *Code* Violations and allow the Respondent to review the Conduct Referral.
2. The Respondent will have the opportunity to ask questions and to present relevant information through personal and/or witness testimony and/or documents.
3. The Hearing Officer may ask questions regarding any information provided.
4. Using preponderance of the evidence standard, the Hearing Officer will determine if the Respondent is responsible for violating *Code* and if so, inform Respondent of imposed Sanctions, either at the end of the Hearing or within reasonable time thereafter.
5. If the *Respondent is found responsible for violating the Code*, the Respondent will have the option to:
   a. Accept the findings and imposed Sanctions.
   b. Accept the findings, but reject and appeal the imposed Sanctions.
   c. Reject the findings and imposed Sanctions and appeal both.
6. If the Respondent is *found not responsible* for violating the *Code*, no Sanctions will be imposed.
7. If the Respondent fails to attend a Level I Hearing, the Hearing may proceed in their absence and Sanctions may be imposed.

**Level I Appeal Process:**
Respondents seeking to appeal a Level I Hearing must file an appeal form with the Office of Student Care and Conduct within ten (10) business days of the Hearing decision letter date. The form can be obtained from the Office of Student Care and Conduct.

The reason for appeal must fall within the scope of review. The scope of review shall be limited to statements and facts supporting one or more of the following questions:
1. Whether Rights affirmed by the Board of Trustees have been denied.
2. Whether established procedures were not followed in a manner that would have significantly affected the decision.
3. Whether there was an absence of a rational connection between the facts found and the findings.
4. Whether the issued sanctions are substantially disproportionate to the severity of the Violation.
5. Whether new evidence is presented which was not available or discoverable during the Level I process that if available at the time would have significantly altered the findings or sanctions.

Once the Office of Student Care and Conduct receives a request for an appeal, the Director or their designee will review and notify the Respondent whether the appeal will be heard. If the appeal is to be heard, the Director or their designee will notify the Respondent of the date, time, and place of the appeal meeting. Decisions following the appeal meeting are final.

G. Level II Hearing and Appeal Process

**Level II Pre-Hearing Process**
When a Conduct Referral falls under the Level II Hearing Process, the Office of Student Care and Conduct will schedule a Disciplinary Conference with the Respondent. The purpose of the Disciplinary Conference, which may occur over a period of several meetings, is to 1) allow the Hearing Officer to discuss the alleged Violations(s) with the Respondent; 2) make recommended Sanction(s), taking as true all facts in the Conduct Referral; and 3) provide the Respondent the opportunity to choose their response to the Conduct Referral, as defined below:
   a. Accept responsibility for violating *Code*, accept recommended Sanction(s) and waive Level II Hearing/Appeal Process.
   b. Proceed before the Level II Conduct Hearing Board for a Sanctions-Only Hearing.
   c. Proceed before the Level II Conduct Hearing Board for a Full Hearing.

If the Respondent elects to proceed with a Level II Hearing, a Hearing Officer will answer questions regarding the procedures and format of the student conduct process, schedule the Level II Hearing, and provide other assistance as appropriate.

Both the Complainant and Respondent will receive an e-mail notification of the date, time, and place of the Level II Hearing. If a party has been sent notice in accordance with the *Code*, and fails to appear at the scheduled date, time, and place, the Level II Hearing may be held in the party’s absence.
Witnesses
The Complainant and Respondent may provide the Hearing Officer with a witness list, containing a brief description of each witness’s proposed testimony. This description must be submitted to the Hearing Officer not less than ten (10) business days prior to the Level II Hearing date. It is the responsibility of the Complainant and Respondent to coordinate any witness’s participation in the Level II Hearing. The Hearing Officer may provide reasonable assistance in facilitating witness participation.

Where necessitated by fairness, a Hearing Officer may arrange for recorded, telephone, or written testimony to use in a proceeding.

Both Complainants and Respondents may review, not less than five (5) business days prior to the Level II Hearing date, any approved witness list submitted by the opposing party. To schedule such a review, Complainants and/or Respondents must contact the Hearing Officer to make an appointment.

Evidence
The Complainant and Respondent will have the opportunity to submit evidence that they intend to introduce at the Level II Hearing. Such evidence must be submitted to the Hearing Officer not less than ten (10) business days prior to the Level II Hearing date. Not less than five (5) business days prior to the Level II Hearing date, both the Complainant and Respondent shall have the opportunity to review all evidence that has been approved for use in the hearing. To schedule such a review, the Complainant and/or Respondent must contact the Hearing Officer to make an appointment.

Level II Hearing
The Director of Student Care and Conduct or their designee will serve as the Hearing Moderator for all Level II Hearings.

The Hearing Moderator will convene the Level II Hearing and introduce the parties involved in the proceeding. The Complainant/Respondent, or their Representative as described above, may object to the participation of any member of the Level II Conduct Hearing Board or to the procedures, and the Hearing Moderator will make any necessary decisions regarding the validity of such concerns or objections. The Hearing Moderator shall read the alleged Violations.

The Complainant/Respondent or their Representative will have the opportunity to state their case, offer evidence, and call, question, and cross-examine witnesses. During any presentation, the Hearing Moderator and Level II Conduct Hearing Board Members also will have the opportunity to ask questions to the Complainant/Respondent or any of their witnesses.

At the conclusion of all testimony, the Complainant/Respondent or their Representative will be given the opportunity to offer a closing statement which may include information regarding the imposition of sanctions.

Deliberations for Sanctions-Only Hearing
1. The Level II Hearing will be concluded and all participants except the Level II Conduct Hearing Board will be dismissed.
2. The Level II Conduct Hearing Board will deliberate in private.
3. The Level II Conduct Hearing Board will create a written record of Sanctions to recommend to the VP/Dean or their designee.

Deliberations for Full Hearing
1. The Level II Hearing will be concluded and all participants except the Level II Conduct Hearing Board will be dismissed.
2. Using the preponderance of the evidence standard, the members of the Level II Conduct Hearing Board will deliberate in private until a finding regarding responsibility is reached.
3. If the Respondent is found responsible, the Level II Conduct Hearing Board will deliberate and create a written record of findings and Sanctions to recommend to the VP/Dean or their designee.

Hearing Outcome
The Level II Conduct Hearing Board’s findings and/or recommendation(s) will be sent to the VP/Dean of Students. The VP/Dean of Students or their designee may increase, decrease, or otherwise change the recommended Sanctions if they believe that the totality of circumstances, including but not limited to University precedent, justifies such a change.
The final decision of the VP/Dean or their designee shall be forwarded to the Respondent, and appropriate University officials.

Respondents have ten (10) business days from the date of the VP/Dean’s decision letter to file petitions for appeal and for postponement of sanctions pending appeal to URBmoderator-UPB@pitt.edu. Prior to submission of petitions for appeal, the Respondent may schedule an appointment with the Office of Student Care and Conduct to review the conduct file.

Addressing Bias Incidents through the Conduct Process

The University of Pittsburgh is committed to maintaining a campus environment free from unlawful discrimination and harassment. As such, all referrals filed with the Office of Student Care and Conduct will be reviewed to determine if the reported information suggests or demonstrates that the alleged Code Violation was motivated by bias. Any Violation of the Student Code of Conduct motivated by a University community member’s race, color, religion, national origin, ancestry, sex, age, marital status, familial status, sexual orientation, gender identity and expression, genetic information, disability, status as a veteran or any other protected group status identified in the University’s Non-Discrimination policy, will be deemed an aggravating circumstance, and will result in the issuance of enhanced sanctions up to, and including, disciplinary dismissal from the University, and/or the addition of educational sanctions designed to address the demonstrated bias.

Application of Sanction Enhancement

Process for Level I Referrals

If a referral contains information that the underlying conduct may have been motivated by bias, the referral will be forwarded to the Office of Student Care and Conduct. At the hearing, a Hearing Officer will first determine whether the Respondent is responsible for the alleged Code Violation. Upon a finding of responsibility, the Hearing Officer will identify appropriate Sanctions for the underlying Violation. To determine if the underlying Code Violation was motivated by bias, the Hearing Officer will consider the referral and all information collected during the hearing. Upon a finding that bias was a motivating factor, the Hearing Officer will elevate the original sanction and/or add sanctions, in order to address the demonstrated bias.

Process for Level II Referrals

If a referral contains information that the underlying conduct may have been motivated by bias, the referral will be discussed with the Respondent at a Disciplinary Conference, as described under the “Level II Pre-Hearing Process” found on page 19 of this Code. During this Disciplinary Conference, the Hearing Officer will review all information contained in the referral and will discuss the alleged Violation(s) with the Respondent. If the Hearing Officer, taking as true all facts contained in the Conduct Referral, finds that the alleged underlying Code Violation was motivated by bias, the Hearing Officer will elevate and/or add to the Sanction recommendation. The Respondent will then have the opportunity to choose their response to the Hearing Officer’s recommended Sanction in accordance with the steps outlined under “Level II Pre-Hearing Process.”

If the Respondent accepts the Hearing Officer’s recommended sanctions, the Respondent will waive the Level II Hearing and Appeal Process and agree to complete all Sanctions as directed.

If the Respondent elects a full hearing, the referral will proceed under the full hearing process. The Conduct Board will determine whether the Respondent is responsible for the alleged underlying Code Violation(s). To determine if the underlying Code Violation was motivated by bias the Conduct Board will consider the referral and all information collected during the hearing. If the Conduct Board finds that bias was a motivating factor for the Respondent’s Violation, the Conduct Board will recommend the application of Sanction Enhancement.

The Conduct Board will forward their findings and recommendation to the VP/Dean of Students. The VP/Dean of Students, considering the totality of circumstances and University precedent as may be applicable, will apply Sanction Enhancement.

If the Respondent accepts responsibility for the alleged underlying Conduct Violation, and elects a sanctions-only hearing, the referral will proceed under the sanctions-only hearing process. The Conduct Board will consider the Respondent’s acceptance of responsibility and will assign Sanction(s) to the accepted Violation(s). To determine if the underlying Code Violation was motivated by bias the Conduct Board will consider the referral and all information collected during the hearing. If the Conduct Board finds that bias was a motivating factor for the Respondent, the Conduct Board will recommend the application of Sanction Enhancement. The Conduct Board will forward their findings and recommendation to the VP/Dean of Students. The VP/Dean of Students, considering the totality of circumstances and University precedent as applicable, will apply Sanction Enhancement.
Addressing Bias Reports that Fall Outside of the Conduct Process
There may be situations where a report is focused on expression of language, ideas or points of view which an individual or community found to be offensive or inflammatory, but where such expression does not rise to harassment and/or is not connected to an underlying Code Violation, or outside the protection of First Amendment rights. In these situations, where reporting individual(s) or the community requests support, Student Affairs staff will review reported information and work with the reporting individual(s) and/or community to address negative impact through de-escalation, mediation and/or restorative justice practices.

Level II and Sexual Misconduct Appeal Process

Petition to Appeal and Petition to Postpone Sanctions
Appeal petitions related to Level II Hearings may be filed by Respondents. Appeal petitions related to Sexual Misconduct Violations may be filed by Complainants or Respondents. Persons filing an appeal will have ten (10) business days from the date of the Hearing decision letter to file their petition with the University Review Board at URBmoderator-UPB@pitt.edu. Appeal petitions must include a thorough statement and all facts/evidence to support one or more of the following (Scope of Review):
1. Whether Rights affirmed by the Board of Trustees have been denied.
2. Whether established procedures were not followed in a manner that would have significantly affected the decision.
3. Whether there was an absence of a rational connection between the facts found and the findings.
4. Whether the issued sanctions are substantially disproportionate to the severity of the Violation.
5. Whether new evidence is presented which was not available/discoverable during the process that if available at the time would have significantly altered the findings or sanctions.

As discussed under University Review Board procedures, the URB Moderator and applicable URB members will make their determination of whether to proceed with an appeal based on submitted documentation only.

Persons filing an appeal may request postponement of Sanctions pending appeal. Requests must explain why imposition of Sanctions must be postponed. The question to be answered in determining whether to postpone Sanctions is, whether immediate imposition or postponement of Sanctions will unfairly prejudice either party (Complainant or Respondent), pending final determination of appeal.

All decisions regarding the postponement of Sanctions will be made within five (5) business days of the receipt of such a request and will be communicated to appropriate parties in writing through the URB Moderator.

URB Procedures for Reviewing Petition to Appeal
The URB Moderator, in consultation with one Student and one faculty member of the URB, will review petitions and determine whether the petition meets all requirements for filing an appeal; whether the petition raises a question within the Scope of Review; and, whether the appeal will proceed. In cases involving Sexual Misconduct, the URB Moderator will consult with two faculty members of the URB. The URB Moderator and applicable URB members will make their determination of whether to proceed with an appeal based on submitted documentation only.

Where the URB has determined that an appeal’s petition does not fall within the Scope of Review, the URB Moderator and two URB members will render and submit a written opinion and recommended dismissal of appeal, accompanied by the record, to the Pitt-Bradford President for review and consideration. Upon completion of this review and consideration, notice of the outcome will be given to the Respondent. In cases involving Sexual Misconduct, both the Complainant and Respondent will receive notice of the outcome of the review of the petition to appeal.

URB Procedures for Proceeding with an Appeal
Where it has been determined that a petition falls within the Scope of Review, the URB Moderator will notify the applicable parties that an appeal has been initiated.

The URB Moderator will then schedule an appeal proceeding. Applicable parties to the appeal proceedings will receive a copy of the appeal petition and procedures and written notification of the time, date, and place of the proceeding.

The appeal will be conducted under the procedural guidance of the URB Moderator, who also shall determine the composition of the URB panel.
The URB panel, in its discretion, may elect to decide an appeal based solely on the submission of documents from the applicable parties, without oral argument. The URB appeal process does not include testimony from witnesses.

If the URB, in its discretion, decides to allow oral argument, applicable parties will be given reasonable time to present their position. A party may refer to any records, documents, or recordings from a prior proceeding and may present written argument. A party may question the other about their argument, except in cases involving Sexual Misconduct. Members of the URB panel and the URB Moderator may question the parties.

The URB panel may remand a matter to the Office of Student Care and Conduct or Title IX for further proceedings when the URB panel determines that there are insufficient written findings or prejudicial procedural error. In other cases, the URB panel, by a majority, shall forward a written opinion, recommended action, and complete record to the Pitt-Bradford President or their designee. There may be an accompanying minority opinion.

Once a decision is made by the Pitt-Bradford President or their designee, applicable parties will be notified.

**Student Conduct Expungement**

Giving current/former Students the opportunity to expunge a responsible finding for a Conduct Violation reflects the philosophy that Students learn from their interactions with the conduct process and that self-reflection and self-knowledge can produce change in individuals. Each case is unique, and the decision to approve an expungement will be based on individual circumstances.

Even though a Student’s Conduct Violation may be expunged, both the Student and University may need to disclose the expunged record to third party requestors. For example, requestors performing background checks on students, such as study abroad programs, potential employers, medical or bar examiners, etc. The decision to disclose an expunged record will be based on the scope of the inquiry. All disclosures of student conduct records shall be made in accordance with the Family Educational Rights and Privacy Act.

**Expungement Process**

Current/former Students may apply to have a responsible finding of a Conduct Violation(s) expunged if the following criteria have been met:

- Two calendar years have elapsed since the incident date.
- The Sanctions did not include Suspension or Dismissal.
- The Student completed all Sanctions on time.

Discretion to expunge a responsible finding for a Conduct Violation(s) rests with the Office of Student Care and Conduct staff or designee. Applications for expungement are reviewed by the Office of Student Care and Conduct staff or designee after the student has submitted a completed application for expungement along with any relevant supporting documentation, such as a reference letter, grade transcript, evidence of personal growth, a sustained commitment to abiding by the Student Code of Conduct and/or any other facts and circumstances the student would like the Office of Student Care and Conduct to consider.

*If a Student violates a University policy after the responsible finding for a Conduct Violation(s) has been expunged, their expunged finding(s) will be reinstated.*
CHAPTER 6: Sexual Misconduct Process and Procedures

This Chapter is a supplement to University Policy CS 20 Sexual Misconduct (formerly 06-05-01).

This chapter references procedures pertaining to the University’s prohibition against sexual misconduct. This chapter does not apply to the University’s prohibition of “Sexual Harassment” as specifically defined in and addressed in Chapter 7 and under Policy CS 27.

Complainant: A University community member who files a referral that alleges a Violation of the Code.
Respondent: Student alleged to have violated the Code.

Reporting Sexual Misconduct and University Response
Several options are available for you to report sexual misconduct.

- You may file a complaint with the Office of Civil Rights and Title IX. This office generally investigates complaints of sexual misconduct against members of the University community, including faculty, staff, and students (412) 648-7860.
- You may file a report through Pitt Concern Connection on the University Website.
- You may file a criminal complaint by contacting Campus Police (814) 368-3211 or City of Bradford police (911).
- Although the University encourages Complainants to make formal reports as outlined above, you may file an anonymous complaint using the Pitt Concern Connection or on the Campus Police web site. See https://www.upb.pitt.edu/administrative-offices/campus-police-and-safety/anonymous-tip-line. Anonymous reports greatly limit the University’s ability to respond to and investigate the report.

As part of the University’s response to a report of sexual misconduct, and regardless of whether there has been a request for formal disciplinary or law enforcement action, the University may impose interim measures or offer accommodations to address issues that impact the Complainant or Respondent’s educational, living or work environments. These interim measures can often be put in place very quickly, prior to the resolution of any referral, investigation, or criminal proceeding.

Once imposed, the University will take necessary action to enforce the implemented measures. Anyone who becomes aware of, or has a concern about a Student’s failure to follow any University-imposed interim measure or accommodation, should report this concern to the Office of Student Care and Conduct at (814) 362-5057 or StudentConduct-UPB@pitt.edu.

Interim Measures, Accommodations, and Resource Assistance for Complainants and Respondents
To quickly address a situation, the University, where it determines appropriate, may impose a range of measures or offer accommodations, on a limited/temporary basis, to any Complainant or Respondent. Such measures/accommodations may include:

- Any interim action as stated in Chapter 5
- A No Contact Order
- Change in University-related class or work schedules or job assignments
- Change in University-owned housing; assistance from University staff in completing housing relocation
- Restricting a Student’s access to certain University facilities or activities pending resolution of a matter
- Access to academic support services such as, but not limited to, tutoring
- Rescheduling of exams and assignments
- Availability of alternative course completion options including, but not limited to, the opportunity to change class schedules by transferring course sections or withdrawing without penalty
- Voluntary leave of absence
- Any other interim measure or accommodation necessary and appropriate to facilitate the Complainant’s or Respondent’s access to educational opportunities
- Assistance with contacting the appropriate police department
- Access to counseling services, including assistance in arranging an initial appointment, on and/or off-campus
• Access to and assistance with obtaining necessary medical services
• Assistance in contacting community resources such as the YWCA Bradford or other support services
• Assistance in contacting legal resources/legal support
• Guidance/support filing a report through the Office of Civil Rights and Title IX and/or the criminal justice process

Advisor or Support Person
Both a Complainant and Respondent are entitled to one advisor or support person of their choice, and the advisor or support person may accompany the party to any meeting or proceeding under these processes. However, the advisor or support person shall not be permitted to participate directly in the Informal or the Formal resolution process. This includes advisors who are also attorneys. An advisor or support person may not stand in place of either the Complainant or the Respondent, and information regarding the progress of the inquiry or investigation will only be shared with the Complainant or Respondent, and not the advisor of choice. If the advisor or support person has any questions, they should contact the Associate Vice Chancellor for Civil Rights and Title IX, not the individual investigator from the Office of Civil Rights and Title IX (“Investigator”).

In keeping with the University’s desire to resolve sexual misconduct complaints in a timely manner, the University reserves the right to proceed with any meeting regardless of the availability of the Student’s advisor or support person.

Informal Resolution
The Informal Resolution process is a voluntary process, available to Complainants, which attempts to reach a resolution without initiating the Formal Complaint Process and a specific finding of a Policy and/or Code Violation. This process can include the application of Interim Measures, as referenced below. Under the Informal Resolution process, no disciplinary action is taken. Rather, an Investigator reviews the facts and circumstances of the situation with the Complainant and based on the severity of the alleged incident makes a determination whether the Informal Resolution process is an appropriate response. In this process, the Investigator will contact the parties involved separately, review allegations presented and develop an action plan to address the conduct.

A Complainant may choose to start with the Informal Resolution process in an attempt to resolve the issue and then choose to move to the Formal Complaint Process if needed/desired. A written record of any measures, meetings or communications from this Informal Resolution process will be kept on file in the Office of Civil Rights and Title IX. The Office of Civil Rights and Title IX maintains all informal resolution process records and files for seven years. Once an incident has been resolved through the Informal Process the matter is closed. A Violation of any action plan instituted under the informal resolution process may trigger the Formal Complaint process or disciplinary action under the Code.

The University will also consider additional interim measures appropriate to the situation at hand. When necessary, the University may make any “interim” measure permanent. The imposition of interim measures or accommodations does not affect the ability of the Complainant to pursue disciplinary action.

Formal Complaint Process and University-Initiated Investigations
The Formal Complaint process is initiated when the Complainant provides a signed statement that includes a brief description of the alleged incident and, to the extent known, the Respondent’s name(s) and the date, time and location of the incident (hereinafter “Complaint”). The Formal Complaint process may also be initiated by the University under appropriate circumstances. The Formal Complaint process involves a prompt, and equitable investigation conducted by an Investigator. The investigation is a fact-finding process, giving all parties notice and the opportunity to be heard, to identify witnesses and offer evidence, and to pose questions to parties and witnesses. Interim measures may be applied at any time throughout the Formal Complaint process.

The Formal Complaint process will generally progress as follows:

1. Once the Complaint is received or the University otherwise initiates the Formal Complaint process, an Investigator will interview the Complainant.

2. Following the completion of their interview with the Complainant, the University Investigator will notify the Assistant Vice Chancellor for Compliance, Investigations & Ethics and the Associate Vice Chancellor for Civil
Rights and Title IX as to whether or not the allegations set forth in the Complaint, if substantiated, would constitute a Violation of the University’s Sexual Misconduct Policy, and accordingly, a Violation of the Code.

a. If the Investigator’s notification indicates that such allegations, if substantiated, would not constitute Violation of the University’s Sexual Misconduct Policy, the Associate Vice Chancellor for Civil Rights and Title IX may dismiss the Complaint, and that decision shall be final, barring new information. The Associate Vice Chancellor for Civil Rights and Title IX shall provide Complainant and Respondent(s) with written notice of such dismissal.

b. In the event the Investigator’s notification indicates that the allegations set forth in the Complaint, if substantiated, would constitute Violation of University policy, or the Assistant Vice Chancellor for Compliance, Investigations & Ethics and/or the Associate Vice Chancellor for Civil Rights and Title IX determines that the matter should be investigated, the Investigator will conduct a fact-finding investigation. The investigation will include, as appropriate:
   . The Respondent will be provided with written notification of investigation, and be made aware that a Formal Complaint has been submitted to the Office of Diversity and Inclusion. The Respondent will be provided an opportunity to review the Complaint at the Office of Compliance, Investigations & Ethics.
   . The Complainant will be provided written notification that a full investigation of their Complaint is underway.
   . The Investigator will interview relevant witnesses and review relevant physical, documentary or other evidence.
   . As described below, each party will be given an opportunity to identify relevant witnesses. In order to have a prompt, equitable process, the investigator may provide deadlines for providing information. Delays providing witness contact information and/or evidence may impact the Investigator’s ability to consider these elements.

3. The Investigator may consider the credibility of the parties and witnesses and relevant information, including evidence of pattern. Both parties may provide information and names of witnesses to the Investigator. The Investigator will not apply rules of evidence followed in court proceedings and will not entertain legal motions. Legal rules pertaining to the wording of questions, hearsay, and opinions will not be applied. Reasonable rules of relevancy will guide the Investigator in deciding on the admissibility of evidence and witness statements. Reasonable limits may be imposed on the number of factual witnesses and the amount of cumulative evidence that may be introduced.

4. After the Complainant(s) and/or Respondent(s) have been interviewed by the Investigator, each will be provided with an opportunity to review a written summary of their own interview. The Complainant and Respondent will then have five (5) business days from the date the summary is made available to review their own interview summary and provide any comments or new evidence to the Investigator. Comments will be reviewed and retained in the investigative file, but may not necessarily result in a change to the summary.

5. After the Investigator concludes gathering and evaluating evidence, including witness interviews, a report of investigation will be prepared. At this time, the Complainant and Respondent will have an opportunity to review, in the Office of Compliance, Investigations & Ethics, the report of investigation. The report of investigation will include the relevant information provided by the Complainant, Respondent, and any witnesses, as well as reference other relevant evidence gathered during the investigation which will be considered in making a determination regarding the alleged University’s Sexual Misconduct Policy and/or Code Violation. Within five (5) business days of the date that the report of investigation was made available for review, the Complainant and Respondent must submit verbally or in writing to the Investigator any comments (including additional statements, proposed witness questions and additional evidence) concerning the summary. This portion of the investigation may be an iterative process.

6. Following the receipt of any comments on the investigative summary, or after the five (5) day period has lapsed without comment, the Investigator will prepare a final report of investigation that includes a determination of whether it is more likely than not that a Violation has or has not occurred. The final written report will include the basis upon which the Investigator reached their determination of responsibility. This determination will be made using the preponderance of the evidence standard, asking whether it is more likely than not that the University’s Sexual Misconduct Policy has been violated.
7. The report will be provided first to the Assistant Vice Chancellor for Compliance, Investigation & Ethics for review and input. The AVC for CIE will consult with the Office of University Counsel and submit the final report to the Associate Vice Chancellor for Civil Rights and Title IX. The Associate Vice Chancellor for Civil Rights and Title IX will forward to the Vice President/Dean of Students the final report along with proposed or recommended Sanctions. The Vice President/Dean of Students will have discretion to accept or alter the recommended Sanction(s), if they believe that the totality of circumstances, including but not limited to University precedent, justifies such a change. Once the VP/Dean has made a determination on Sanctions, either the Office of Civil Rights and Title IX or the VP/Dean of Students will provide the decision letter, to both the Complainant and Respondent. At this time, a copy of the final investigation report will be available in the Office of Compliance, Investigations & Ethics for review.

8. Both the Complainant and Respondent may submit an appeal to the University Review Board (URB) within ten (10) business days from the date of the decision letter. See the Level II Hearing Appeal Process.

**The University’s Prohibition of Retaliation**

Retaliation is prohibited and will constitute separate grounds for disciplinary action. Retaliation is the act of taking adverse action against a Complainant, a Respondent, or any other person involved in the process based on the person's reporting or participation in the process under the Policy or this Procedure. Retaliation includes behavior on the part of the Respondent or the Complainant and other related persons, including, but not limited to, acquaintances, friends, and family members. Although independent action will be taken against anyone engaging in retaliation, the Complainant and the Respondent should not encourage such actions and will also be held responsible to the extent of their involvement in the retaliation. An individual who believes they have experienced retaliation should contact the Office of Civil Rights and Title IX, and the University will investigate the complaint. If the University determines that evidence exists to support that retaliation occurred, appropriate action will be taken regardless of the outcome of the underlying sexual misconduct complaint. This usually involves referral of the retaliation concerns to another University process for resolution, unless additional sexual misconduct is involved.

**Filing with External Agencies**

Any person may file a complaint with the U.S. Equal Employment Opportunity Commission or the U.S. Department of Education’s Office for Civil Rights. Inquiries may also be directed to the Office for Civil Rights of the U.S. Department of Education at (800) 421-3481 or by email at OCR@ed.gov.
CHAPTER 7: Sexual Harassment Process and Procedures

Reporting Sexual Harassment and University Response

This Chapter is a supplement to University Policy CS 27 Title IX Policy. This Chapter applies to the University’s administration of allegations that constitute “Sexual Harassment” (as defined by University Policy CS 27 Title IX Policy consistent with Title IX). Allegations that do not constitute Sexual Harassment may fall under another section of the Student Code of Conduct, including Chapter 6, which addresses Sexual Misconduct that does not otherwise constitute Sexual Harassment.

Complainant: An individual who is alleged to be the victim of conduct that could constitute Sexual Harassment.

Respondent: An individual who has been reported to be the perpetrator of conduct that could constitute Sexual Harassment.

Sexual Harassment: Conduct on the basis of sex occurring in the United States and occurring in or related to a University Education Program or Activity that satisfies one or more of the following: (1) An employee of the University conditioning the provision of an aid, benefit, or service of the University on an individual’s participation in unwelcome sexual conduct; (2) Unwelcome conduct determined by a reasonable person to be so severe, pervasive, and objectively offensive that it effectively denies a person equal access to the University’s Education Program or Activity; or (3) Sexual assault, dating violence, domestic violence, or stalking (as these terms are defined in Policy CS 27).

Please Note: other forms of sexual harassment and sexual misconduct that are not otherwise included in this definition are still considered misconduct in violation of University policy under Policy CS 20 (formerly 06-05-01) and Chapter 6 of this Code.

Reporting Sexual Harassment

Anyone can report incidents of Sexual Harassment through any of the following channels:

- Reports can be made directly (in person, by mail, by telephone, by electronic mail, or by using the online reporting form) to the Title IX Coordinator and/or the Office of Civil Rights and Title IX using any of the following contact information:
  
  Title IX Coordinator: Katie Pope (see https://www.titleix.pitt.edu/civil-rights-title-ix-compliance )
  
  Address: Office of Equity, Diversity and Inclusion
  2nd Floor Webster Hall
  4415 Fifth Ave
  Pittsburgh, PA 15260
  Phone: (412) 648-7860
  Email: titleixcoordinator@pitt.edu
  
  Online reporting form: https://www.diversity.pitt.edu/civil-rights-title-ix-compliance/make-report

To make criminal reports of Sexual Harassment and/or sexual misconduct, individuals may contact Campus Police by phone at (814) 368-3211 or, in the case of emergency, by calling 911. Criminal reports are not investigated as outlined herein as such reports will, instead, be investigated by the police and other relevant authorities. Individuals are, however, permitted and encouraged to report incidents of Sexual Harassment and sexual misconduct both to the Office of Civil Rights/Title IX and the police.

The University will keep confidential the identity of any Complainant of sex discrimination, including any Complainant who files a Formal Complaint of Sexual Harassment, as well as the identity of any Respondent or witness, except as may be permitted or required by law, or to carry out the purposes of Policy and Procedure CS 27, including to conduct any investigation, hearing, or judicial proceeding arising hereunder.

Filing a Formal Complaint

Once a report of Sexual Harassment is received by the Office of Civil Rights and Title IX, the office will work with the Complainant to determine whether the Complainant wishes to file a Formal Complaint. While a Formal Complaint is not required to provide the Complainant with Supportive Measures (discussed further below), a Formal Complaint is required to proceed with the Formal Grievance Process or an Informal Resolution. If the Complainant declines to file a Formal Complaint, the Title IX Coordinator may separately sign a Formal Complaint and refer the matter to the Office of Compliance, Investigations & Ethics for investigation and ultimately, adjudicate the report of Sexual Harassment. While reports of Sexual Harassment can be made by anyone, Formal Complaints may only be filed by a Complainant or the Title IX Coordinator.
If no Formal Complaint is filed, the Office of Civil Rights and Title IX will still offer Supportive Measures to the Complainant, but the University is not legally permitted to issue any sanctions against the Respondent related to the report of Sexual Harassment as there can be no adjudication or finding related to the report absent the filing of a Formal Complaint.

If the Office of Civil Rights and Title IX receives allegations of Sexual Harassment against more than one Respondent, or by more than one Complainant against one or more Respondents, or by one party against the other party, where the allegations of Sexual Harassment arise out of the same facts or circumstances, the Formal Complaints shall be consolidated and investigated and/or resolved through one single process.

**Supportive Measures**

Upon receipt of a report of Sexual Harassment, whether or not the Complainant decides to move forward with filing a Formal Complaint, the Office of Civil Rights and Title IX shall offer to the Complainant Supportive Measures and facilitate the implementation of such Supportive Measures to protect the safety and well-being of the Complainant. If a Formal Complaint is filed, Supportive Measures will also be made available as appropriate to any involved party.

The University will maintain as confidential any Supportive Measures provided to the parties, to the extent that maintaining such confidentiality would not impair the University’s ability to provide the Supportive Measures.

**Emergency Removal**

Under extraordinary circumstances, the University may remove a Respondent prior to adjudication of any Formal Complaint under this Policy if, after undertaking an individualized safety and risk analysis, the University determines that the Respondent poses an immediate threat to the physical health or safety of any individual arising from the allegations of Sexual Harassment. When issuing an emergency removal, the University will provide the Respondent with notice and an opportunity to challenge the decision immediately following the removal.

**Initial Response to a Formal Complaint**

The University intends to resolve Formal Complaints of Sexual Harassment in a reasonably prompt manner, though delays in the process may arise from time to time. When a Formal Complaint is filed, the University will examine, adjudicate, and/or resolve the matter consistent with Policy and Procedure CS 27 and this Chapter.

**Notice of Formal Complaint**

Upon receipt of a Formal Complaint alleging Sexual Misconduct, the Office of Compliance, Investigations & Ethics will provide written notice to any known Complainant(s) and Respondent(s) outlining the following:

- Policy CS 27 and Procedure CS 27
- The allegations potentially constituting violation of Policy CS 27, including identification of Complainant(s) and Respondent(s), the conduct allegedly constituting Sexual Harassment, and date and location of the alleged incident, if known.
- The standard of evidence being the preponderance standard, as well as a statement the Respondent is presumed not responsible (this presumption does not imply allegations did not occur or a Respondent is truthful or a Complainant is lying).
- The right of both parties to have an Advisor of choice.
- The right of both parties to review evidence consistent with this Chapter.
- The relevant section of the Code and/or University policies and guidelines related to knowingly making false statements or knowingly submitting false information.

The written notice shall be provided to Respondent and Complainant at least five (5) business days prior to any initial interview conducted by an investigator related to the Formal Complaint for parties to have sufficient time to prepare for the initial interview.

In addition to the notice of Formal Complaint, all applicable parties shall receive notices of any additional allegations discovered and/or investigated in the course of the investigation of the Formal Complaint, as well as the date, time, location, participants, and purposes of any live hearing or other proceeding at which the party is expected or permitted to attend.

**Initial Inquiry**

Upon receipt of a Formal Complaint alleging Sexual Misconduct, the Office of Compliance, Investigations & Ethics will conduct an initial inquiry, as discussed in Policy CS 27. If the Formal Complaint contains allegations that constitute Sexual Harassment, those allegations will be resolved consistent with Policy and Procedure CS 27.

It should be noted that an investigation may reveal facts or circumstances not otherwise known at the time of the initial report or filing of the Formal Complaint. If any facts or circumstances relevant to the evaluation of the Formal Complaint
are discovered as the matter proceeds, it may be necessary for the Office of Compliance, Investigations & Ethics to reevaluate which University policy is appropriate and applicable to the matter. To the extent a matter is determined to fall under a different policy than that which was originally believed to be applicable, the parties and other additional individuals, as appropriate, will be notified and the matter will proceed under the University procedure corresponding with the appropriate University policy in accordance with that evaluation.

**Dismissal of Formal Complaint**

If a Formal Complaint contains allegations that do not constitute Sexual Harassment as defined in Policy CS 27 or the Formal Complaint otherwise does not meet the requirements of Policy CS 27, the Formal Complaint or individual allegations therein will be “dismissed” under Policy CS 27. A Formal Complaint or individual allegations therein may be “dismissed” under Policy CS 27 for reasons including, but not necessarily limited to the following:

- if the conduct alleged does not constitute Sexual Harassment;
- if the conduct alleged was not within or otherwise related to a University Education Program or Activity;
- if the conduct alleged did not occur against a person in the United States; or
- if the Complainant notifies the Title IX Coordinator in writing that the Complainant wishes to withdraw the Formal Complaint or allegation(s) therein.

If a Formal Complaint or individual allegations therein are “dismissed,” the allegation will still be examined to determine whether it is appropriate to adjudicate under a separate University policy (including University Policy CS 20 Sexual Misconduct and University Policy CS 07 Nondiscrimination, Equal Opportunity, and Affirmative Action).

**Appealing Dismissal of Formal Complaint**

When a Formal Complaint is “dismissed” under Policy CS 27, the University will notify the parties in writing and will provide the reasons for the “dismissal.” Within ten (10) business days upon being provided written notice for the “dismissal”, either the Complainant or the Respondent can appeal the “dismissal” on any of the following bases:

1. Procedural irregularity that affected the outcome of the matter;
2. New evidence that was not reasonably available at the time the determination regarding responsibility or dismissal was made, that could affect the outcome of the matter; or
3. The Title IX Coordinator, investigator, or Decision-Maker had a conflict of interest or bias for or against Complainants or Respondents generally or the individual Complainant or Respondent that affected the outcome.

The appeal of a dismissal of a Formal Complaint or allegations therein will be reviewed by an individual designated by the Title IX Coordinator who is appropriately trained and who was not involved in the original determination leading to the dismissal of the Formal Complaint or allegations therein. If the appealing party cites to any conflict of interest or bias on the part of the Title IX Coordinator as a basis for the appeal, the Vice Chancellor for Diversity and Inclusion (VC-ODI) shall be responsible for designating the individual who shall review the appeal.

**Informal Resolution**

At the election and agreement of the Complainant(s) and Respondent(s), the University will facilitate an Informal Resolution of the Formal Complaint unless otherwise prohibited (i.e. when the Complainant is a University Student and the Respondent is a University employee). This process can be pursued at any time prior to a determination of responsibility of the Formal Complaint. Informal Resolutions will be appropriate processes crafted by the parties in consultation with the Office of Civil Rights and Title IX. Once the parties agree upon using the Informal Resolution process, the parties will receive notice of the process agreed upon and both Complainant and Respondent will sign and submit a consent form to proceed through the Informal Resolution process. Once the signed consent forms are submitted, the parties must continue with the Informal Resolution process until the matter is resolved. The parties will not be able to withdraw or alter the terms of the agreed upon Informal Resolution process, however a party may withdraw from the Informal Resolution Process at any time prior to agreeing to the Final Informal Resolution and resume the Formal Grievance Process as outlined herein. Parties will not have any opportunity to appeal any result of an Informal Resolution.

**Formal Grievance Process**

A. Investigation

An assigned investigator shall gather evidence and witness statements related to the allegations in the Formal Complaint. The assigned investigator shall not be the Title IX Coordinator, the Decision-Maker, or the Appellate Decision-Maker.
The investigation will involve the collection and review of relevant evidence, including documents, electronic data, tangible objects, and/or any other material pertinent to the allegations. All available evidence shall be identified and documented. Where possible, all available evidence shall be collected and maintained in electronic format. Both Complainant and Respondent will have an equal opportunity to present evidence to the investigator.

The investigation will involve the identification and interviewing of witnesses with relevant information. Both Complainant and Respondent will have an equal opportunity to suggest witnesses to be interviewed.

Neither the investigator nor the Decision-Maker may access, consider, disclose, or otherwise use a party’s records that are made or maintained by a physician, psychiatrist, psychologist, or other recognized professional or paraprofessional acting in the professional’s or paraprofessional’s capacity, or assisting in that capacity, and which are made and maintained in connection with the provision of treatment to the party, unless the applicable party provides voluntary, written consent to do so for the purposes of a grievance process.

The Complainant and Respondent are permitted to bring one Advisor of their choice and one Support Person of their choice to any/all meetings with the investigator. Neither Advisors nor Support Persons are permitted to participate in any meetings with the investigator, but they can be present for the counsel and support of the party.

B. Review of Evidence
Prior to the completion of the investigative report, the investigator shall provide both Complainant and Respondent with an equal opportunity to inspect and review any evidence that is directly related to the allegations in the Formal Complaint that is obtained as part of the investigations (including witness summaries), regardless of whether that evidence is deemed relevant by the investigator.

Parties will be permitted to submit a written response to the evidence for the investigator to consider. This written response is due ten (10) business days from the date upon which the parties were provided access to the evidence referenced above.

C. Investigative Report
At the conclusion of the investigation and, after reviewing the written submission of the parties (if any), the investigator shall prepare an investigative report. The report shall fairly summarize the allegations and all relevant evidence. The report shall also include a description of the procedural steps taken during the investigation, including notifications sent to parties, interviews, site visits, and methods used to gather evidence.

Once complete, the investigative report will be provided to the Decision-Maker as well as both the Complainant and the Respondent (and their Advisors of choice). Parties will be permitted to submit to the Decision-Maker a written response to the investigative report. This written response is due ten (10) business days after the date upon which the parties were provided the investigative report. The hearing shall take place no sooner than one (1) business day after the written responses to the investigative report are due to the Decision-Maker.

D. Hearing
A live hearing will take place related to the allegations of Sexual Harassment. The live hearing shall follow procedures and rules of decorum outlined by the Office of Civil Rights and Title IX and provided to the parties and their Advisors prior to the hearing.

The hearing may be conducted in-person or, at the election of either party or the discretion of the University, virtually, so long as both parties and the Decision-Maker can, at all times, see the witness and/or individual speaking. The only individuals permitted to attend the live hearing are the Complaint(s), Respondent(s), the parties’ respective Advisors, witnesses, the Decision-Maker, any other person required by the University to conduct the hearing, and any other person required by law. A recording (either audio or audio-video) or a transcript of any live hearing will be made available to the parties for review.

The hearing is overseen by the Decision-Maker, who will make a determination as to whether the Respondent is responsible for violating Policy CS 27. The Decision-Maker shall not be the Title IX Coordinator, investigator or Appellate Decision-Maker.

For purposes of the hearing, parties can bring an Advisor of their choosing. If a party declines to select an Advisor, the University will assign one for the hearing. At the hearing, parties, through their Advisors, will have the opportunity to cross-examine all witnesses and the other party. Note: direct cross-examination conducted by a party is not permitted; all cross-examination must be conducted by Advisors. If a party or witness fails to participate in the hearing or otherwise does not make themselves available for cross-examination, the Decision-Maker is not permitted to consider any statement made by that party or witness (at the hearing or during prior investigation) in reaching a determination. The Decision-Maker cannot draw any inference regarding responsibility of Respondent based solely on a party or witness’s absence from the hearing or refusal to answer cross-examination or other questions.
Only relevant questions may be asked of a party or witness. Questions and evidence about the Complainant’s sexual predisposition or prior sexual behavior are not relevant unless such questions and evidence are offered to prove someone other than the Respondent committed the conduct alleged in the Formal Complaint, or if the questions and evidence concern specific incidents of the Complainant’s prior sexual behavior with respect to the Respondent and are offered to prove consent. Questions or evidence that constitute, or seek disclosure of, information protected under a legally recognized privilege are prohibited unless the person holding such privilege has waived the privilege. To the extent the Decision-Maker prohibits any questions as bring irrelevant, the Decision-Maker must explain their rationale.

**E. Determination of Responsibility**

After the hearing is complete, the Decision-Maker will decide, after fairly considering all relevant evidence they are permitted to consider in accordance with Policy and Procedure CS 27, by a preponderance of the evidence, the outcome of each allegation in the Formal Complaint concerning whether the Respondent has violated Policy CS 27. The Decision-Maker shall issue a decision on the allegations contained in the Formal Complaint in the form of a written determination of responsibility. The written determination shall include:

1. Identification of the allegations potentially constituting Sexual Harassment
2. Description of the procedural steps taken from receipt of Formal Complaint through determination, including notifications to the parties, interviews with parties/witnesses, site visits, methods used to gather evidence, and hearings held;
3. Findings of fact supporting the determination;
4. Conclusions regarding the application of Policy CS 27 to the facts;
5. Statement of, and rationale for, the result as to each allegation, including determination regarding responsibility, any disciplinary sanctions the recipient imposes on the Respondent, and whether remedies designed to restore or preserve the Complainant’s equal access to University’s Education Program or Activity will be provided; and
6. The appeal process.

The written determination of responsibility shall be provided to both the Complainant and Respondent on the same day. The determination of responsibility becomes final either on the date that the written determination regarding the appeal, if any, is provided to the parties, or if an appeal is not filed, the date on which an appeal would no longer be considered timely.

**F. Sanctions**

If the Decision-Maker determines, by a preponderance of the evidence, that Policy CS 27 was violated, the written determination of responsibility containing all information listed above, other than the sanction(s), shall be submitted to the appropriate chair, dean, director, supervisor, responsibility center head, or designee to make a determination regarding the appropriate sanction(s). The appropriate chair, dean, director, supervisor, responsibility center head, or designee will then provide the sanctions determination to the Decision-Maker, who will incorporate the sanctions into the written determination of responsibility before distributing the same to the parties. Sanctions will not be imposed until the grievance process is complete, including, as applicable, until the time for an appeal of the outcome runs out or until a determination is made regarding any such appeal.

The University may impose a wide range of Sanctions for violations of Policy CS 27, including, but not limited to disciplinary reprimand, educational meetings, suspension, dismissal, and/or termination. These examples are provided for the purpose of notice and do not reflect the probability that any particular outcome will occur.

**G. Appeals**

After the written determination of responsibility is provided to the parties, either the Complainant or Respondent can appeal the determination. Appeals will not involve a full rehearing or a redetermination of the facts of the matter, but will review only whether the decision erred in one of four (4) limited grounds on which an appeal may be filed (collectively referred to as the “Scope of Review”), which are as follows:

1. Procedural irregularity that affected the outcome of the matter;
2. New evidence that was not reasonably available at the time the determination regarding responsibility or dismissal was made, that could affect the outcome of the matter;
3. The Title IX Coordinator, investigator, or Decision-Maker had a conflict of interest or bias for or against Complainants or Respondents generally or the individual Complainant or Respondent that affected the outcome of the matter; or
4. The sanction(s) are substantially disproportionate to the severity of the violation.
The Complainant and Respondent shall have ten (10) business days from the receipt of the written determination of responsibility to file a petition for appeal, this appeal shall include a written statement in support of or challenging the outcome and must include a basis for the appeal that cites one or more of the grounds listed under the Scope of Review. The appeal petition must include a thorough statement and all facts or evidence which support the appeal. To the extent either party bases all or part of any appeal on an alleged error or conflict of interest on the part of the Office of Civil Rights and Title IX or any other individual involved with the grievance process, the Office of Civil Rights and Title IX shall have the opportunity to respond to the writing within ten (10) business days of being provided with the appeal petition(s).

A panel of three (3) members of the University Review Board (“URB”) shall act as the Appellate Decision-Makers. One of the members of the URB shall be deemed the URB Moderator. None of the Appellate Decision-Makers shall be University students, the Title IX Coordinator, the investigator, or the Decision-Maker from the original hearing.

Upon receipt of an appeal petition, the URB shall first determine whether the appeal properly falls within the Scope of Review. If the URB determines the appeal does not fall within the Scope of Review, the URB shall send written notice of the outcome to the party that submitted the petition for appeal. Where it has been determined that an appeal petition falls within the Scope of Review, the URB Moderator will notify the applicable parties that an appeal has been initiated and will provide all parties with the submitted appeal petition(s) and applicable procedures. The URB may elect to resolve the appeal based solely on the written submissions. To the extent the URB decides that a hearing is necessary or would aide in the resolution of the appeal, the URB shall schedule a hearing and notify all applicable parties.

Once the URB reaches a decision as to the outcome of an appeal (whether based solely on the written submission or after a hearing is held), the URB shall issue a written decision describing the result of the appeal and the rationale for the result. The outcome of the appeal shall be provided to all applicable parties on the same day.

Generally, if the URB finds that an appeal is valid and overturns the outcome of the original Decision-Maker based on appeal basis #1 (procedural irregularity), #2 (new evidence), or #3 (conflict of interest or bias), the Appeals Board will refer the appeal back to the appropriate stage of the grievance process to effectively permit the correction of the error. Generally, the Appeals Board should complete its work within thirty (30) business days.

**Retaliation**

The University strictly prohibits retaliation against anyone involved as a party or witness in the process of adjudicating a Formal Complaint under this Policy. Retaliation includes, but is not limited to, acts on behalf of the University or any person designed to intimidate, threaten, coerce, or discriminate against any individual for the purpose of interfering with any right or privilege secured by Title IX or this Policy, or because the individual has made a report or complaint, testified, assisted, or participated or refused to participate in any manner in an investigation, proceeding, or hearing under this Policy. The University will investigate all acts of reported retaliation. Complaints alleging retaliation may be filed according to the University grievance procedures as found in Procedure CS 27.

All reports supported by evidence, regardless of the outcome of the underlying Formal Complaint of Sexual Harassment, will be referred for disciplinary action and resolution under Policy CS 20, Sexual Misconduct.

The exercise of rights protected under the First Amendment do not constitute retaliation prohibited under this section.
Appendix A: Sanctions

The University may impose a wide range of Sanctions for Violations of this Code. Any of these Sanctions may be used outside of the conduct process as an interim action to help ensure the health, welfare, safety, or educational environment of the University community or any individual member thereof, or to limit disruptions to the neighboring environments. Sanctions may be imposed by the VP/Dean of Students or their designee. A record of imposed Sanctions will be maintained in the Office of Student Care and Conduct and any other appropriate office(s) to which the Sanction(s)/interim action(s) apply.

If a Student fails to complete Sanctions, a Judicial Hold may be placed on the Student’s account and/or they may face further disciplinary action. Registered Student Organizations that fail to complete Sanctions may face additional disciplinary action.

Some Sanctions may affect both University and non-University opportunities, including, but not limited to studying abroad, participation in a Registered Student Organization, and employment.

Additionally, failure to follow the No Contact Order may result in criminal arrest or initiation of criminal action. No Contact Orders may be issued outside of the conduct process. In these instances, the No Contact Order would not be considered a Sanction.

Persona Non Grata — An exclusion from a facility/area for a specified period of time or until otherwise notified. During this time, the Student is excluded from a specified facility/area of the University and may not enter or participate in any function within the confines of the area/facility. Appendix B: Title IX and Sexual Misconduct Resources and Information

The University of Pittsburgh values the safety and health of all members of the Pitt community and seeks to foster an environment in which Students and employees treat other persons with respect, civility, and dignity. Any behavior that involves sexual misconduct or harassment, relationship violence, or stalking of another person is prohibited. Sexual misconduct can be a Violation of criminal law, Title IX, other laws, and this Code.

The University has the authority to take disciplinary action for conduct occurring on campus and off campus when the conduct, among other things, effects the educational environment or threatens the safety of the University community. The University will provide a prompt, fair, and impartial investigation and resolution.

Getting Help

What to do if you are assaulted

**IMMEDIATELY AFTER AN INCIDENT**

- **Physical Safety:**
  Your immediate safety is the top priority. As quickly as possible, find a safe place away from the perpetrator or any other potential danger.
  You are encouraged to seek medical attention as soon as possible for your own physical health and to preserve all physical evidence. You can receive treatment at any medical facility; however, hospital emergency departments may be in the best position to treat you and collect physical evidence. Please note that not all hospitals employ trained sexual assault nurse examiners (SANE). Bradford Regional Medical Center generally has SANE nurses available. SANE nurses are registered nurses who have completed specialized education and clinical preparation in the medical forensic care of the patient who has experienced sexual assault or abuse. Also, be aware that all hospitals are required by law to report to the police any injury that is the result of a crime. This does not obligate you to file formal criminal charges. Victims may also seek support at the YWCA Victims Resource Center.

- **Preserving Physical Evidence:**
  In the aftermath of a sexual assault, although it may not be foremost on your mind, the preservation of evidence is strongly encouraged. Even if you do not think you want to pursue a criminal or civil proceeding, preserving evidence keeps your options open in case you change your mind. To preserve evidence, do not shower, douche, or change clothes or bedding before you seek medical attention. Also, if oral contact took place, do not brush teeth, smoke, or eat. Optimally, evidence collection should occur within 72 hours of the assault, but many hospitals will attempt to collect evidence 7-10 days after an assault. There are medical facilities in the area that can assist you, including:

  Bradford Regional Medical Center, 116 Interstate Parkway, Bradford PA 16701 814-368-4143

- **Contact the Police:** You are strongly encouraged to call the University of Pittsburgh at Bradford Police Department (814-368-3211) or the McKean County 911 Center and report the situation. The Police are trained and able to assist in obtaining other physical evidence, such as video surveillance.

Confidentiality

The University encourages victims of sexual misconduct to talk to somebody about what happened and to seek the support they need to address their individual situations. Telling someone will also allow the University to respond appropriately.

You may have concerns about confidentiality, and you should know that different employees on campus have different abilities to maintain a Complainant’s confidentiality. If you are still unsure about confidentiality requirements after reviewing the following explanation, please contact the Title IX Coordinator.

The Different Types of Employees and their Confidentiality Responsibilities

A. Privileged and Confidential Resources

  Professional Counselors: Counseling Services (CS) and Health Services (HS)
Both the University of Pittsburgh at Bradford Counseling Services (CS) and Health Services (HS) keep reports of sexual misconduct confidential. However, they generally report de-identifying information to the University of Pittsburgh at Bradford Police Department for Clery reporting purposes. This de-identified report—which does not include information that would directly or indirectly identify the Complainant—will include nature, date, time, and general location of an incident.

Before filing any de-identified report, the CS and HS staff will take reasonable efforts to make sure that the report contains no personally identifying details.

In addition, a Complainant who speaks to a professional or non-professional counselor or advocate must understand that if they only want to share de-identified information, the University will unlikely be able to conduct an investigation into the particular incident or pursue disciplinary action against the Respondent.

However, the Complainant who at first requests that only de-identified information be shared, may later decide to file a complaint with the University or report the incident to local law enforcement, and thus have the incident fully investigated. The CS/HS staff provide the Complainant with assistance if the Complainant wishes to do so.

B. Exceptions to Confidential Communications

While Counseling Services and Health Services personnel may maintain a Complainant’s confidentiality as described above, they may have reporting or other obligations under state law. For example, Pennsylvania law requires mandatory reporting to law enforcement in cases involving minors and certain crimes.

If the University determines that the Respondent(s) pose(s) a serious and immediate threat to the University community, the University of Pittsburgh at Bradford Campus Police may be called upon to issue a timely warning to the community. Any such warning should not include any information that identifies the Complainant.

There are times where the University may override a request for confidentiality. These are detailed in “Requesting Confidentiality.”

C. Reporting to “Responsible Employees” and Confidentiality

The majority of Pitt employees are responsible employees unless their job requires professional confidentiality, as in the case of mental health counselors, physicians, nurses, and clergy. A “responsible employee” is a University employee who has the actual or reasonably perceived duty to report or authority to help address incidents of sexual misconduct.

With respect to confidentiality, a responsible employee must report to the Title IX Coordinator all relevant details about the alleged sexual violence shared by the survivor—including, if known, the names of the survivor and alleged perpetrator(s), any witnesses, and any other relevant facts, including the date, time, and specific location of the alleged incident.

To the extent possible, information reported to a responsible employee will be shared only with people responsible for handling the University’s response to the report. A responsible employee should not share information with law enforcement without the survivor’s consent or unless the victim has also reported the incident to law enforcement, or if there is a health or safety emergency.

Please visit titleix.pitt.edu for additional information on responsible employee role.

Requesting Confidentiality from the Office of Civil Rights and Title IX

The Associate Vice Chancellor for the Office of Civil Rights and Title IX will evaluate requests for confidentiality.

Once the Associate Vice Chancellor receives notice of an incident, the Complainant may request that any disclosed information remain confidential and that no investigation into a particular incident be conducted or disciplinary action taken. The Associate Vice Chancellor will weigh this request against the University’s obligation to investigate all matters of sexual misconduct and to provide a safe, non-discriminatory environment for all Students, including the Complainant. In most cases, the Associate Vice Chancellor can respect a Complainant’s request for anonymity.
If the University honors the request for anonymity, a Complainant must understand that the University’s ability to meaningfully investigate the incident and pursue disciplinary action against the Respondent(s) may be limited. Although rare, there are times when the University may deny a Complainant’s request for confidentiality in order to help protect the greater campus community and provide a safe, non-discriminatory environment for all Students.

When weighing a Complainant’s request that no investigation or discipline be pursued, the Associate Vice Chancellor will consider a range of factors, including, but not limited to, the following:

- The increased risk that the Respondent will commit additional acts of sexual or other violence, such as:
  - whether there have been other sexual misconduct complaints about the same Respondent;
  - whether the Respondent has a history of arrests or records from a prior University indicating a history of violence;
  - whether the Respondent threatened further sexual violence or other violence against the Complainant or others;
  - whether the sexual violence was committed by multiple Respondents;
- whether the sexual violence was perpetrated with a weapon;
- whether the Complainant is a minor;
- whether the University possesses other means to obtain relevant evidence of the sexual violence (e.g., security cameras or personnel, physical evidence);
- whether the Complainant’s report reveals a pattern of perpetration (e.g., via illicit use of drugs or alcohol) at a given location or by a particular group.

Depending on the totality of the circumstances, the presence of one or more of these factors could lead the University to investigate and, if appropriate, pursue disciplinary action. If none of these or similar factors are present, the University will likely respect the Complainant’s request.

If the University determines it must investigate the incident, the University will inform the Complainant prior to starting an investigation and will, to the extent possible, only share information with people responsible for handling the University’s response.

The University will remain ever mindful of the party’s well-being, and will take ongoing steps to protect both parties from retaliation or harm and work with the parties to create a safety plan. Retaliation, whether by Students or University employees, will not be tolerated. The University will also:

- assist both the Respondent and Complainant in accessing other available resources, academic support, counseling, disability, health or mental health services, and legal assistance both on and off campus;
- provide other security and support, which could include issuing an interim or permanent no-contact order, helping arrange a change of living or working arrangements or course schedules (including for the Respondent pending the outcome of an investigation) or adjustments for assignments or tests; and
- inform the Complainant of the right to report a crime to campus or local law enforcement and provide the victim with assistance if the victim wishes to do so.

Because the University is under a continuing obligation to address the issue of sexual violence campus-wide, reports of sexual violence (including non-identifying reports) will also prompt the University to consider broader remedial action. Such action may include increased monitoring, supervision or security in locations where the reported sexual violence occurred; increased education and prevention efforts, including to targeted population groups; climate assessment and victimization surveys; and/or revision of University policies and practices.

Public awareness events such as “Take Back the Night,” the Clothesline Project, candlelight vigils, protests, “survivor speak outs” or other forums in which Students disclose incidents of sexual misconduct, are not considered notice to the University of sexual misconduct for purposes of triggering its obligation to investigate any particular incident(s). Similarly, participation in a research study, or writing submitted for a class, are not considered notice to the University.

Title IX Explained
Title IX of the Education Amendments of 1972, a Federal law, was historically associated with actual or perceived gender-based disparities in athletic programs. However, it is a far broader law. Title IX actually covers all aspects of educational and academic-related programming and prohibits gender discrimination. Importantly, Title IX prohibits sexual misconduct which may affect the educational or campus environment.

The law provides that:

No person shall, on the basis of sex, be excluded from participation in, be denied the benefits of, or be subject to discrimination under any educational program or activity receiving Federal financial assistance.

Title IX prohibits gender-based discrimination in all University of Pittsburgh programs and activities, including, but not limited to, recruiting, admissions, financial aid, academic programs, student services, counseling, guidance, advising, grievance procedures, discipline, course/class assignments, grading, recreation, athletics, housing, meal services, and employment.

Some Examples of Unlawful Practices Under Title IX May Include:

- Sexual Harassment (as defined in CS 27) – Conduct on the basis of sex occurring in the United States and occurring in or related to a University Education Program or Activity that satisfies one or more of the following: (1) An employee of the University conditioning the provision of an aid, benefit, or service of the University on an individual’s participation in unwelcome sexual conduct; (2) Unwelcome conduct determined by a reasonable person
to be so severe, pervasive, and objectively offensive that it effectively denies a person equal access to the University’s Education Program or Activity; or (3) Sexual assault, dating violence, domestic violence, or stalking.

*Please Note:* Other forms of harassment, including unwelcome sexual advances, requests for sexual favors and other verbal or physical conduct of a sexual nature that are not otherwise covered in this definition are still considered misconduct in violation of University policy under Policy CS 20 (formerly 06-05-01)

- **Sexual Misconduct** – rape, sexual assault, sexual battery, sexual exploitation, sexual coercion, forcible fondling, and any other form of non-consensual sexual activity (including when an individual is not in a condition to give legal consent).
- **Stalking** – repeatedly following, harassing, threatening or intimidating another individual using such methods including, but not limited to, telephone, mail, electronic communication, and social media.
- **Domestic Violence** – in addition to physical abuse, also includes emotional, verbal and economic abuse.
- **Dating Violence** – in addition to physical abuse, also includes emotional, verbal and economic abuse.
- **Retaliation** – adverse academic, social, employment or other actions against anyone reporting a Violation or participating in an investigation of any Sexual Misconduct and/or Title IX allegation.

In addition to being considered discriminatory, *sexual violence is criminal activity.*

Glossary

**Adjudication**: Completion of any investigative or hearing process and/or any accompanying appeal process.

**Complainant**: A University community member who files a referral that alleges a Violation of the Code.

**Conduct Referral**: A report alleging Violations of the Code.

**Consent**: An informed decision made freely and actively by all parties to engage in mutually acceptable sexual activity. Consent is given by clear words or actions. Consent may not be inferred from silence, passivity, or lack of resistance alone. Existence of a current or previous dating, marital, and/or sexual relationship is not sufficient to constitute consent to future or additional sexual activity. Consent to one type of sexual activity does not imply consent to other types of sexual activity. Consent can be withdrawn at any time by any one party.

Someone who is unconscious, asleep, or otherwise mentally or physically incapacitated, whether due to alcohol, drugs, or some other condition, and individuals under the age of sixteen (16), cannot give consent. Consent cannot be obtained by force, intimidation, threat, coercion, isolation, or confinement. Agreement obtained under such conditions does not constitute consent. A person’s use of alcohol and/or other drugs does not eliminate responsibility to obtain consent.

**Disciplinary Conference**: A meeting with a Hearing Officer to discuss an alleged Violation of the Code and determine if sufficient information exists to move forward through the conduct process. When sufficient information exists, this conference, which may occur over several meetings, will be used to determine if the Respondent will accept general responsibility and the recommended Sanctions or will proceed to a Level II Hearing.

**Full Hearing**: A Level II Hearing before the Conduct Hearing Board, to determine whether the Respondent is responsible for violating the Code and whether Sanctions should be recommended to the VP/Dean of Students. For a full description, please refer to Level II Hearing in Chapter 5.

**Hearing Officers**: Individuals, including but not limited to, Office of Student Care and Conduct staff, Hearing Board members, Student Judicial Board members or Housing staff who have the authority to adjudicate cases.

**Level I Hearing**: A meeting with a Hearing Officer to determine responsibility for an alleged Violation of the Code where a responsible finding would include sanctions up to and including University Housing Suspension. For a full description of the Level 1 process, please refer to Chapter 5.

**Level II Conduct Hearing Board**: The Conduct Hearing Board that is authorized to adjudicate Level II cases. The Level II Conduct Hearing Board may include students and/or University faculty and staff members. Three members will participate in each Level II hearing.

In extraordinary circumstances where the complexity of factual issues and/or matters of law so dictate, the Pitt-Bradford President may appoint an ad hoc hearing body to hear cases. Any proceeding before such an ad hoc body shall provide due process and ensure the rights of Students.

**Level II Hearing**: A meeting or series of meetings to determine an alleged Violation of the Code where a Respondent may receive a Sanction up to and including Disciplinary Dismissal. All Level II Hearings begin with a Disciplinary Conference, but may end in one of the resolutions below:
Disciplinary Conference: The Respondent admits general responsibility for the Violations of the Code and agrees to the hearing officer’s recommended Sanctions.

Sanctions-Only Hearing: A Level II Hearing before the Conduct Hearing Board, in which the Respondent admits general responsibility for the Violations of the Code but does not agree to the hearing officer’s recommended Sanctions. The Conduct Hearing Board, after considering Respondent’s testimony and/or evidence, will recommend Sanctions to the VP/Dean of Students.

Full Hearing: A Level II Hearing before the Conduct Hearing Board, to determine whether the Respondent is responsible for violating the Code and whether Sanctions should be recommended to the VP/Dean of Students.

Registered Student Organization: Any student group registered through the University’s Office of Student Engagement.

Respondent: Student/Registered Student Organization alleged to have violated the Code.

Sanctions-Only Hearing: A Level II hearing before the Conduct Hearing Board, in which the Respondent admits general responsibility for the Violations of the Code, but does not agree to the hearing officer’s recommended Sanctions. The Conduct Hearing Board, after considering the Respondent’s testimony and/or evidence, will recommend Sanctions to the VP/Dean of Students. For a full description, please refer to Level II Hearing in Chapter 5.

Code jurisdiction also includes individuals who have accepted an offer of admission to the University; and Students who withdraw after allegedly violating the Code, who are on leave of absence from the University, or who are not officially registered and/or enrolled for a particular term, but have a continuing relationship with the University.

Student Judicial Board (SJB): The Student Judicial Board (SJB) hears cases involving Code Violations which will not result in disciplinary suspension or dismissal. The SJB is staffed by Students in good academic standing. The SJB may determine responsibility and issue sanctions. The SJB will provide due process for Students while protecting the rights of all members of the University community. All SJB members will receive appropriate training. No SJB member will serve on a panel when they have any direct interest or prior involvement in or knowledge of the incident under consideration, or where the Respondent has identified the member as having a possible bias.

University Member: Any individual affiliated with the University of Pittsburgh including but not limited to all full and part time faculty, staff, students, visitors, volunteers, fellows, trainees, and interns on all campuses.

University Property: All property (real, intellectual, and/or personal) owned, leased, controlled, or utilized by the University.
