Concern for the number of activities students engage in and whether such engagement negatively impacts students' grades

Strategies:

- Early Intervention Forms
- RAs do not hold programs during finals week

Discussion of student athletes and their grades:

- Students must get weekly attendance sheets signed by instructors/ professors
- Implementation of standardized forms for student athletes
- FY student athletes receive study tables
- Coaches are best point of contact to express concern for student athletes' grades
- Faculty members can (and should) reach out to coaches with such concerns

Discussion of Sports and Fitness Center:

- Long-term plan to upgrade equipment
- Updating technology (users should be able to listen to the televisions)
- Bring back a mandatory S+F Center orientation (???)
- Question / interest about exercise bikes with built-in study tables to exercise and study/read simultaneously

Reminder—no gaming allowed in Swarts 162 and Fisher 107 during last two weeks of the semester

Reminder—Student Affairs Committee aims to meet two times per semester

No new charges from Senate
